Maths

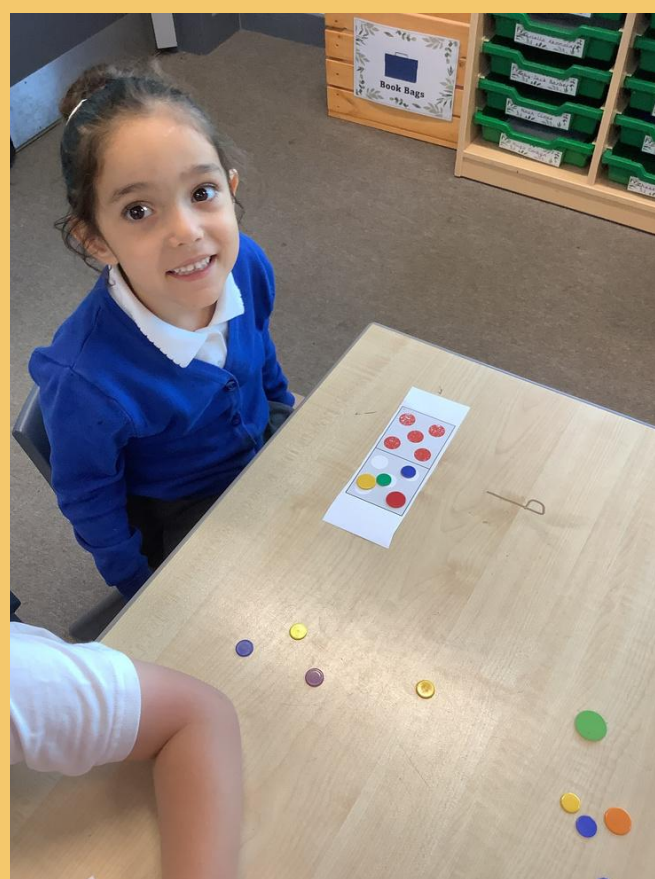

Mastery in number

29

AIMS OF
EDUCATION

The children were learning to find 5 within a number

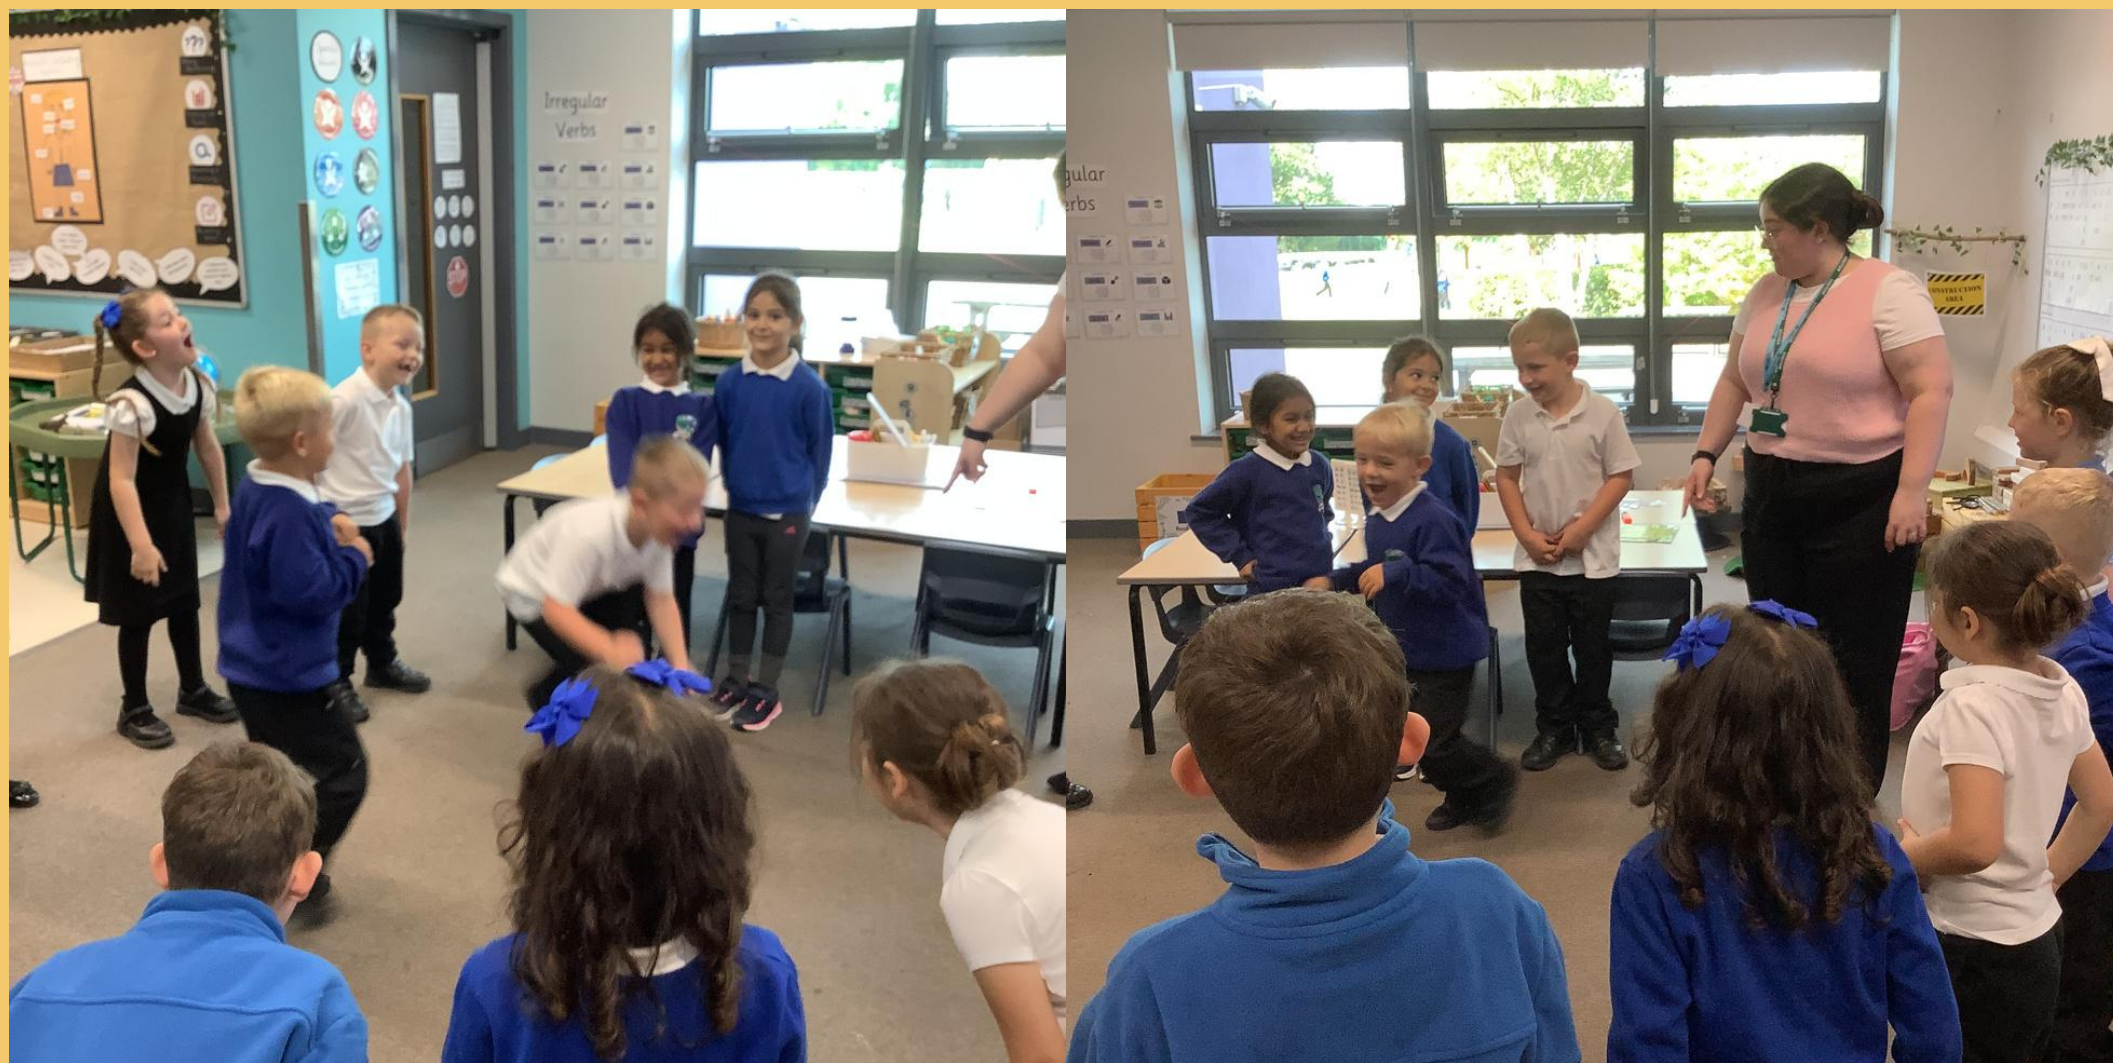

Music

Galileo really enjoyed
their music session
were they were learning
about tempo.

12/09/2

5

Art

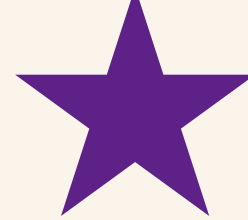

12/09/2
5

The children were set the task to find different objects around the classroom. Using those objects they had to use them to imprint the clay and create different patterns.

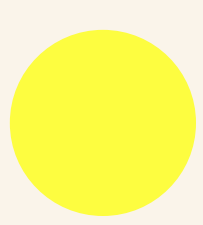

PE

15/09/2

In PE, the children have been learning about jumping. They have been taking part in fun games and challenges such as: how far they can jump and earning points, jumping relay races and also a fun challenge of boys vs girls to see which team can jump the quietest and the loudest.

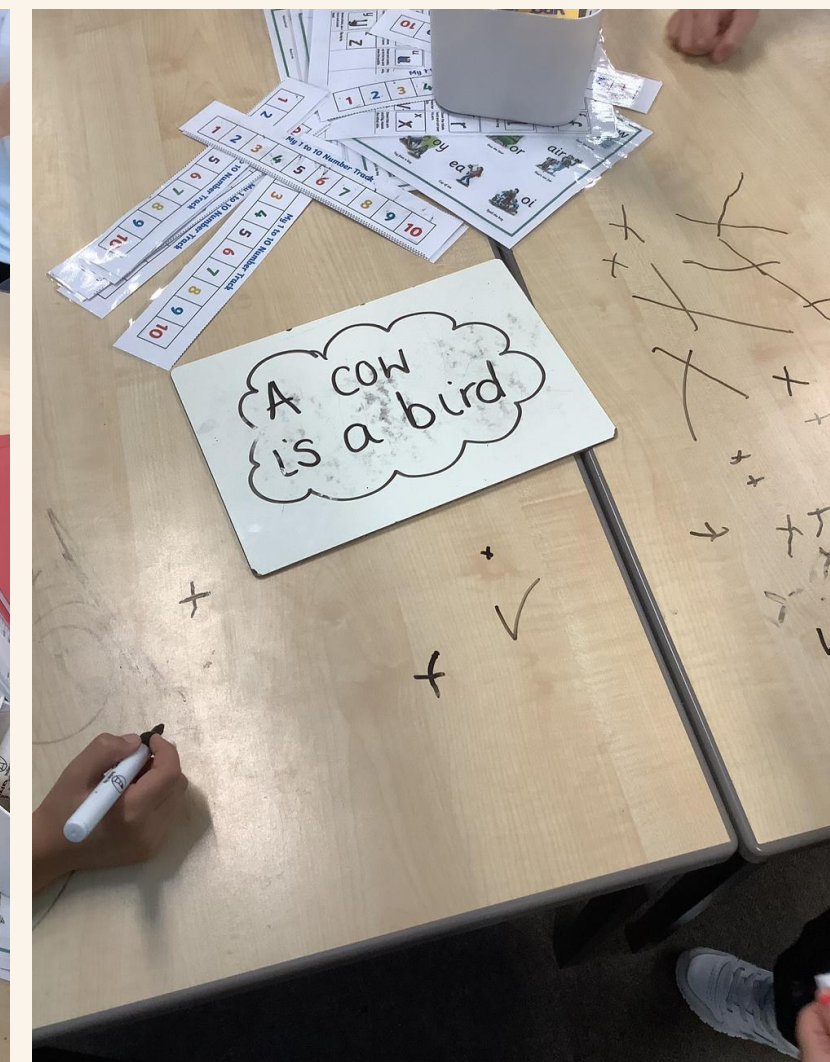

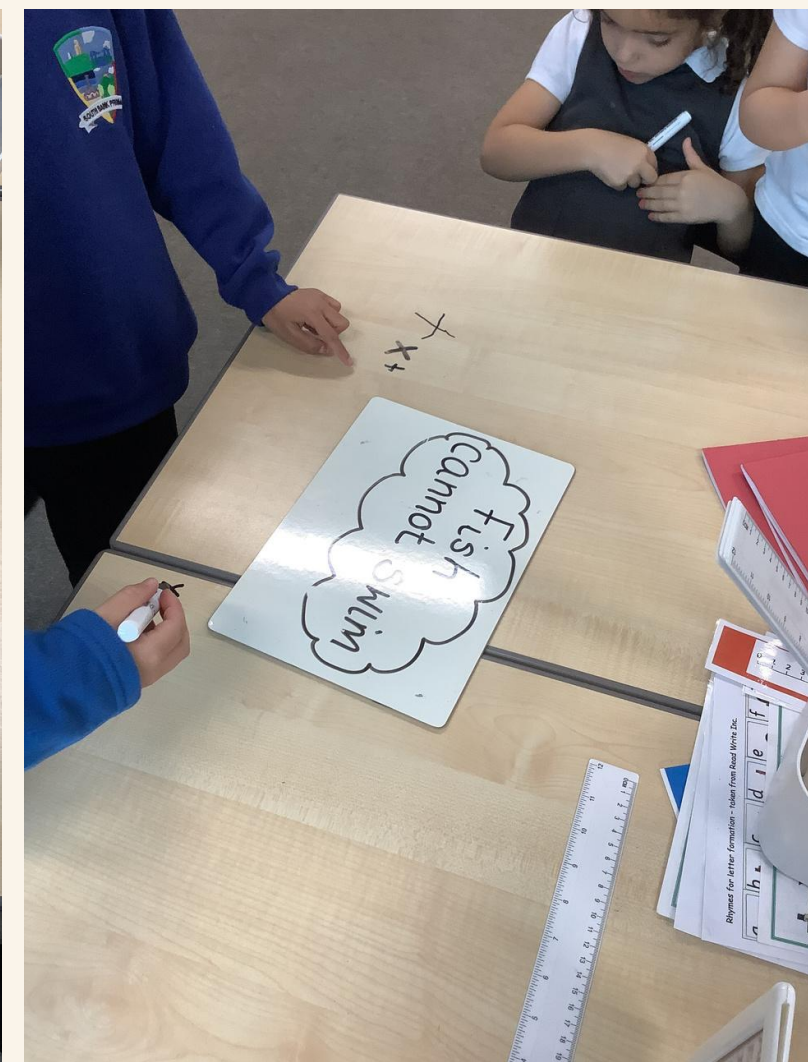

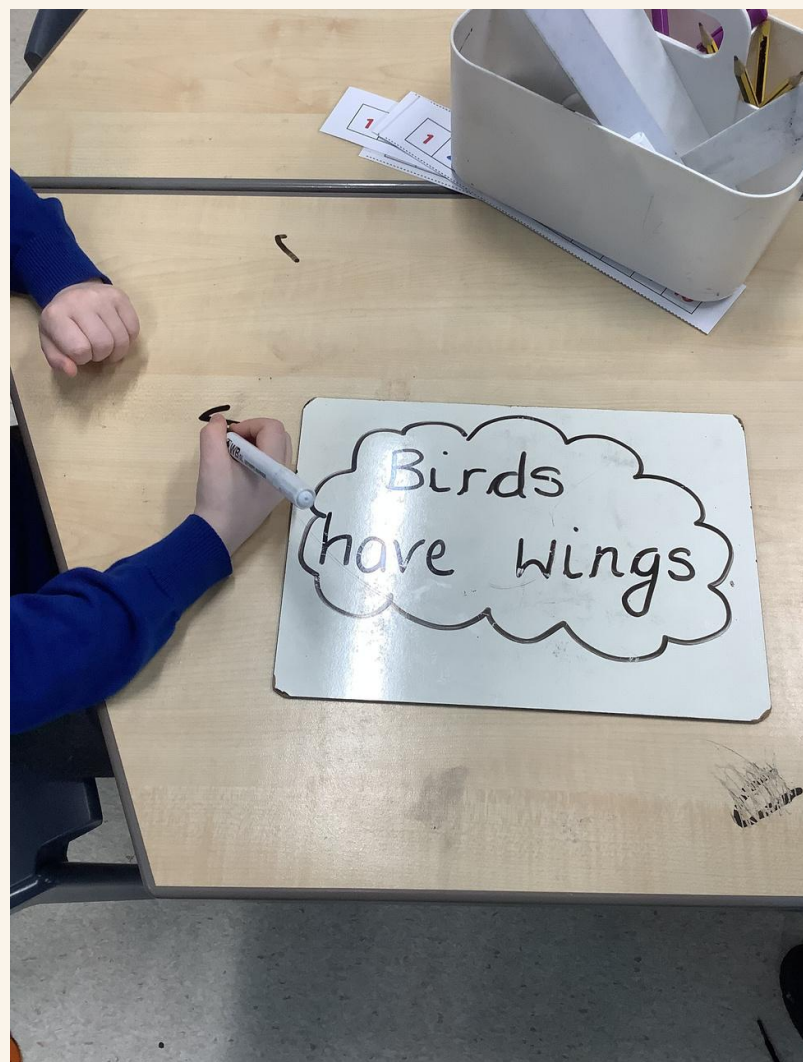

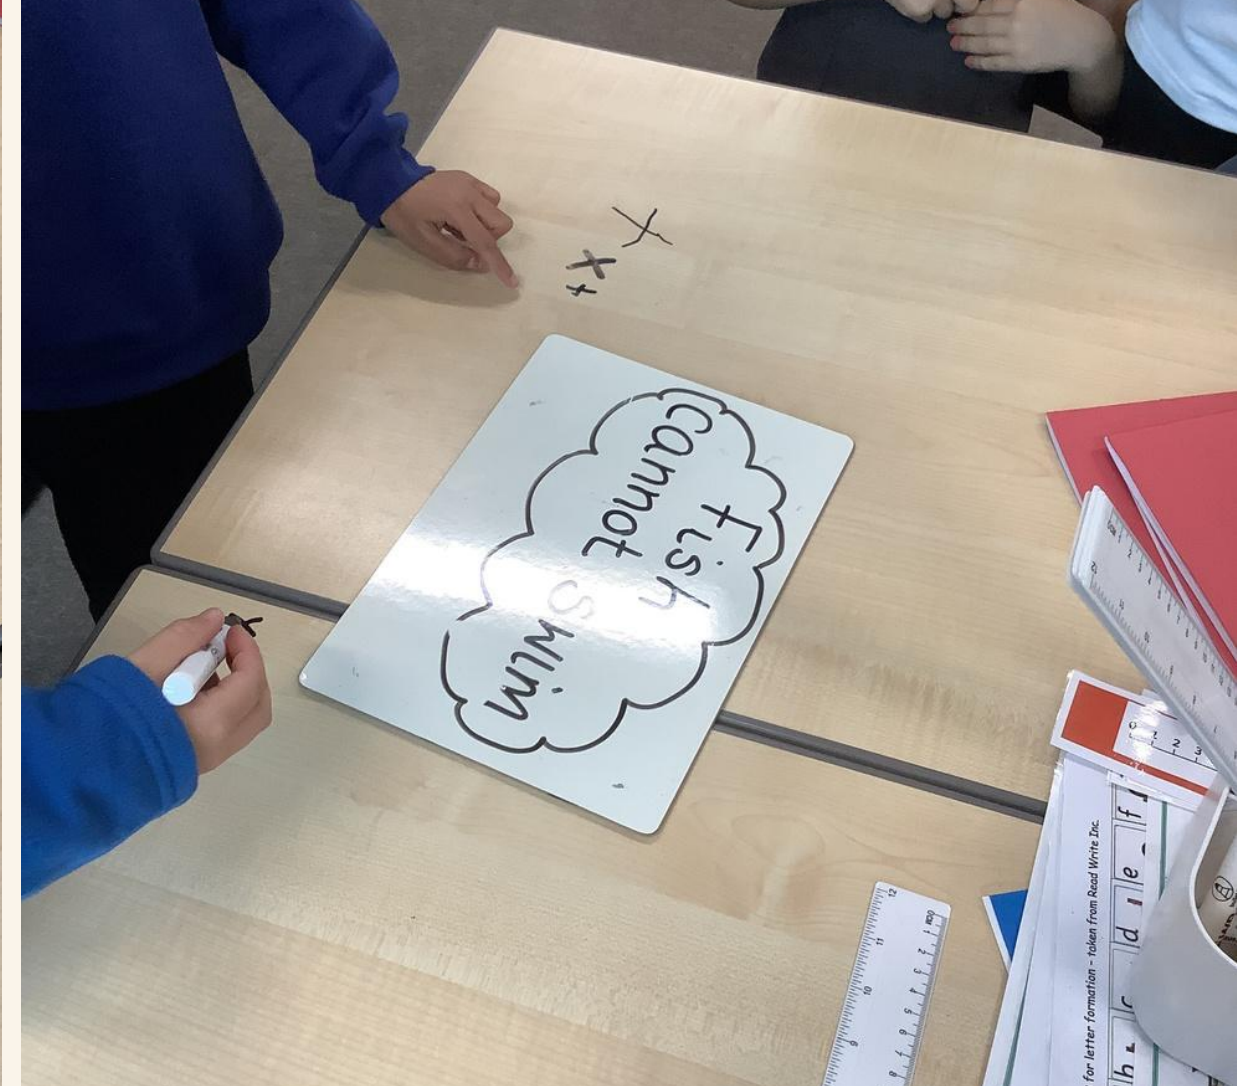

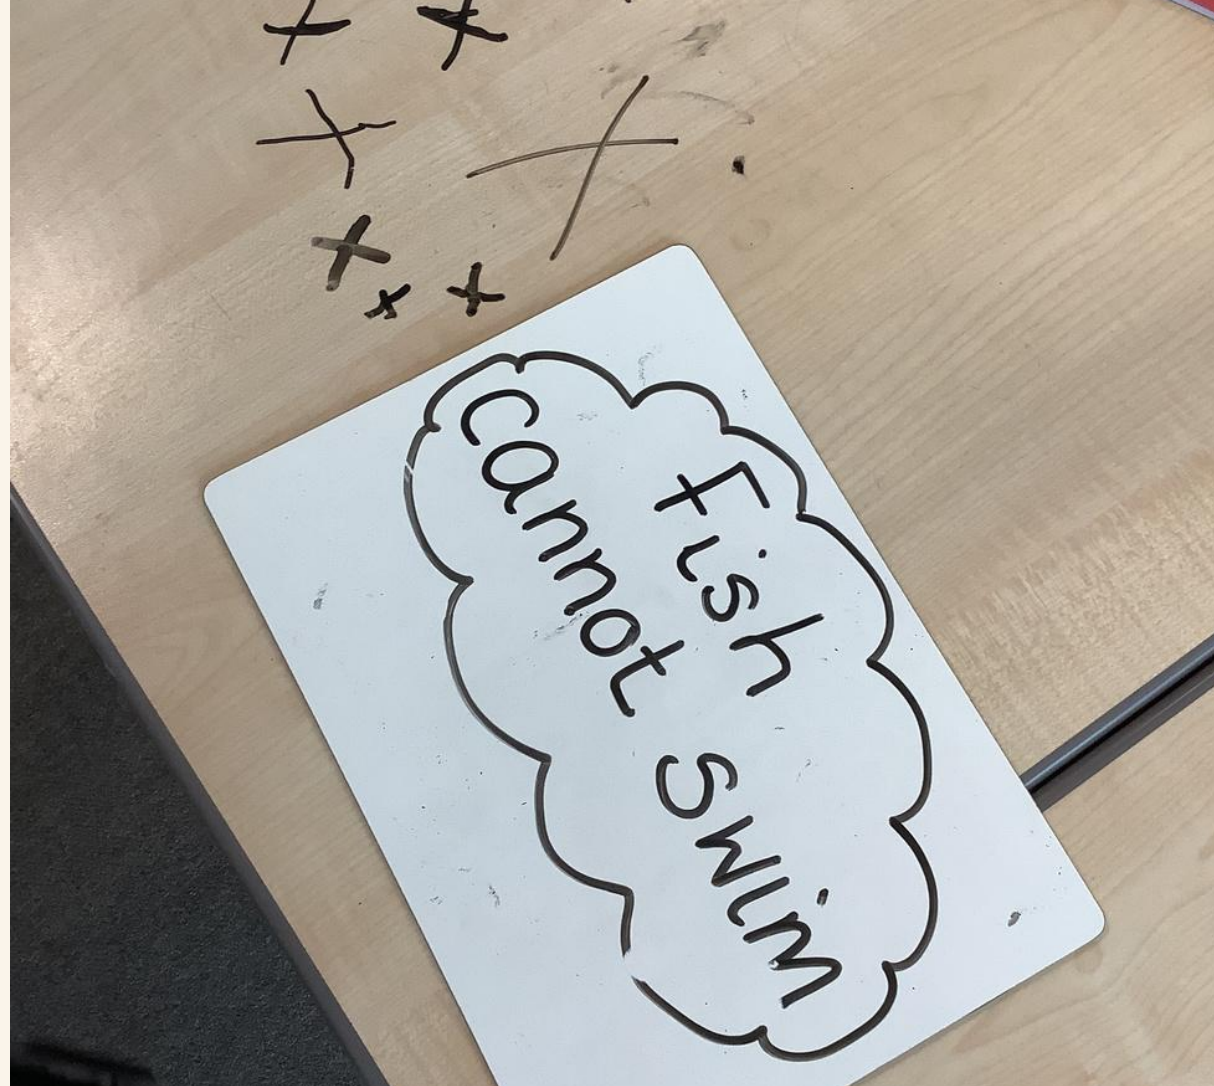

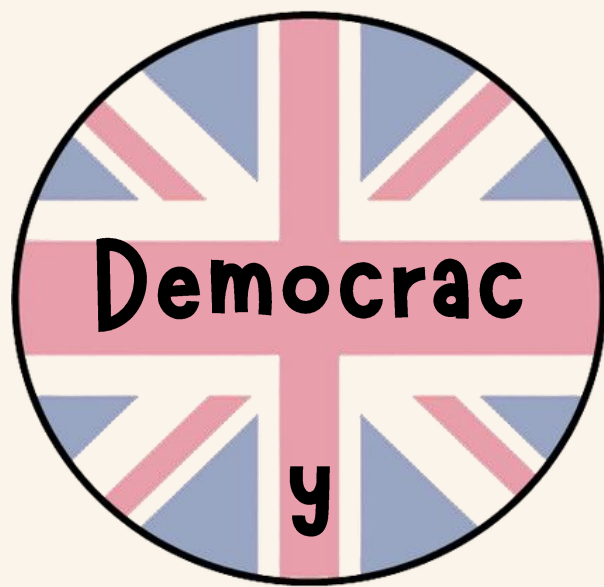

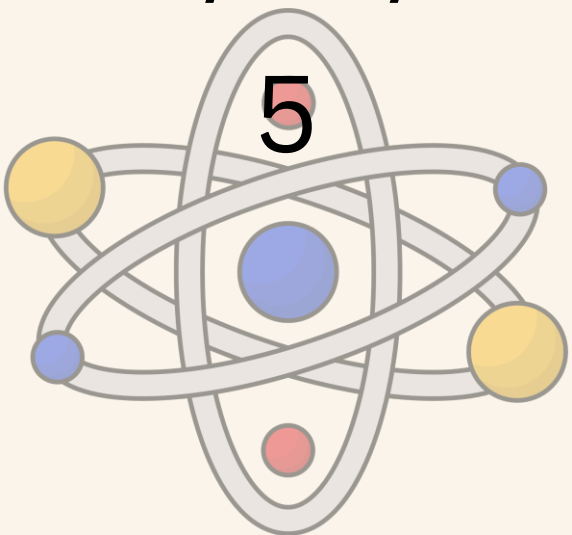

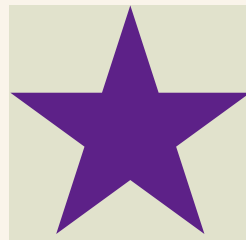

Science

In Science, the children were given some phrases in relation to their current topic. They then had to decide whether they were true or false.

15/09/2

MFC

Galileo really enjoyed their PE session with MFC where they played lots of fun games and challenges.

17/09/2

● Geography

18/09/202

5

Where in the world is my school?

Galileo went on a little trip to the outside of the school and down the road to find the name of our school and the street our school is on.

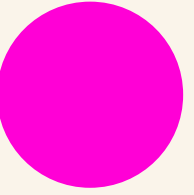

19/09/2

5

Art - Sculptures

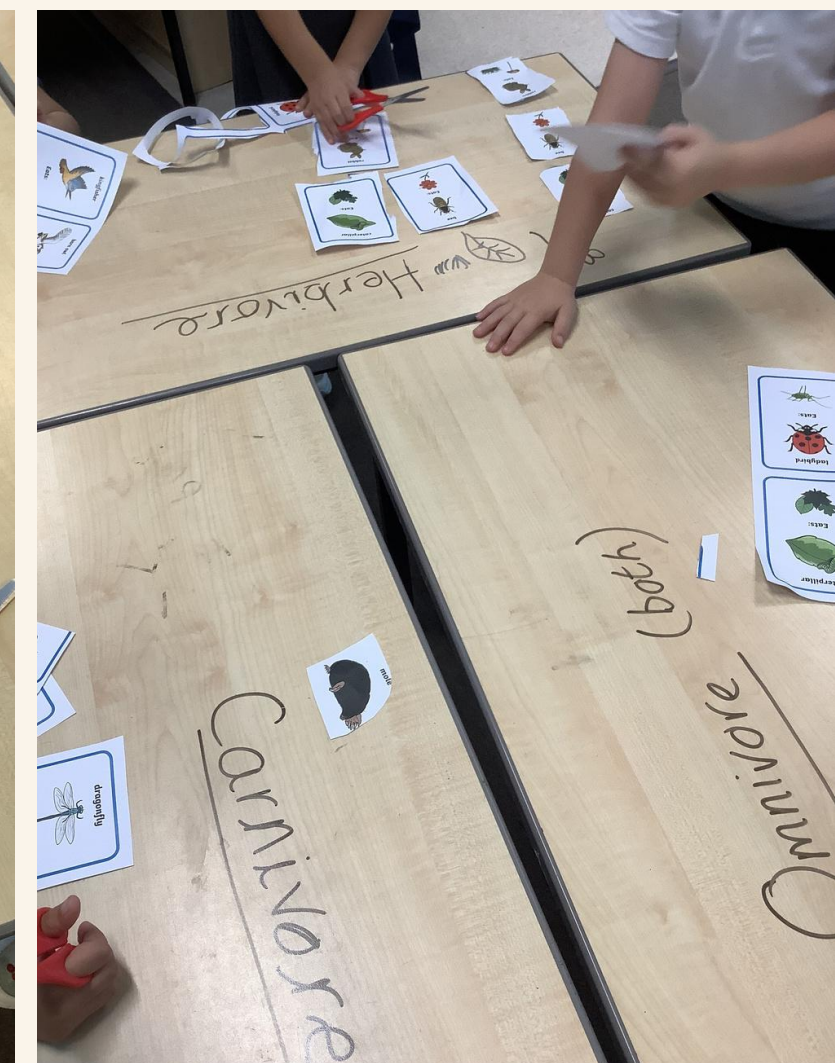

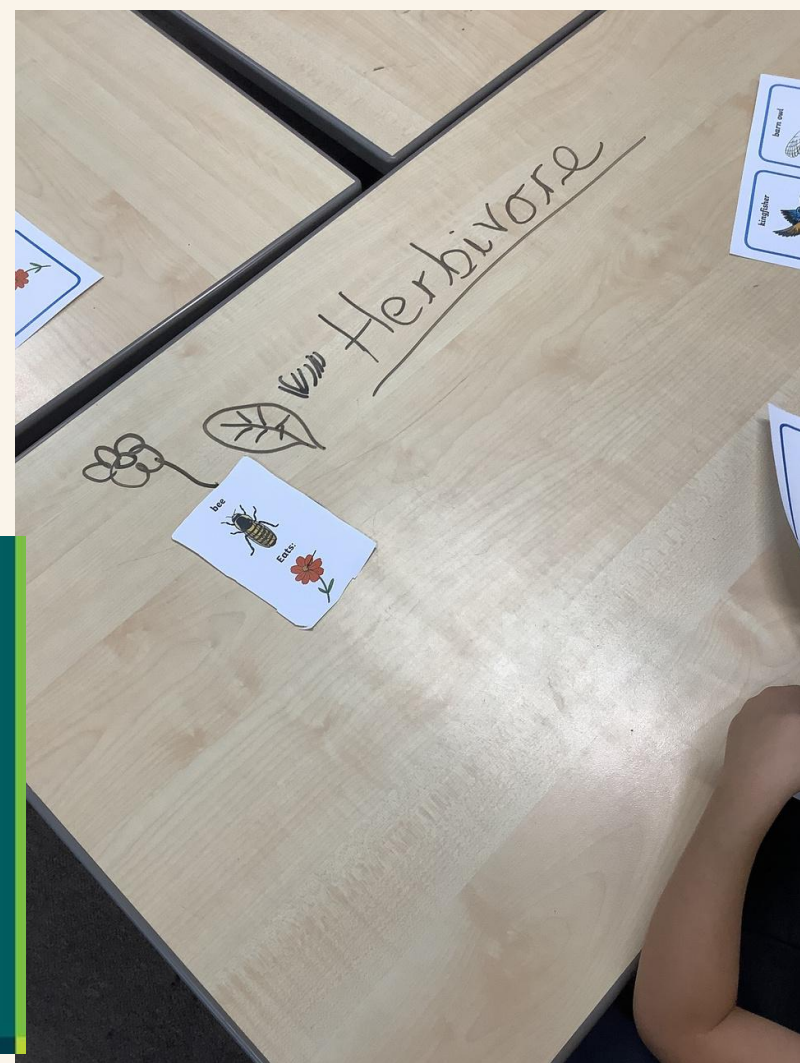

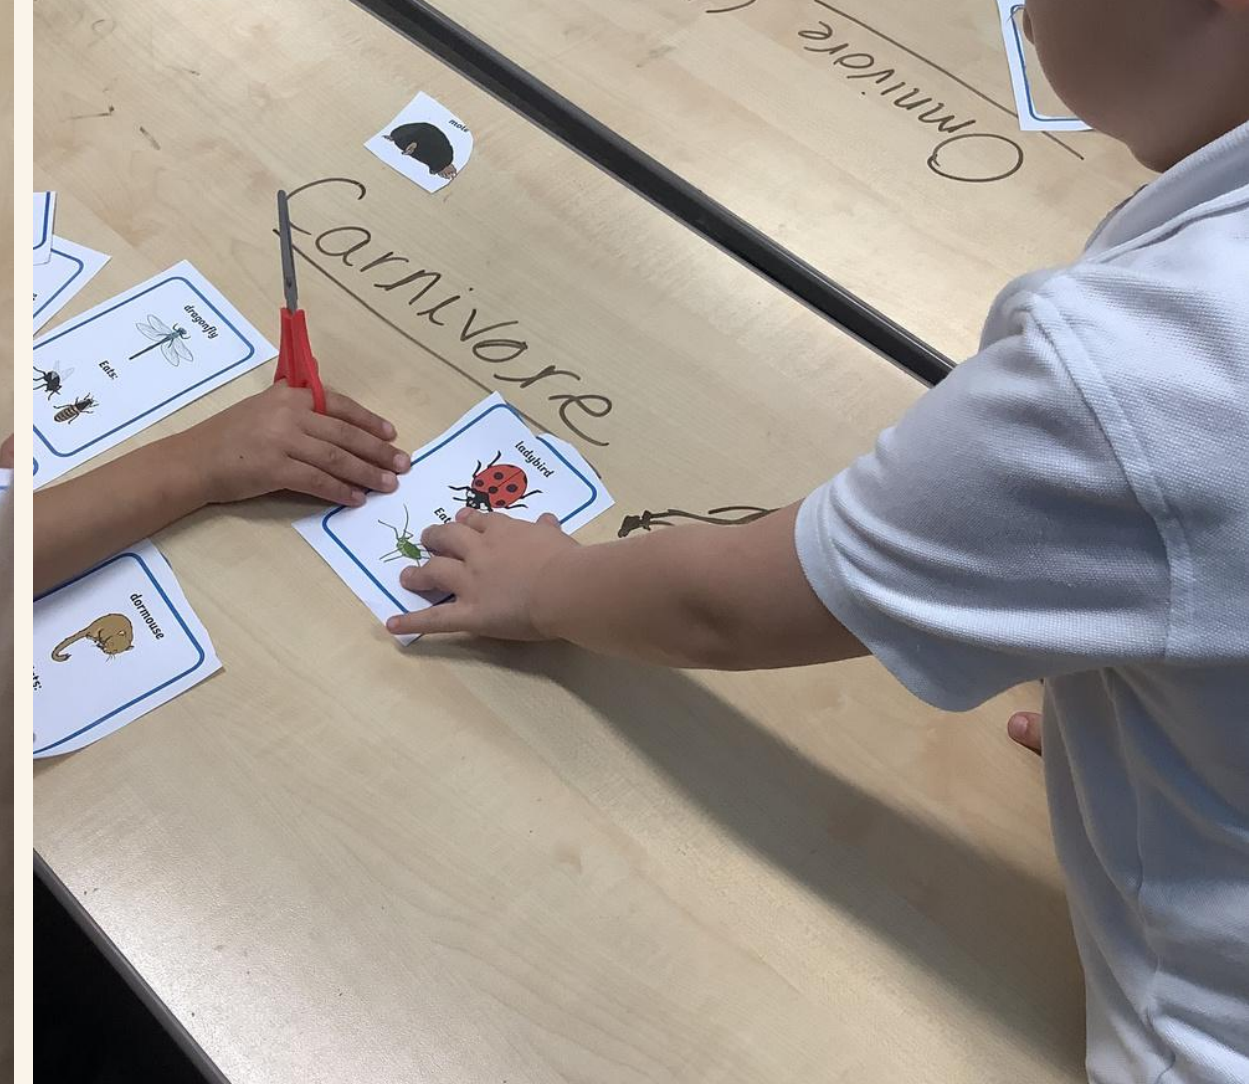

Individual Liberty

22/09/25

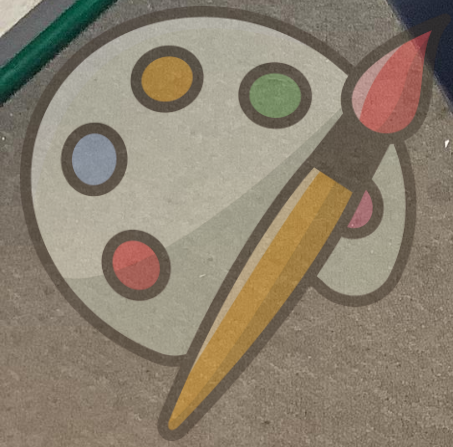

Science

In science, Galileo have been looking at different animals and grouping them based on their diet. The groups being carnivores or herbivores.

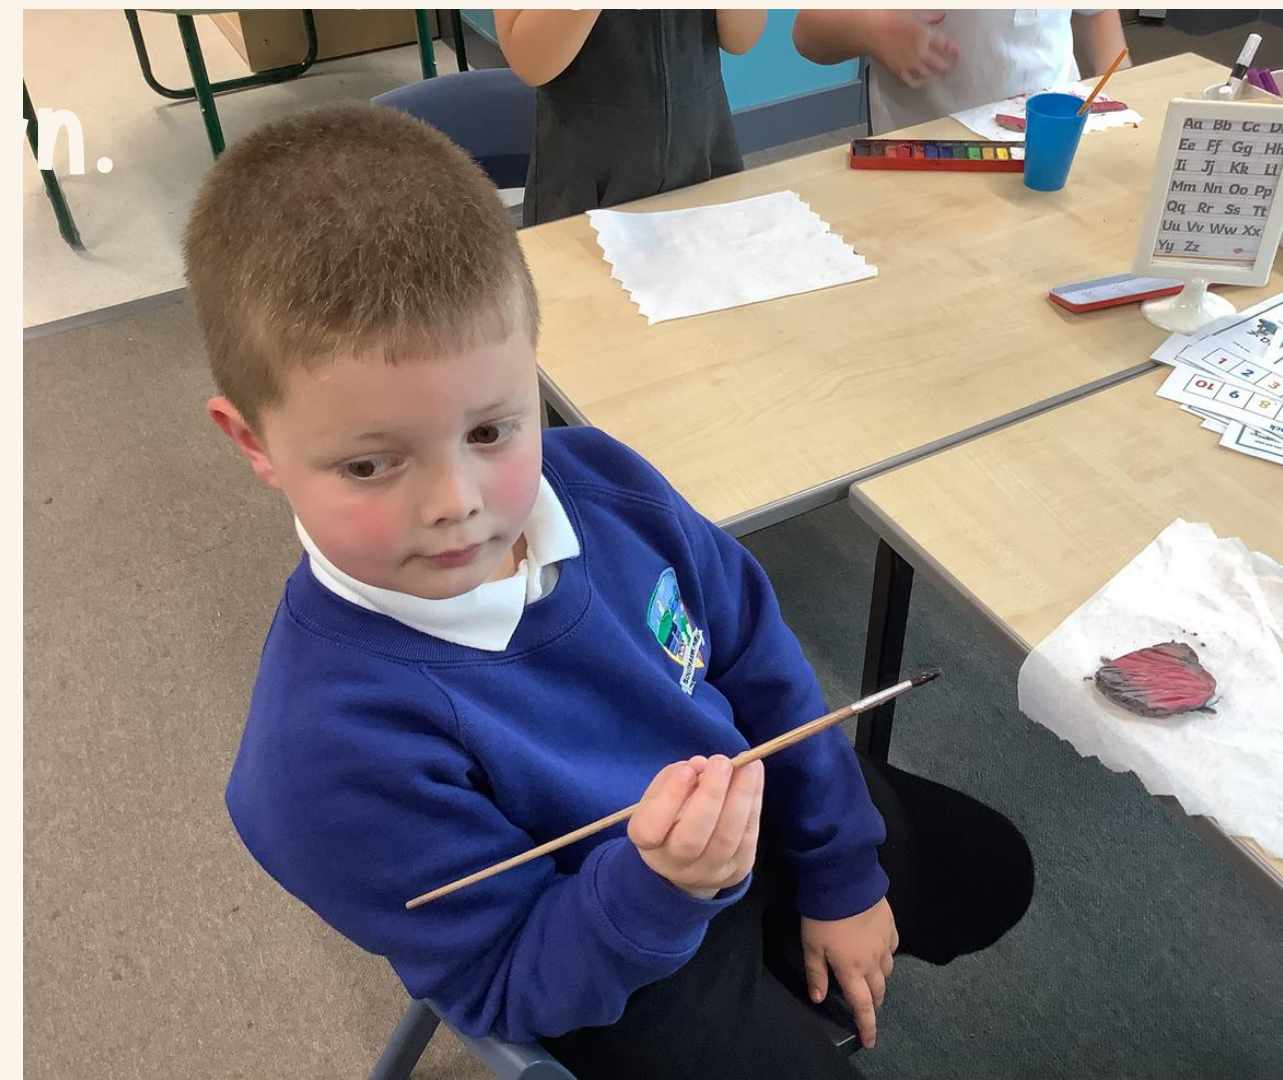

26/09/2

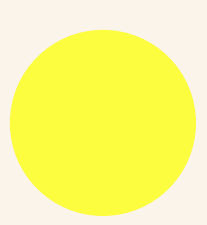

5

Following on from when they made their leaf sculptures, they then painted their leaves using autumnal colours like

red, orange, yellow and brown.

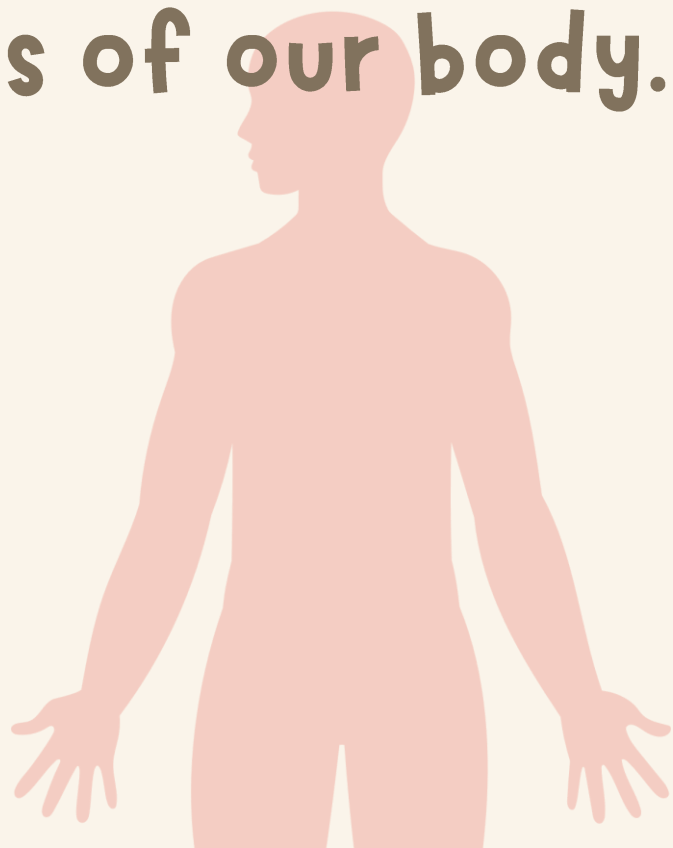

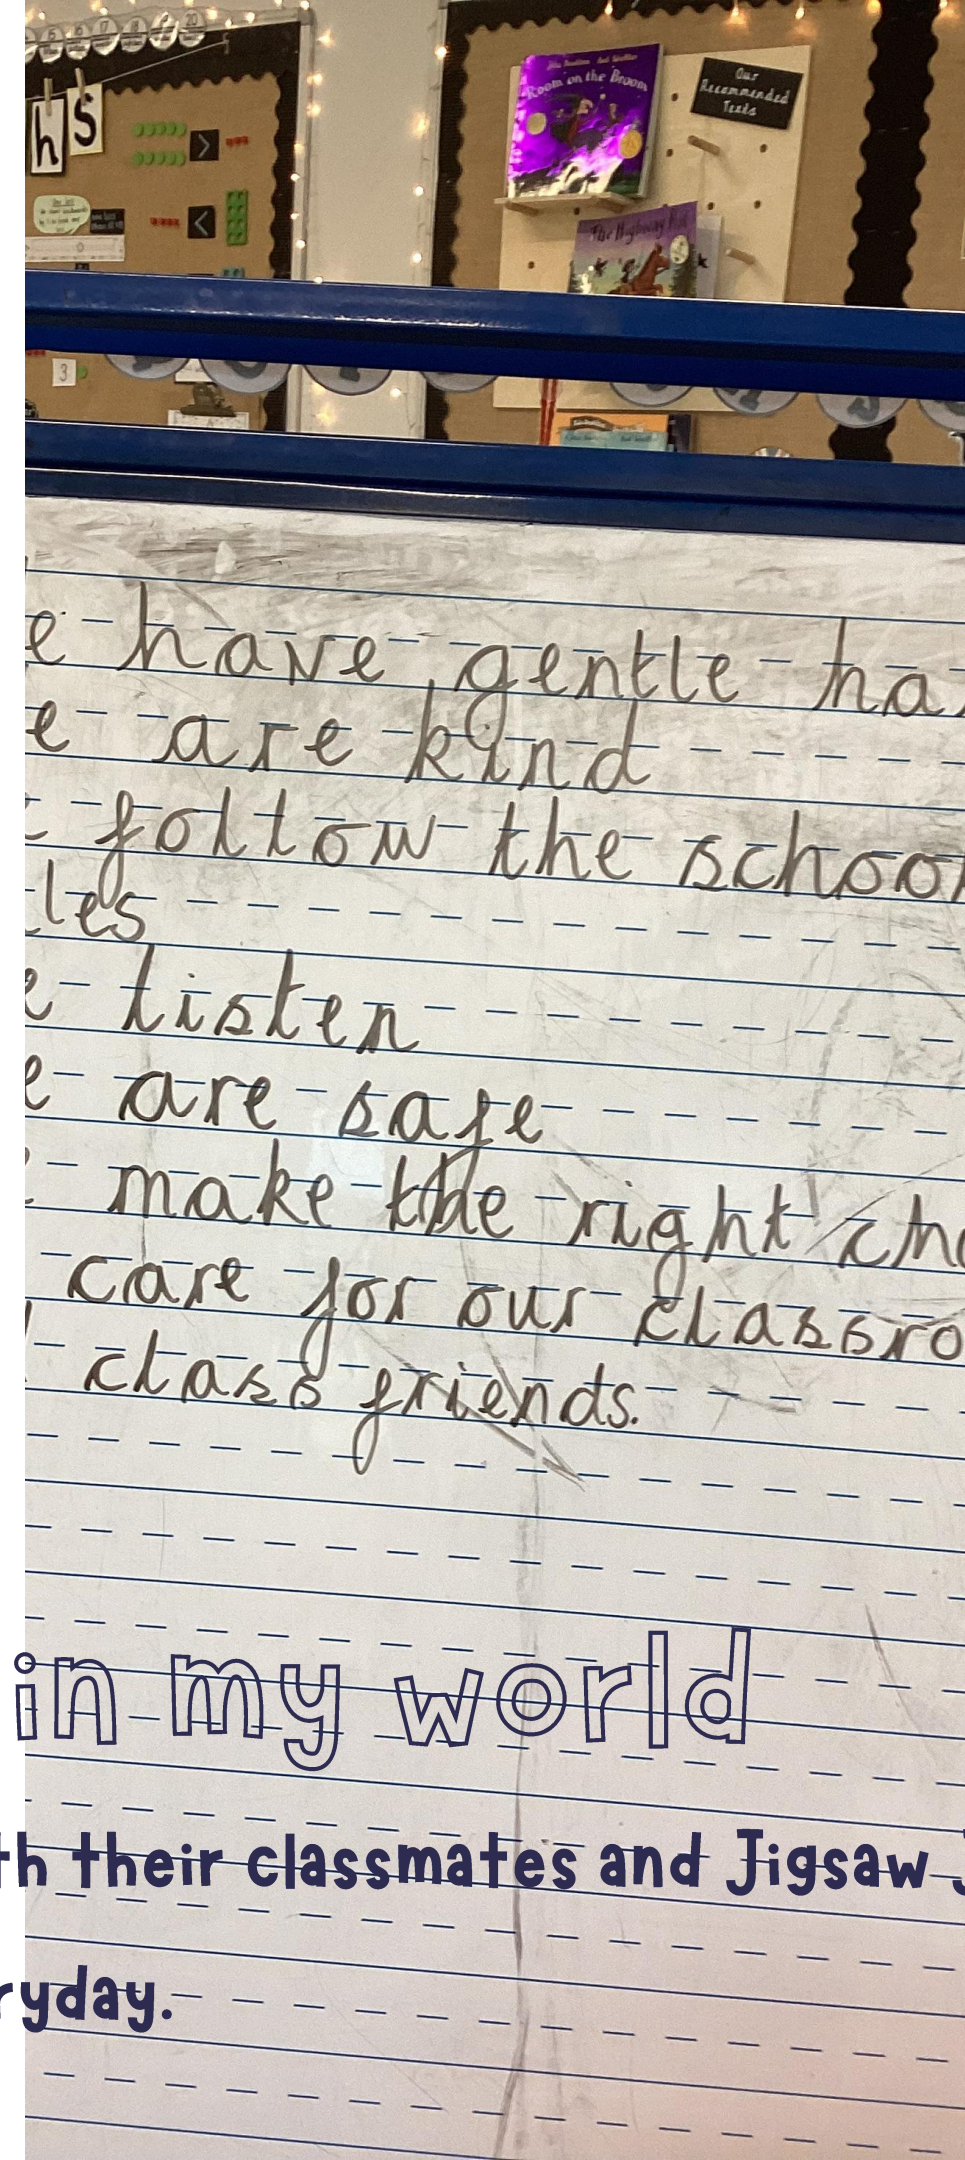

Science

In relation to our topic,
animals including humans,
Galileo completed an
activity to identify the
different parts of our body.

29/09/2

PSHE- Being me in my world

In this weeks PSHE lesson each had their turn to share with their classmates and Jigsaw Jack things that they follow everyday.

Jigsaw

In Jigsaw, the children all received a certificate celebrating how proud we are of all of them, personal to them and their achievements.

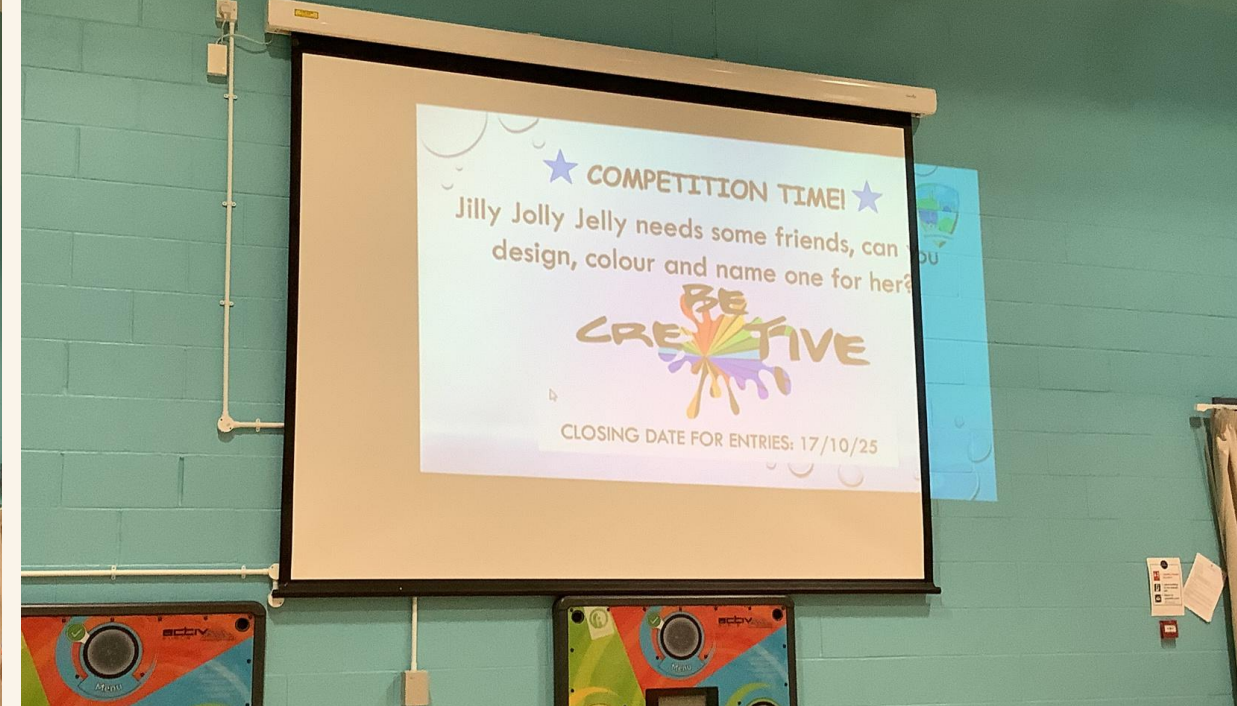

2/10/25

Mental Health week Jilly Jolly Jelly

In our mental health session
the children had the
opportunity to talk about how
to express their thoughts and
feelings. They then enjoyed
some jelly and a dance.

8/10/2
