

**WELCOME TO
THOR'S
FLOORBOOK**

AUTUMN 2

PE 4.11.25

Today in PE, the children were introduced to basketball. They practiced the chest pass and overhead pass. We also looked at how to bounce the basketball to our partners.

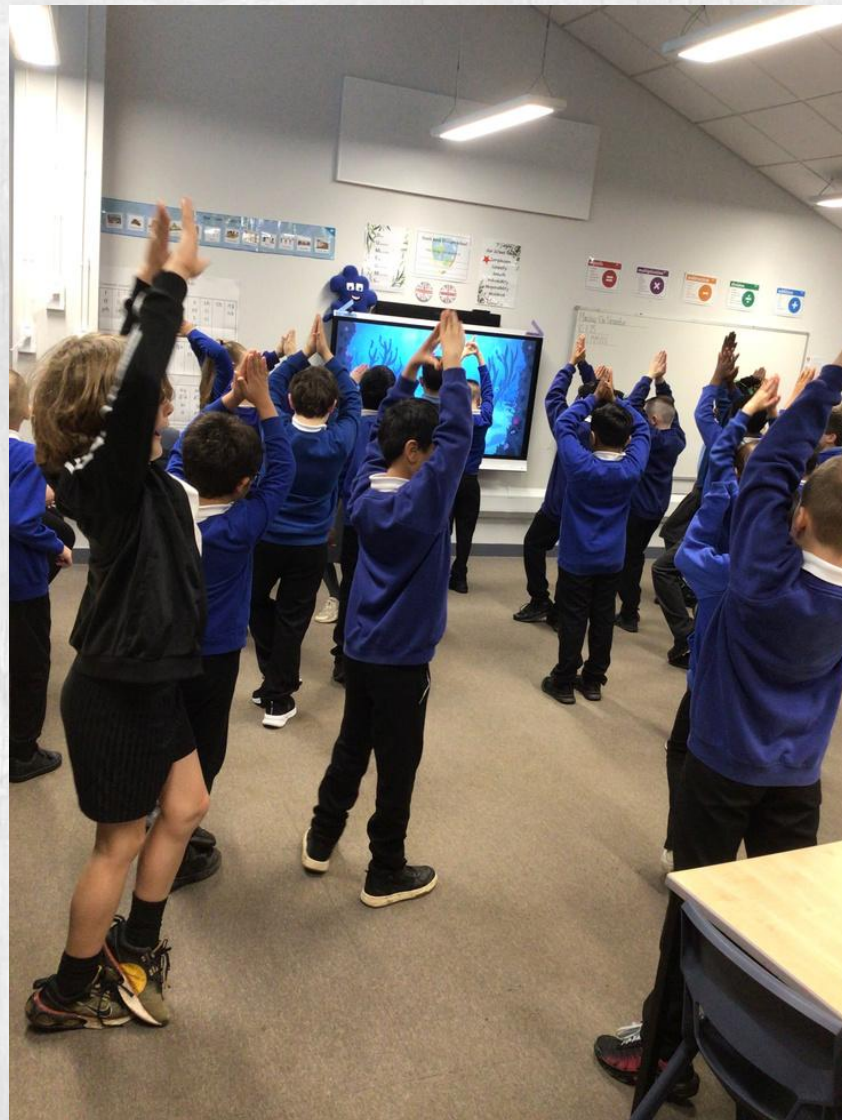

YOGA

10.11.25

For today's P.E lesson the class gathered together to learn some yoga poses.

"Calm minds. Strong bodies. Happy hearts. Yoga gives children the tools to find calm in busy days".

WORLD SCIENCE DAY

10.11.25 & 12.11.25

Thor conducting our World Science Day experiment using paper towels and water to create rainbows.

"Wonder is the seed of knowledge."

- Francis Bacon

The water absorbs the colours which makes it go up.
- Capillary Action

odh
Today at school an amazing experiment happened. So we got Nkhosho then we carved it out like a rainbow then we colored it at the bottom and after that we dipped it in water and absorbed in the water after that it started to the top and it was the best day ever.
Amos

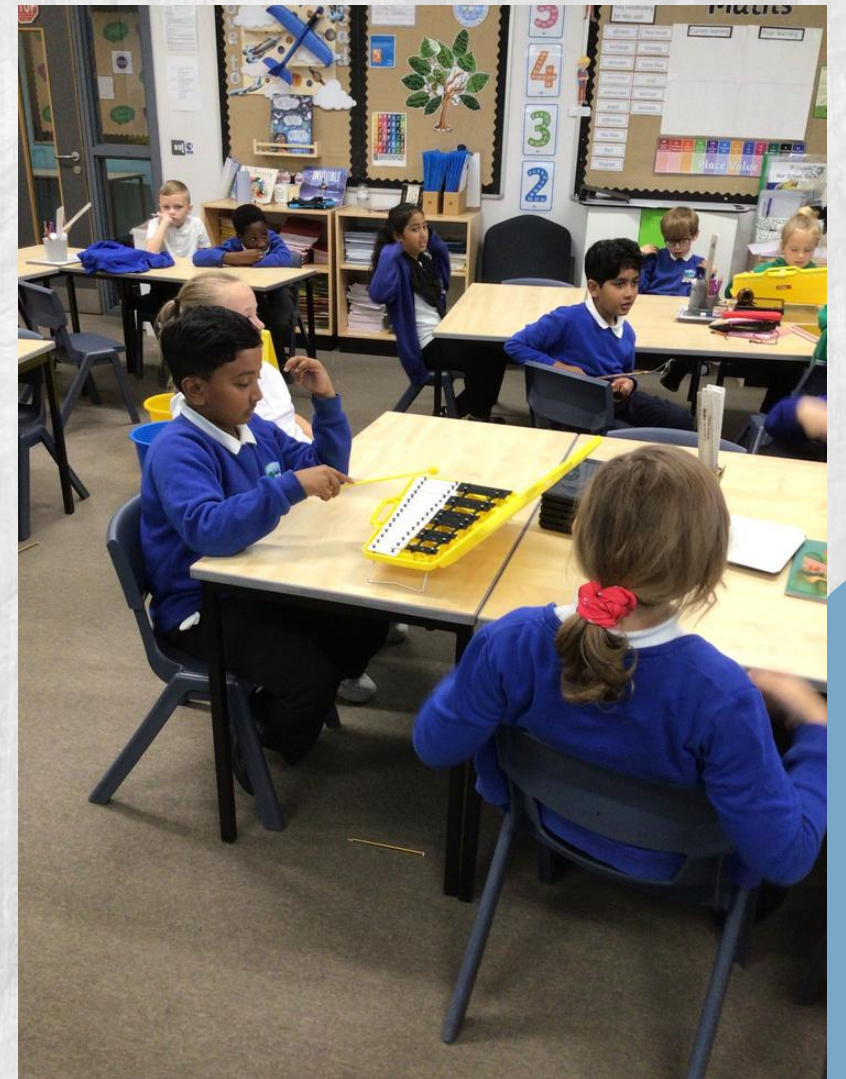

PIC•COLLAGE

MUSIC 13.11.25

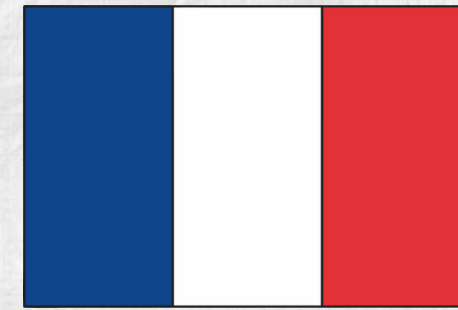

In Music, we are beginning to learn how to play the glockenspiel. We are learning about the beat, rhythm and ostinatos within music.

FRENCH

13.11.25

In French we have been learning about how to say the different parts of the house.

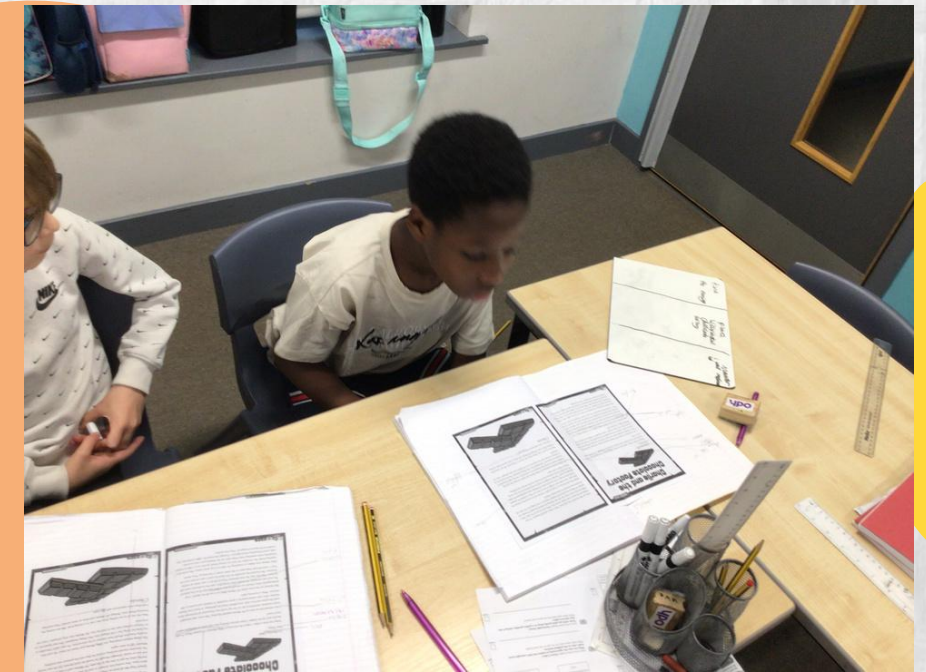

We have learnt house, front room, dining room, kitchen, entrance, bedroom, bathroom, toilet, garden and garage.

To make sure we knew how to write them correctly we played a game where we had to build a house. we rolled the dice and whichever number we landed on we had to write on our whiteboard the room in French. The first team to build the whole house was the winner.

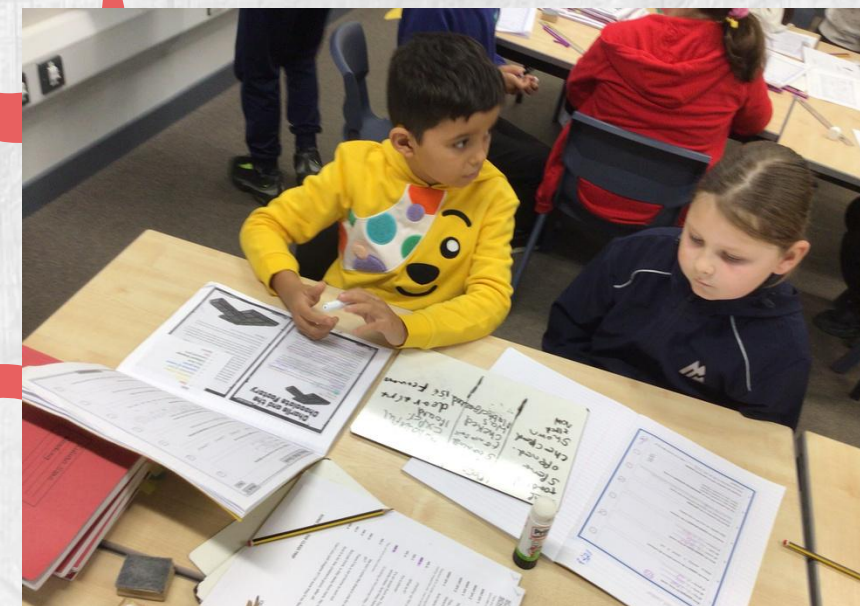

ENGLISH

14.11.25

Type of Adverbial	What it Tells Us	Examples from the Text
Time (When?)	Tells us <i>when</i> something happened.	Today, in the morning, when Wonka had shown us everything, soon, just then, for a moment, now, next
Place (Where?)	Tells us <i>where</i> something happened.	in the Chocolate Room, as far as the eye could see, between them, in the distance, to the other rooms, on the grass, in the corner, into the river, towards the pipes, up it, to the top, around his feet, in a rowing boat, down the river, in the Inventing Room
Manner (How?)	Tells us <i>how</i> something happened.	smoothly and richly, completely, like a torpedo, hysterically, cleverly

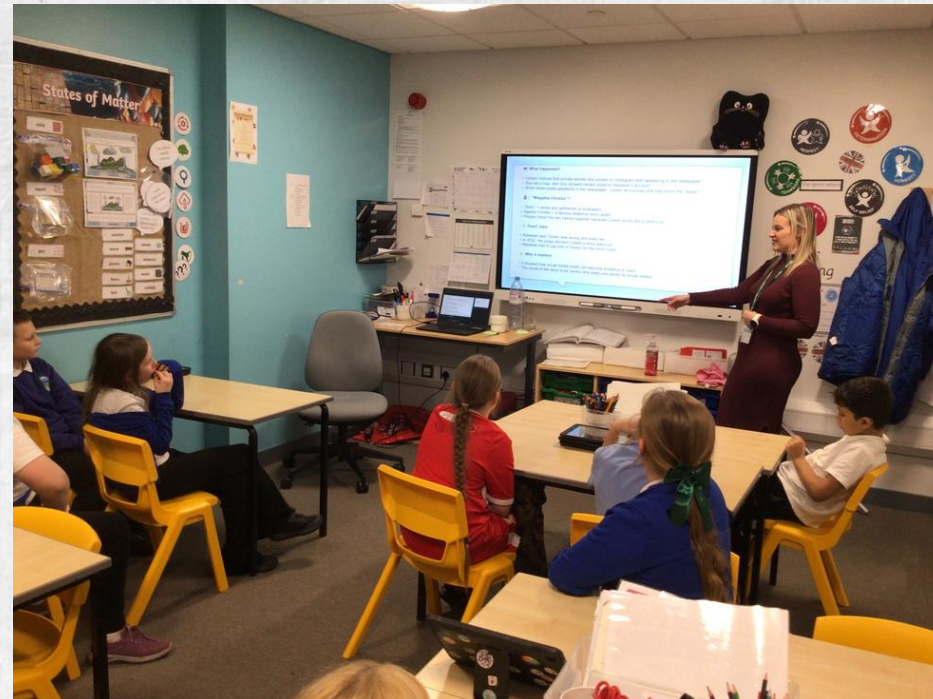

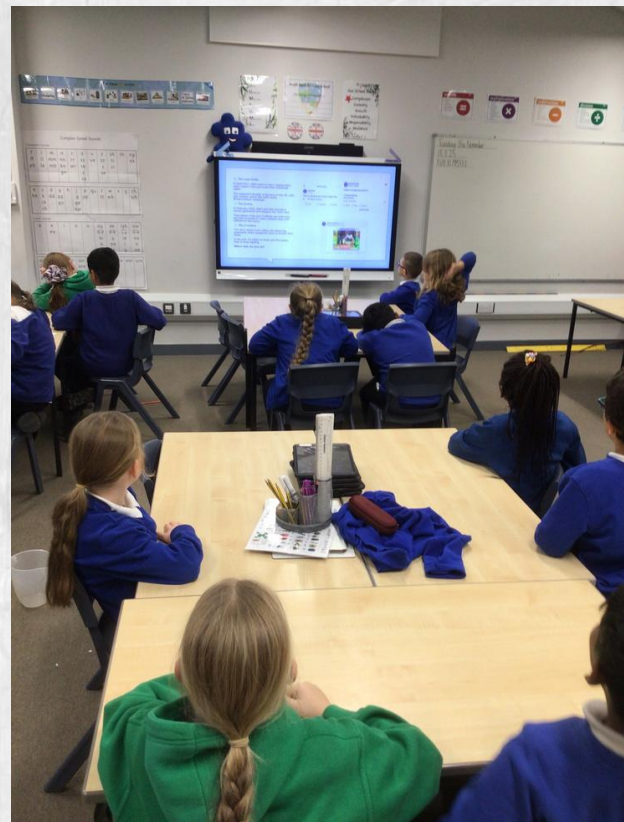

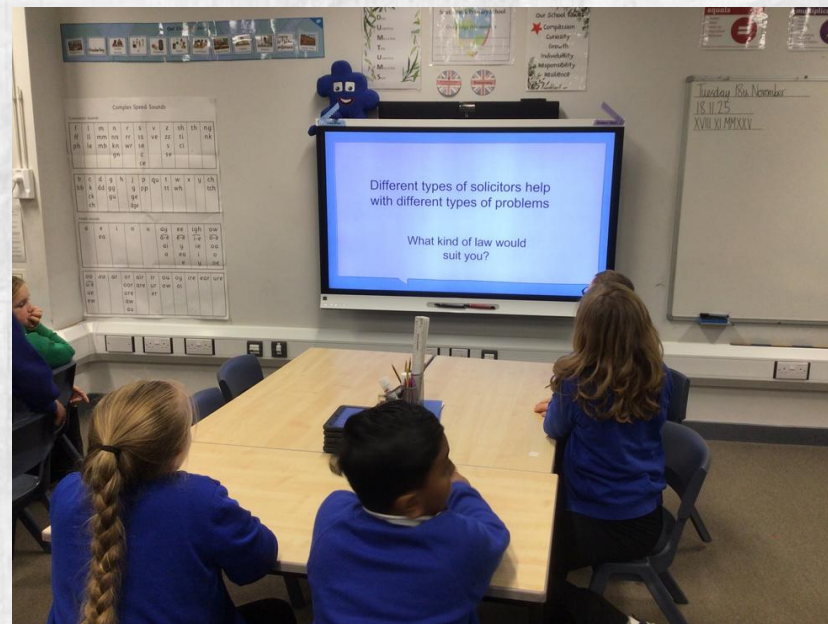

Ready for our diary entry, this week we have been looking at identifying adverbials of time, place and manner. Today we looked at the model text and identified the adverbials.

CAREERS WORKSHOP

18.11.25

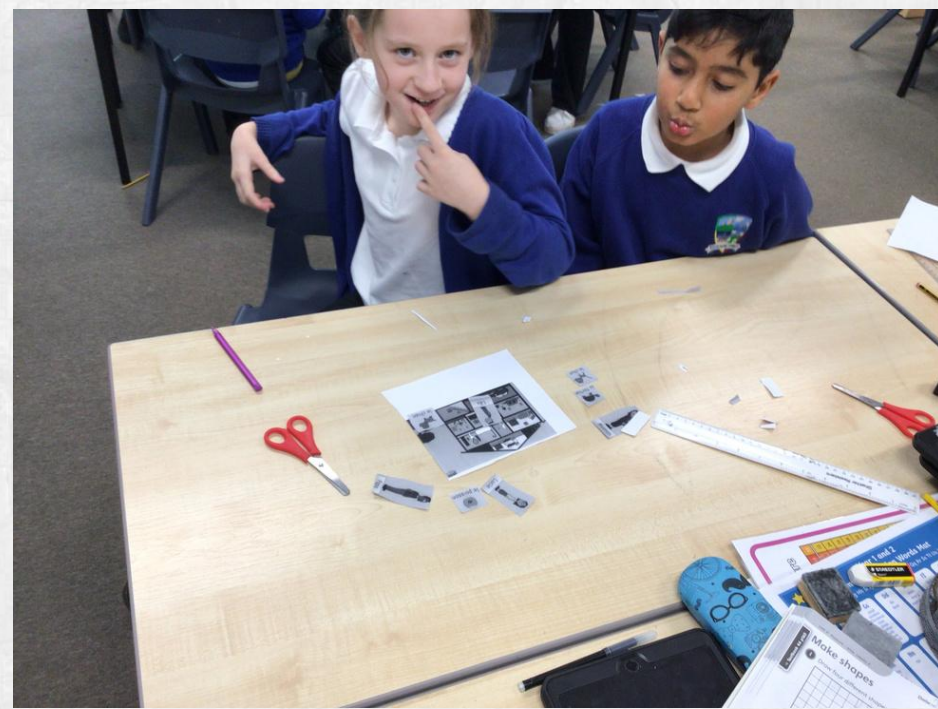

We had a solicitor come into school today to talk to us about her job. She explained what a solicitor does and the different jobs you can do within the role. We looked at some case studies that solicitors had done. We discussed with the solicitor what we would like to do if we were solicitors.

GEOGRAPHY 18.11.25 & 19.11.25

IN GEOGRAPHY, WE ARE LEARNING ABOUT KEY FEATURES OF THE NORTH EAST REGION. WE SORTED DIFFERENT THINGS INTO PHYSICAL AND HUMAN FEATURES AND THEN WE USED MAPS TO PUT SOME NORTH EASTERN TOWNS AND CITIES ONTO A MAP OF THE NORTH EAST.

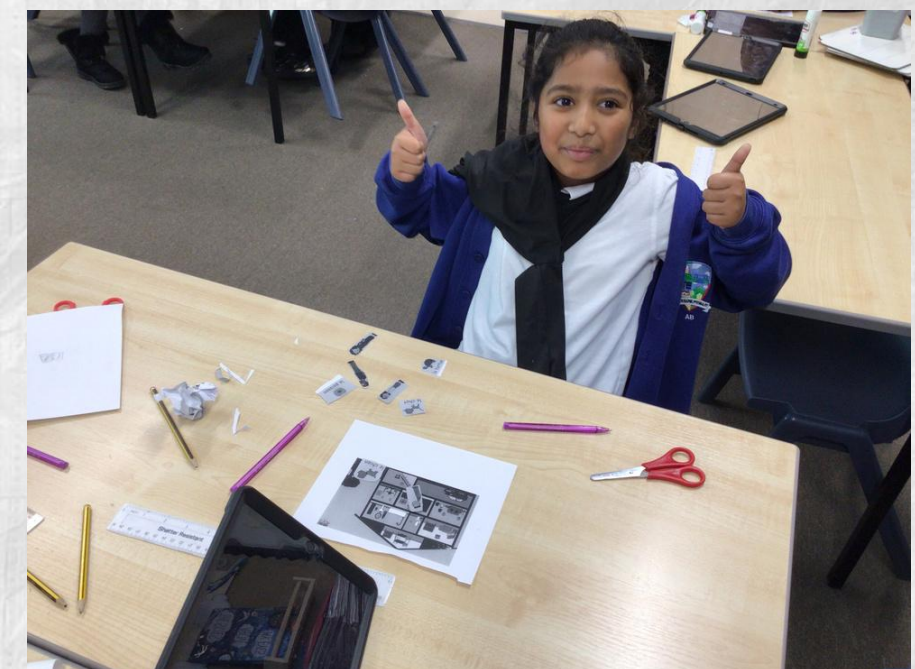

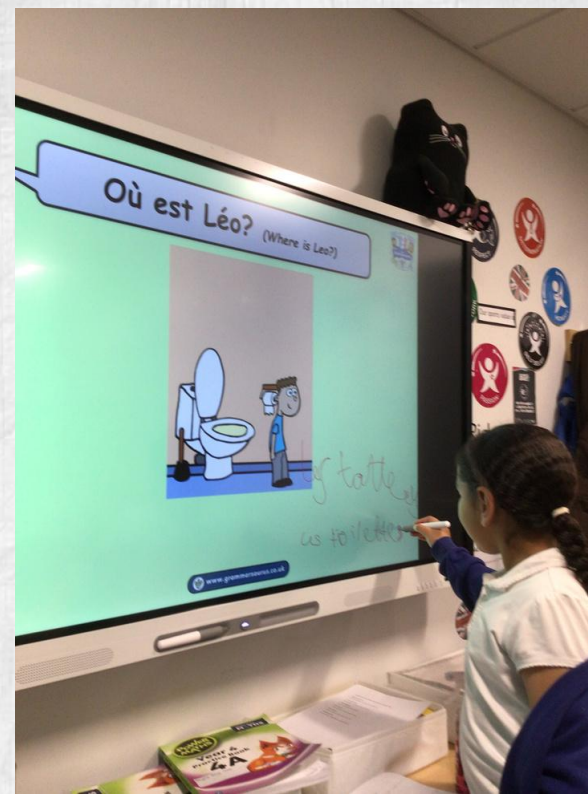

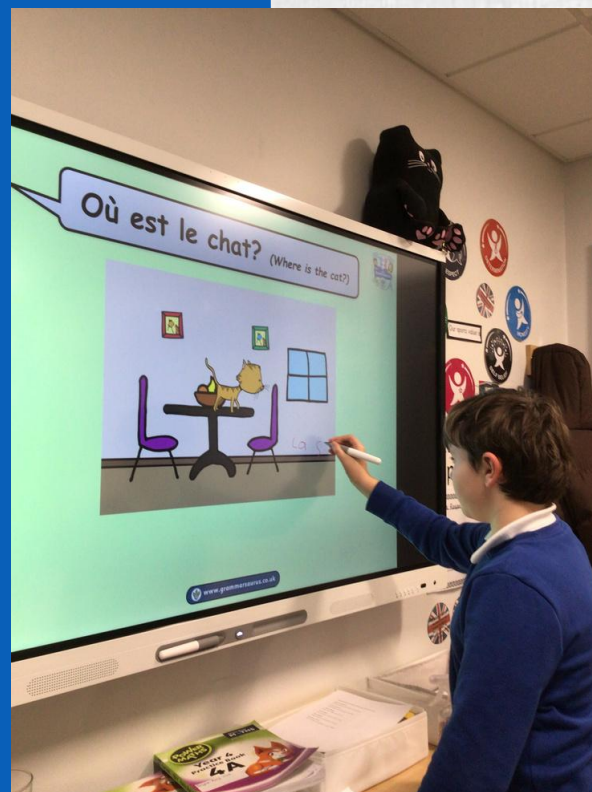

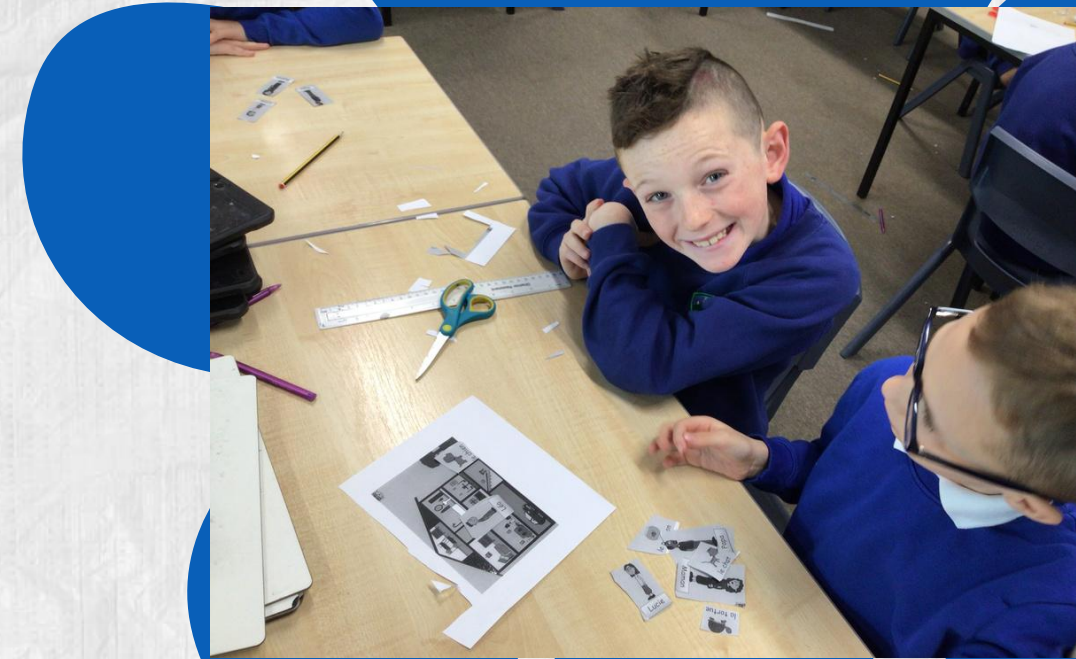

French

20.11.25

We mixed our knowledge of pets and the home to put pets in different rooms. We practised speaking them in French and then we played with our partners to say the sentence in French and our partner would put the pet in the right place on the house.

SCIENCE EXPERIMENT 26.11.25

We have been learning about how liquids can behave in different ways. We experimented with milk, shampoo, washing up liquid and water to see which one was runniest and which one was the most viscous.

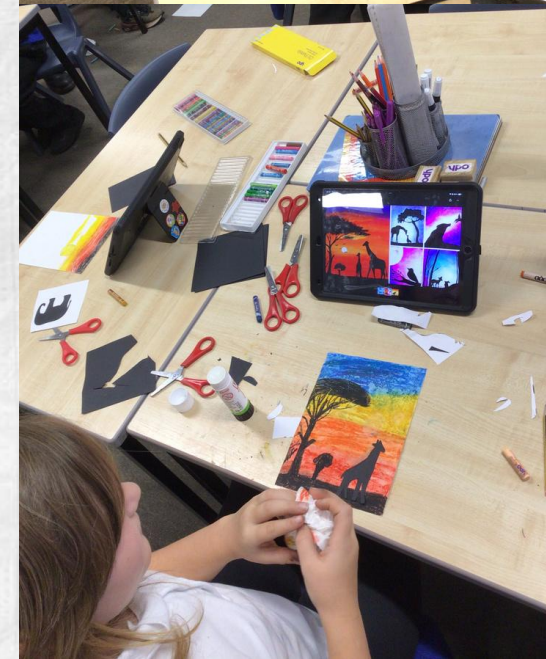

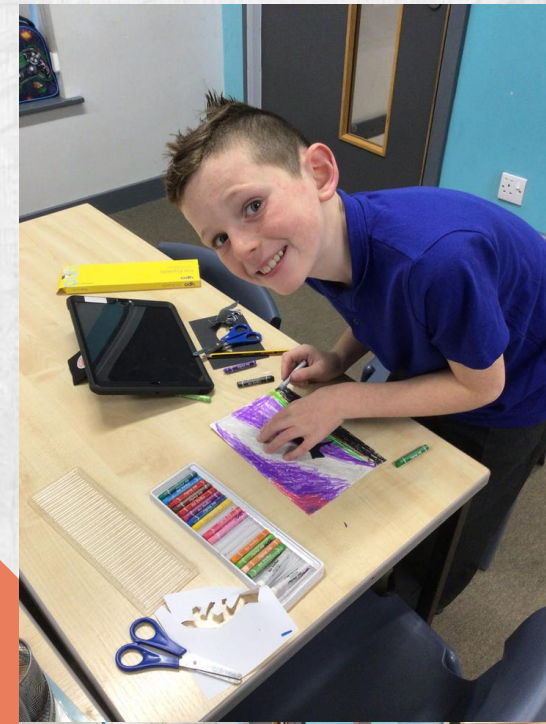

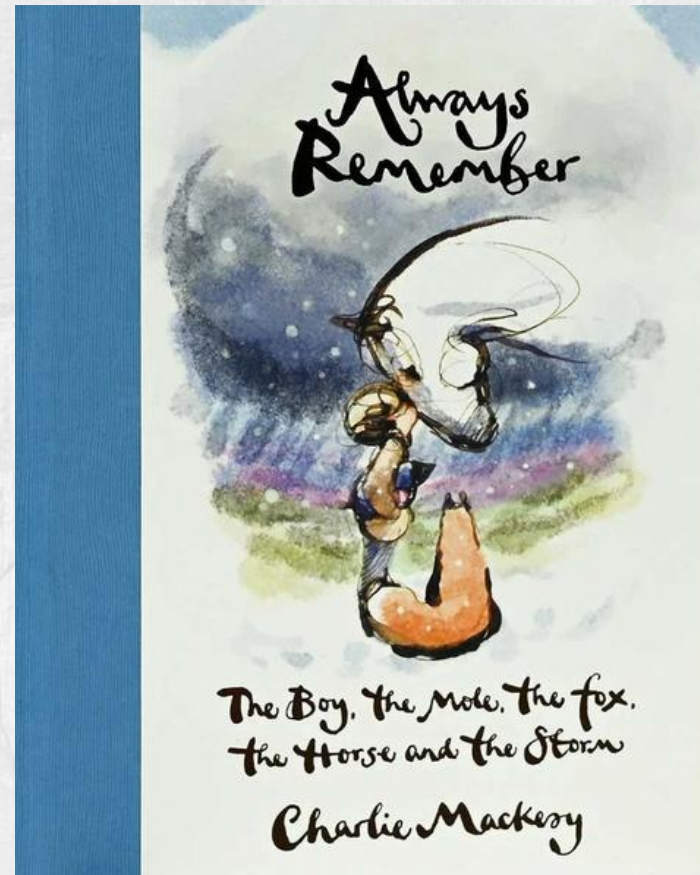

Our results showed that milk was the runniest and shampoo was the most viscous.

ART

4.12.25

Today's art lesson was based on the book Always Remember by Charlie Mackesy. The children created animal silhouettes with beautiful backgrounds.

REINDEER RUN

5.12.25

In support of Teesside Hopice, Thor class did a sponsored reindeer run.

MUSIC 11.12.25

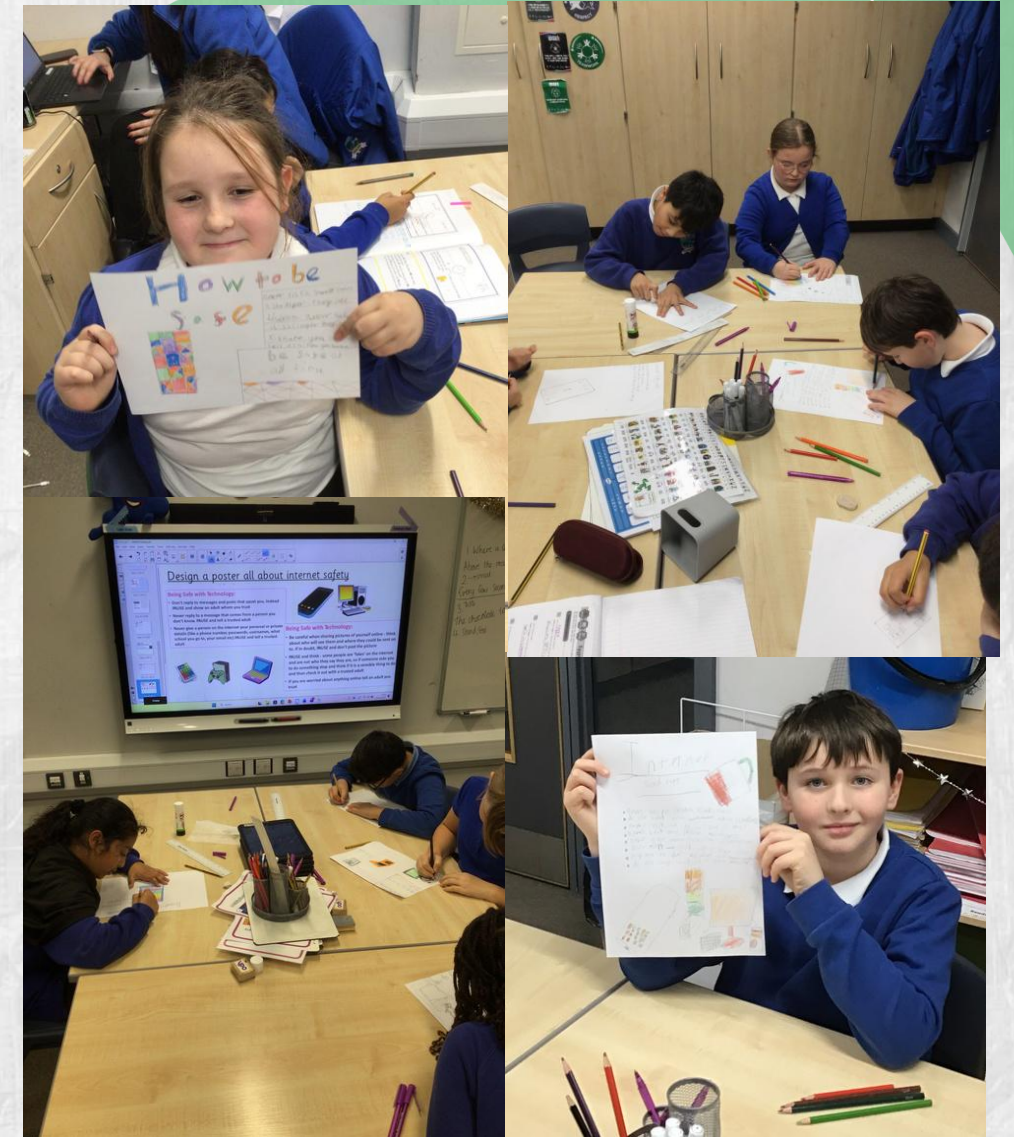

In Music we have been learning to play the glockenspiel. We played a song called 'Lil Liza Jane'.

JIGSAW – INTERNET SAFETY

12.12.25

“Internet safety is important to keep children safe.”

During today's jigsaw lesson the children designed posters to promote internet safety and learnt all about being safe with technology.

DT 17.12.25

In DT this half term we have been learning about chocolate. We have learnt about fairtrade and how chocolate can be produced ethically all over the world.

We designed our own chocolate barks last lesson and today we made them. First, we melted chocolate and then we added different flavourings and finally we sprinkled on some toppings.

FRENCH

17.12.25

We also played a game where Miss Rock said a mode of transport and we had to tell her what she said in English. Watch our video!

In French, we have been learning about modes of transport and how different people get to school. We played a game of noughts and crosses where we had to write down the mode of transport on our whiteboard.
