

Ways a Parent Can Help with **READING**

1

Let your child see you reading!

Have magazines and books in your home.

2

Help your child find appropriate reading and word games online.

Keep a dictionary on hand. Help your child look up new words.

3

Read mysteries with your child and try to figure out the clues together.

4

Movie version coming out?

Read the book together first, then talk about which you each liked better.

5

Set aside a time and place for your child to read -

like a comfy chair and a reading light in a quiet place

6

Visit your public library regularly.

Look for and read together the books that were your favorites when you were a kid.

7

Encourage your child to write -

letters, thank you notes, emails, journals, lists, stories about their own trips, events, and daily life

8

Ask your child questions about what her or she is reading, such as:

- What is the story about?
- Who are the important people in the story?
- Where does the story take place?
- Why do you think that person made that choice?
- What do you think will happen next?
- How did you know about...?
- Would you recommend this book to your friends?

9

Ask your child to draw a comic strip about what happens in the story.

Provide word searches, crossword and other word games and puzzles, or help your child make his/her own

Share with your child about what you're reading... and encourage your child to do the same
