

Autumn

2

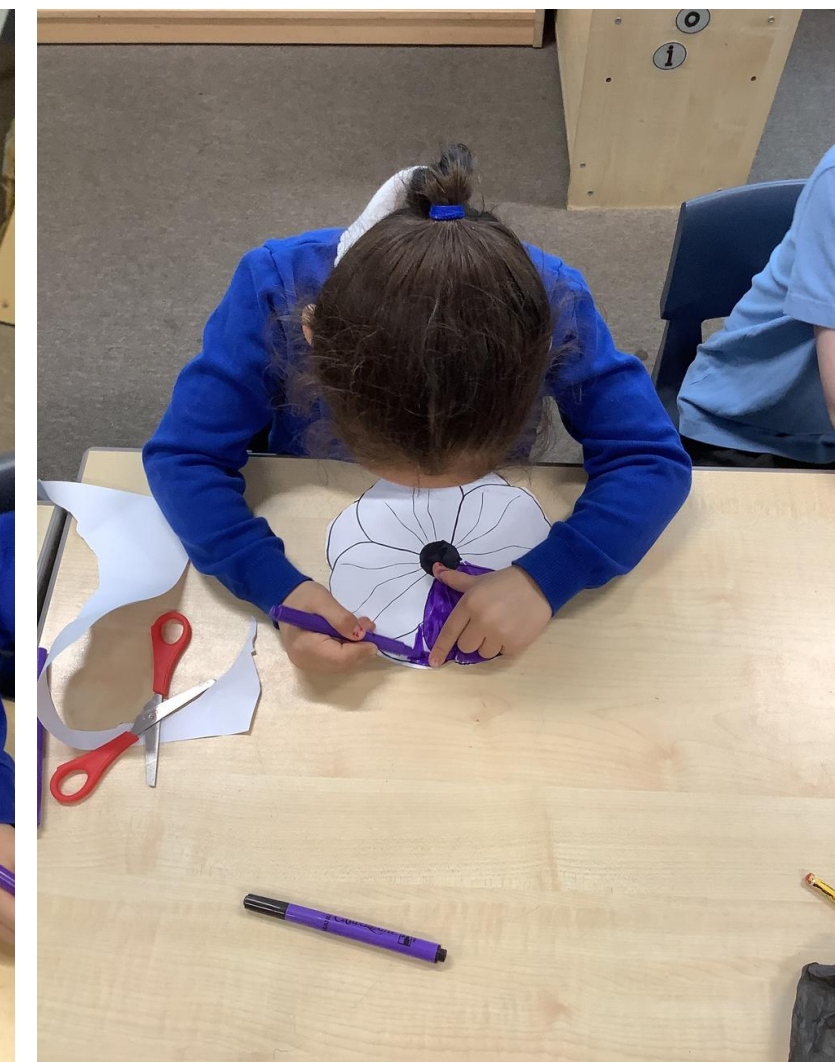

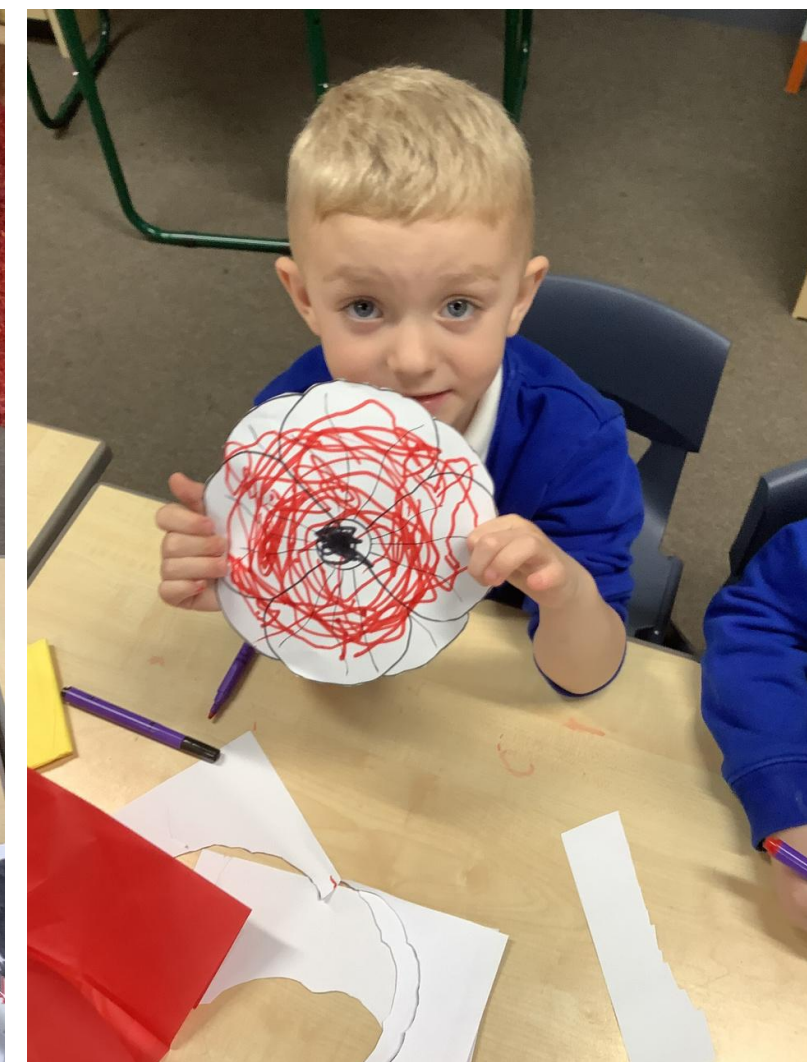

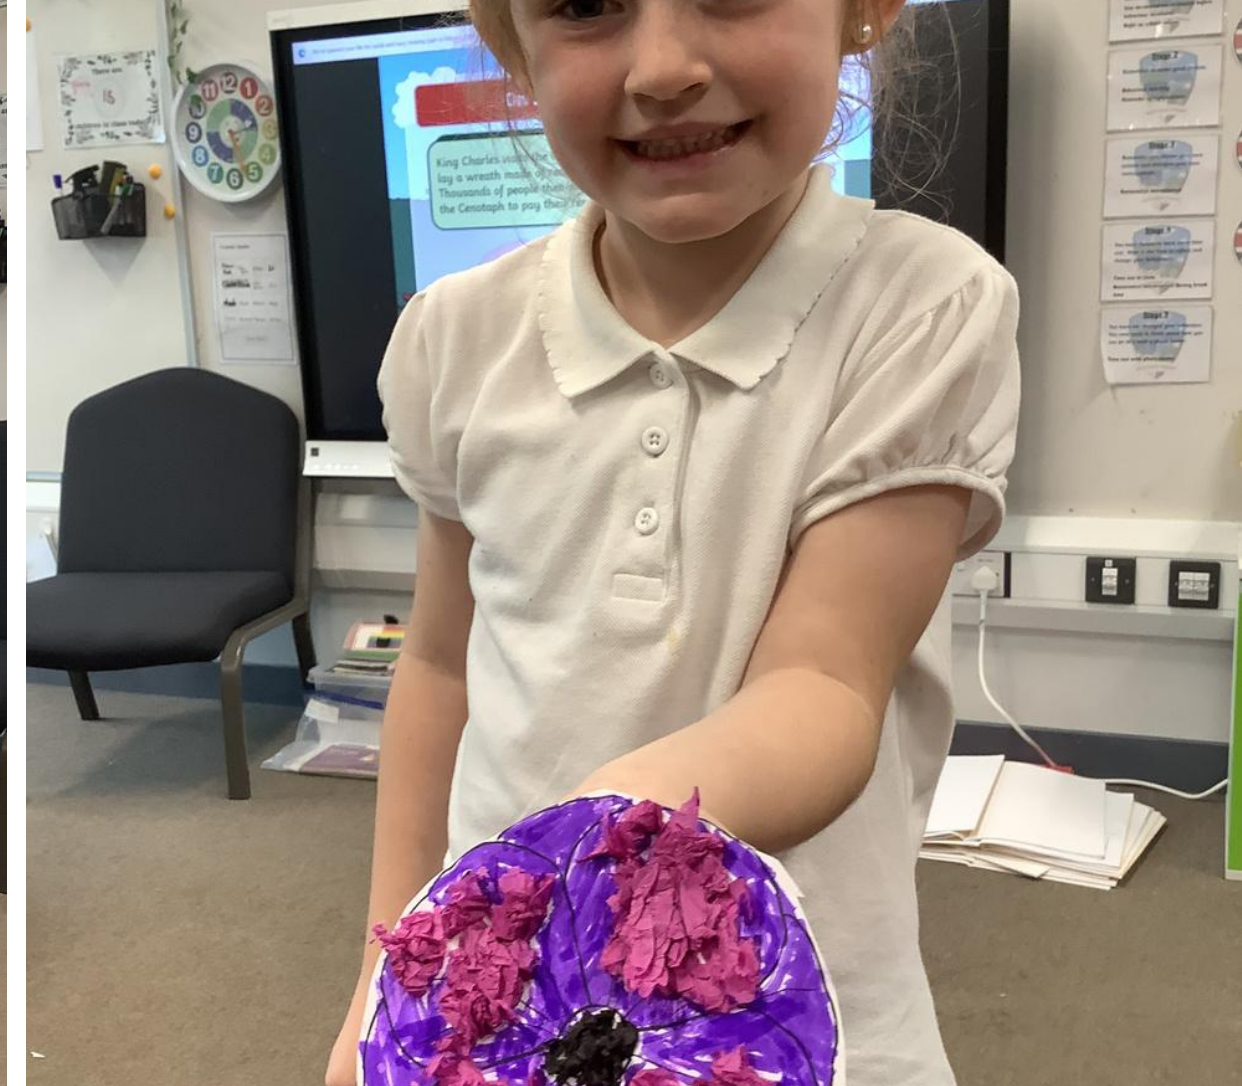

Rememberence Day

The children have been
making poppies to
commemorate the people
and animals who lost their
lives in World War 2.

3/11/2

Children In Need

The children were visited by Pudsey bear to celebrate the charity Children In Need.

Sponsor forms were sent out so children (with the help from their family and friends) could raise money to support this amazing and dedicated charity.

4/11/25

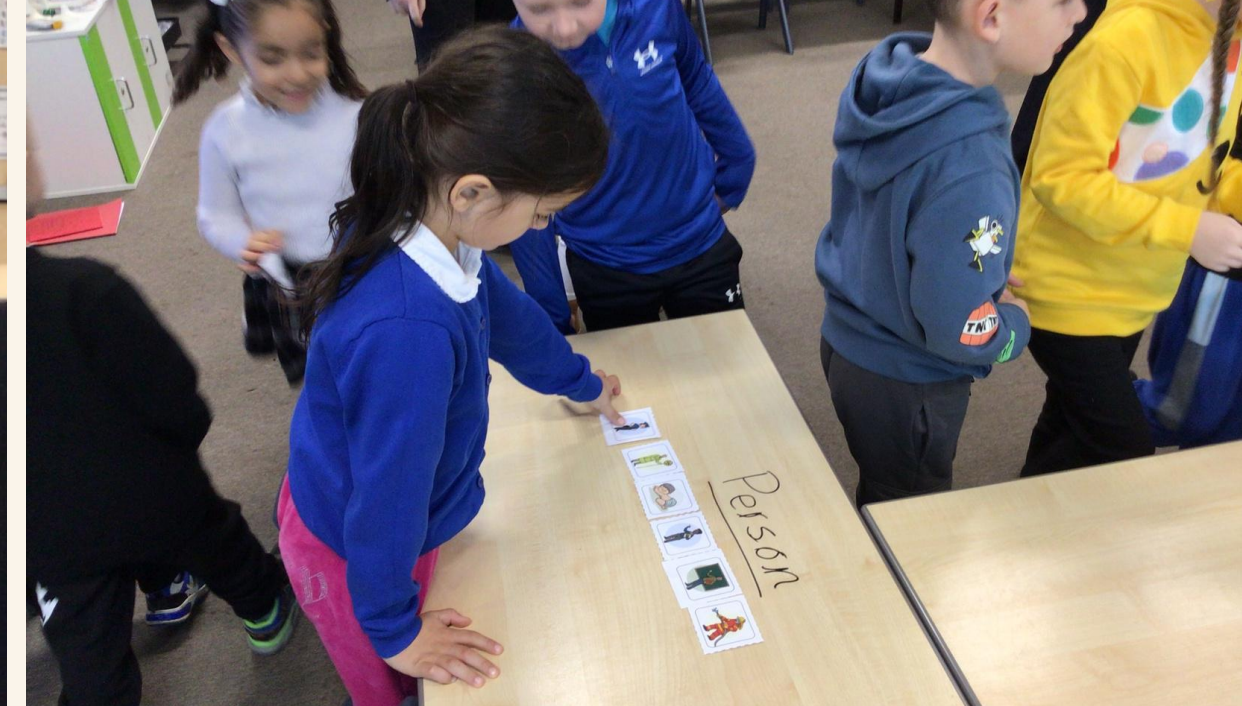

English

In English, the children looked at pictures representing various nouns and sorted them into categories: person, place or thing.

4/11/25

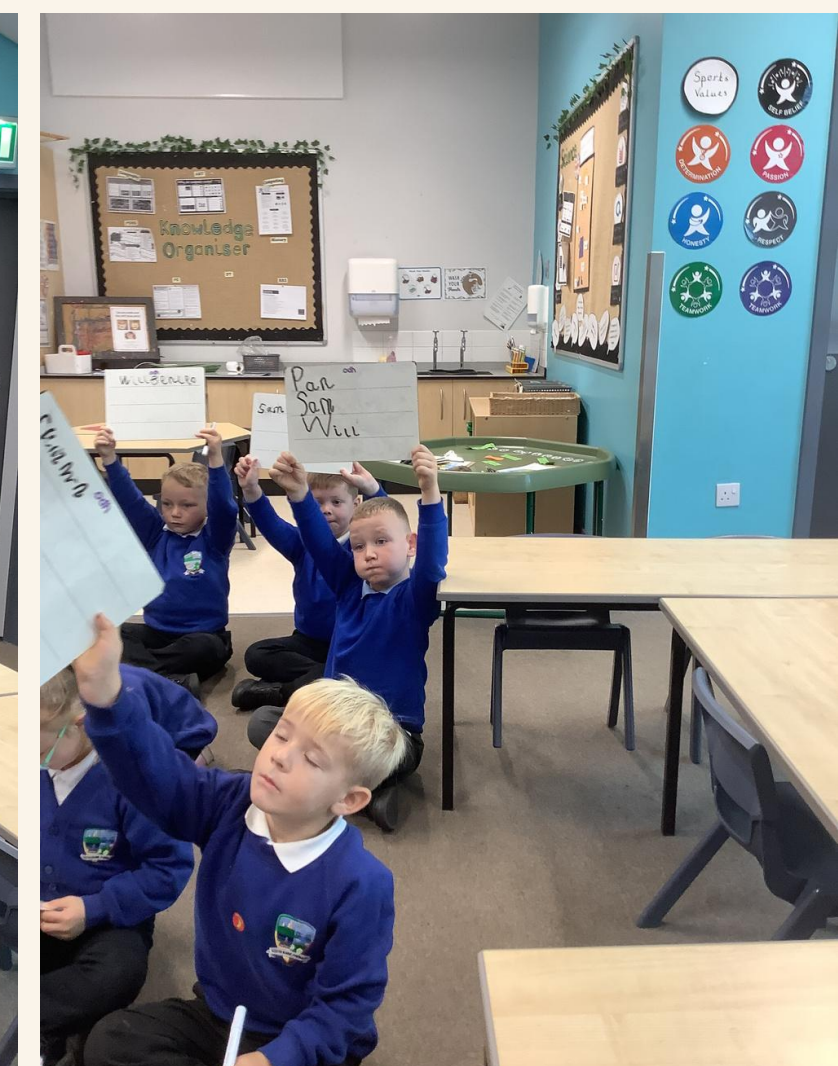

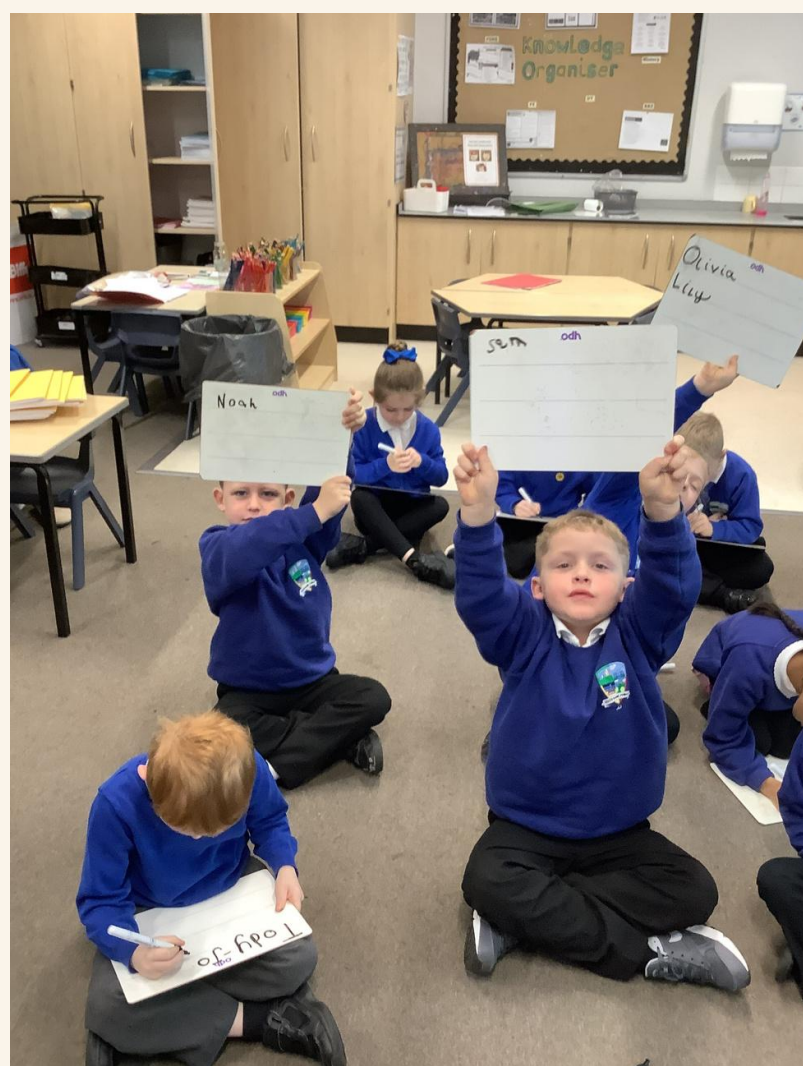

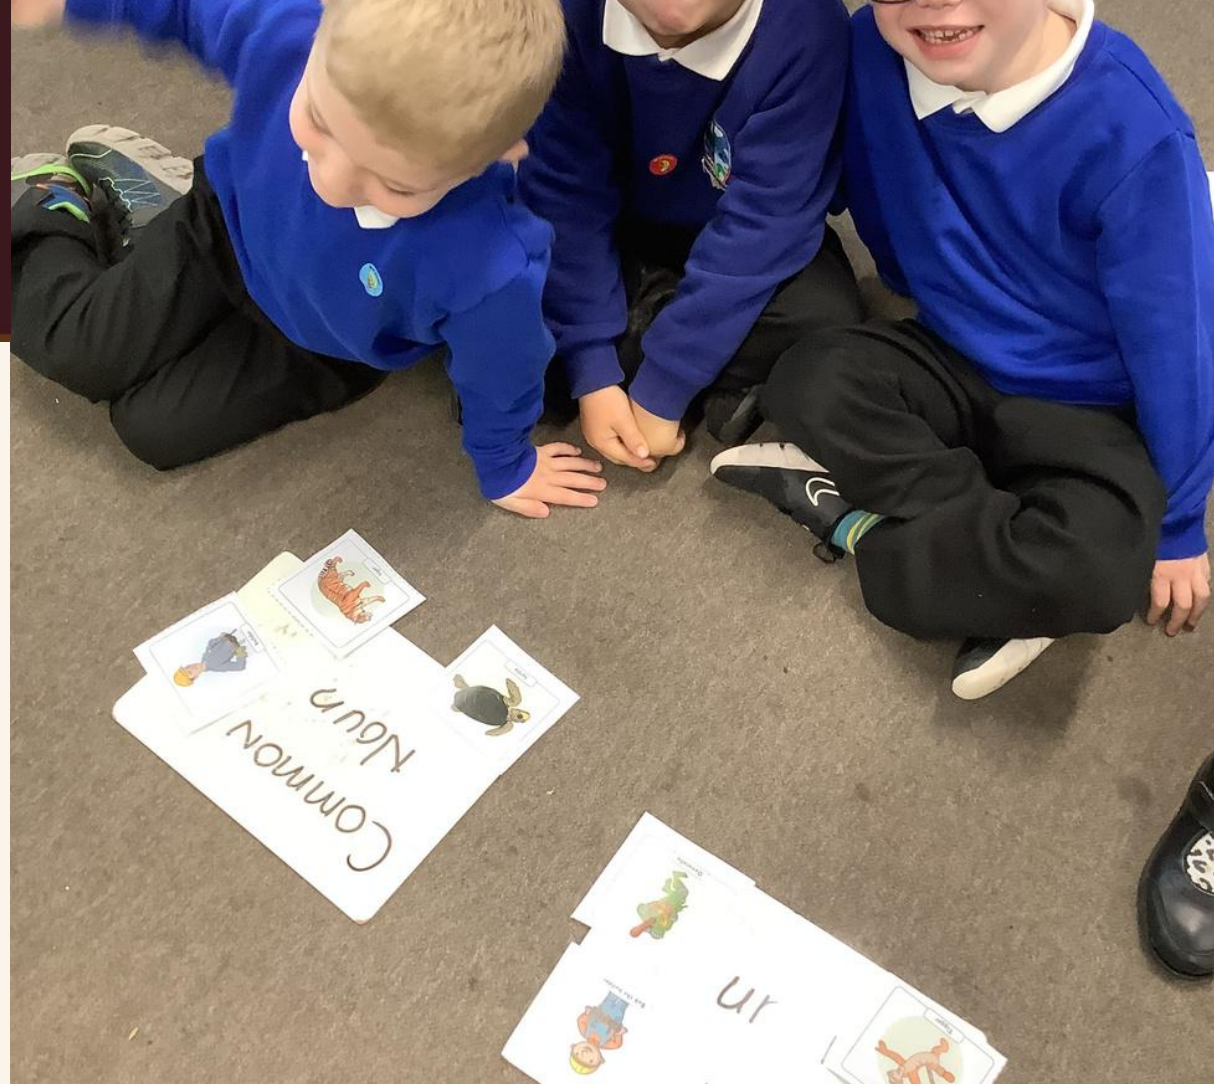

English

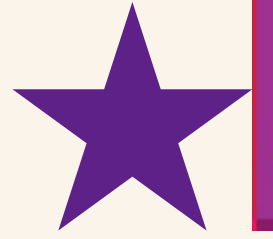

In English, we have been
learning about Proper
Nouns and Common nouns.
They were given different
pictures and were told to
determine which they
5/11/25 were.

PE

In PE, the children have been completing challenges and working in partners to roll the ball accurately.

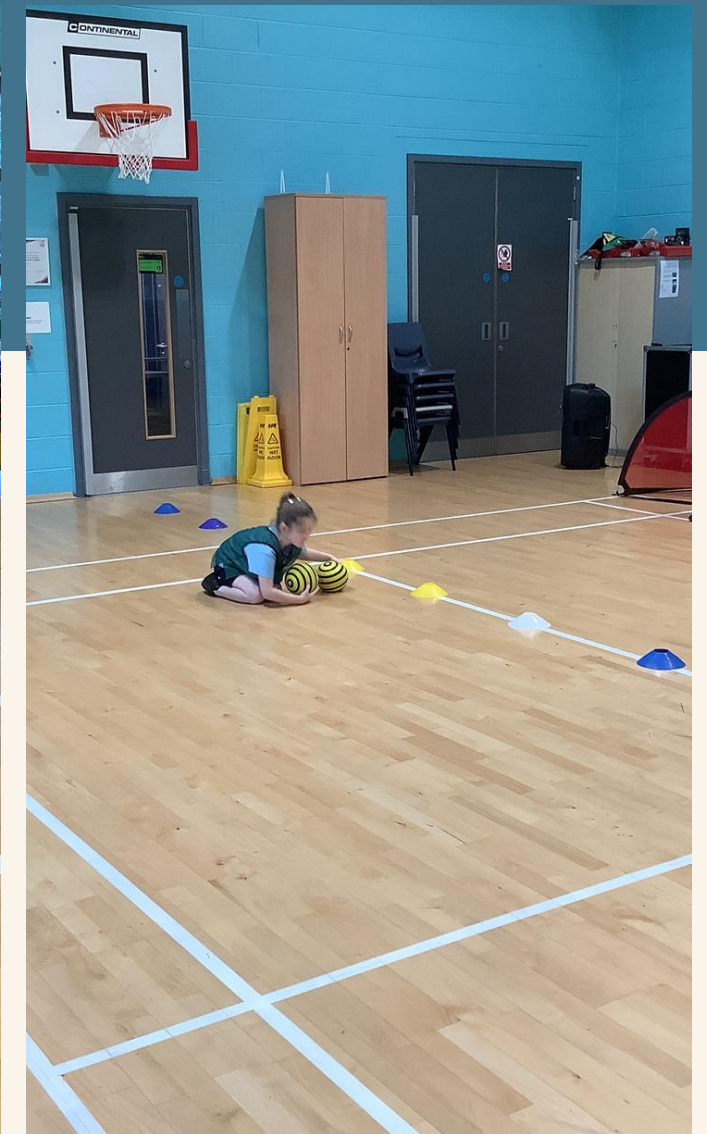

5/11/25

6/11/2

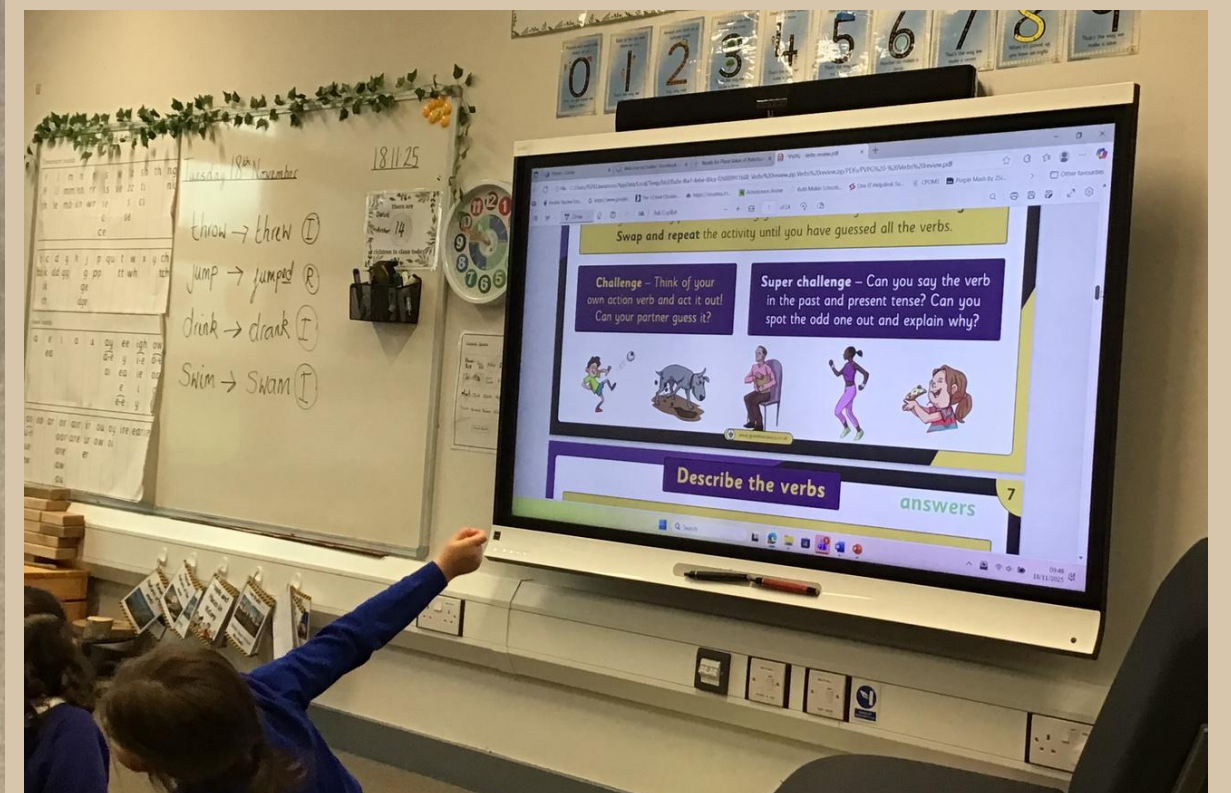

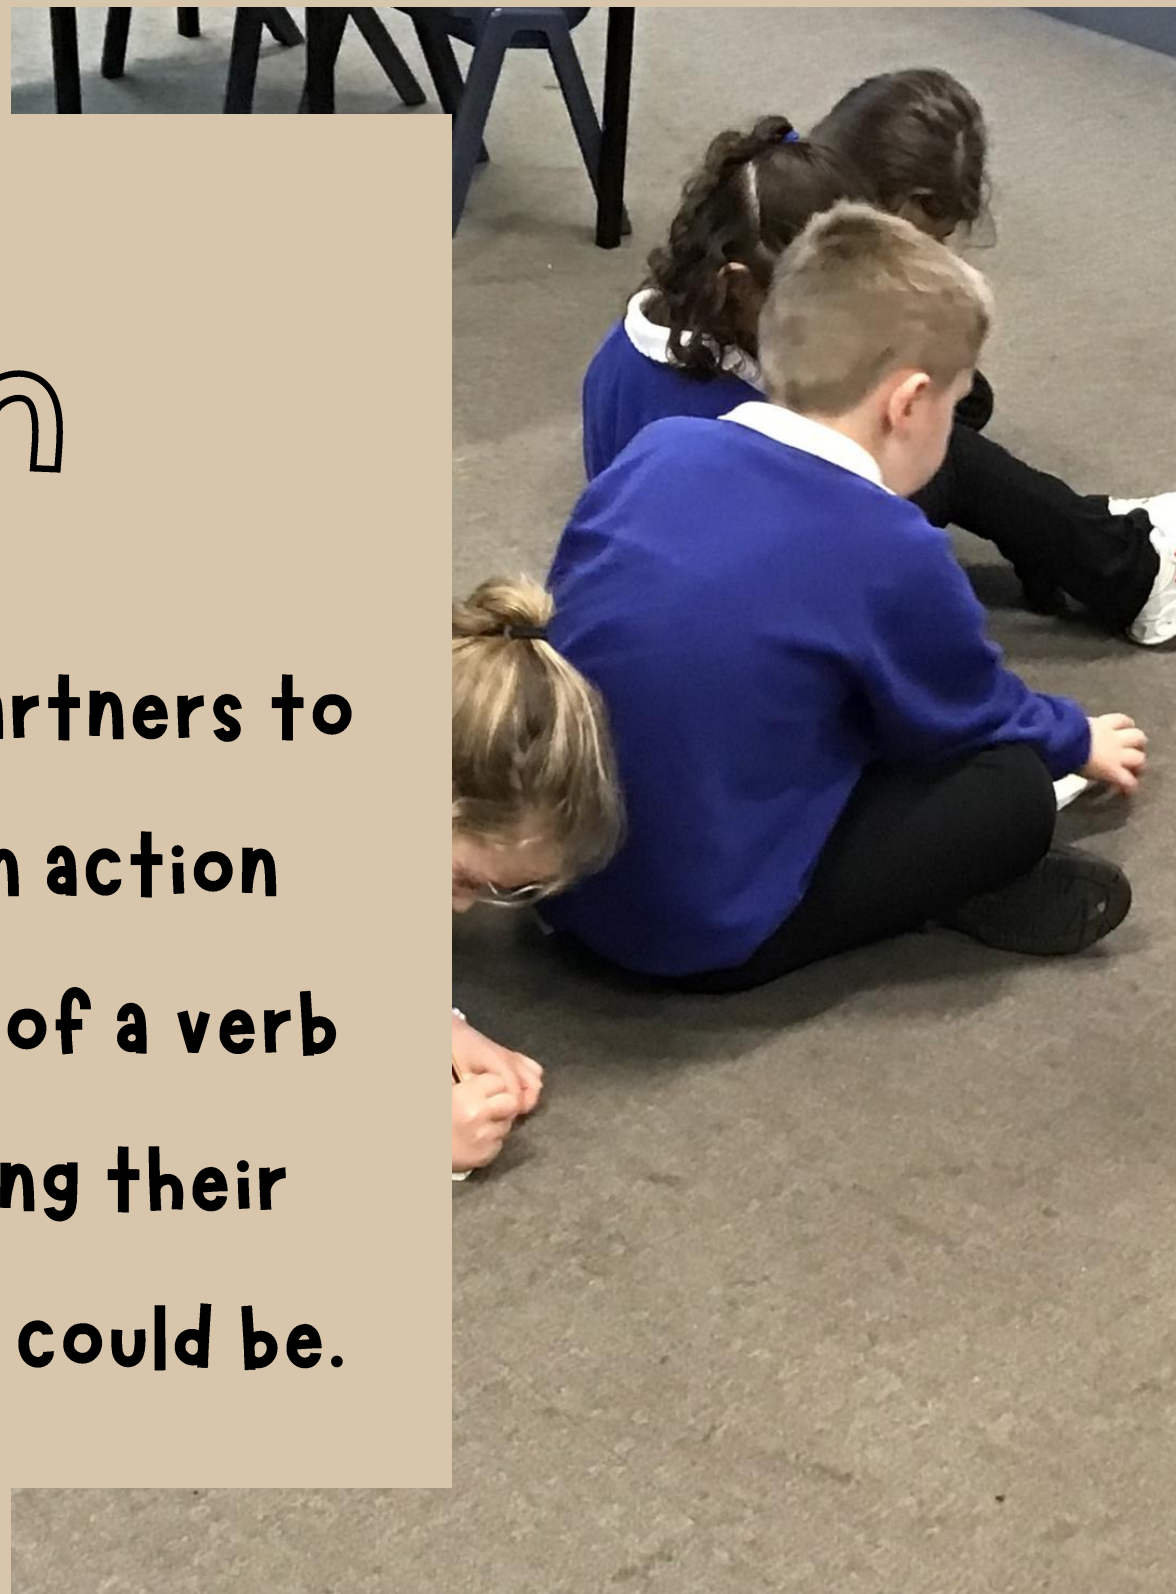

MFC

5 Galileo enjoyed their PE session with MFC, where they played a fun games and challenges. They played in two teams which helped them to build their teamwork skills.

English

The children worked in partners to come up with their own action verbs. They had to think of a verb and act it out challenging their partner to guess what it could be.

10/11/2

English

Based on our English lesson (action verbs) these children worked in a small group to match the pictures to the correct action verb.

13/11/25

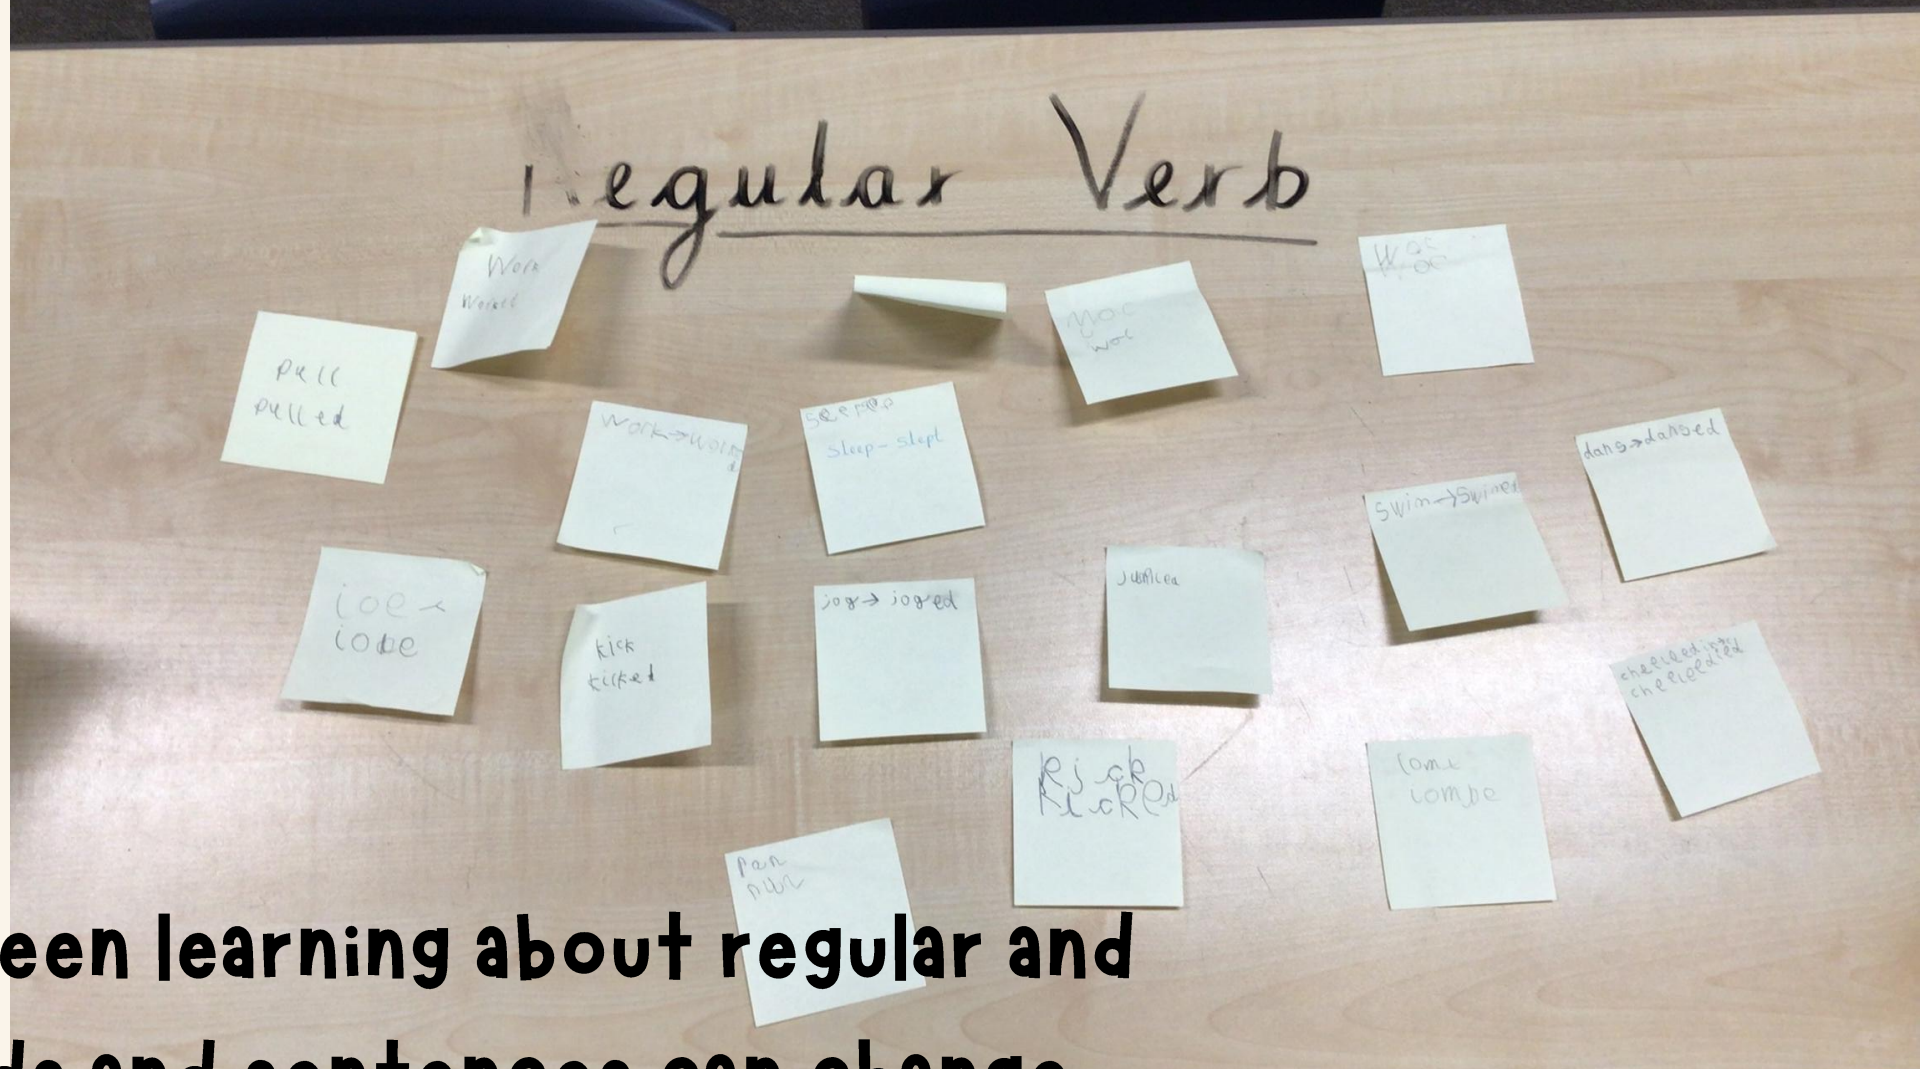

Geography

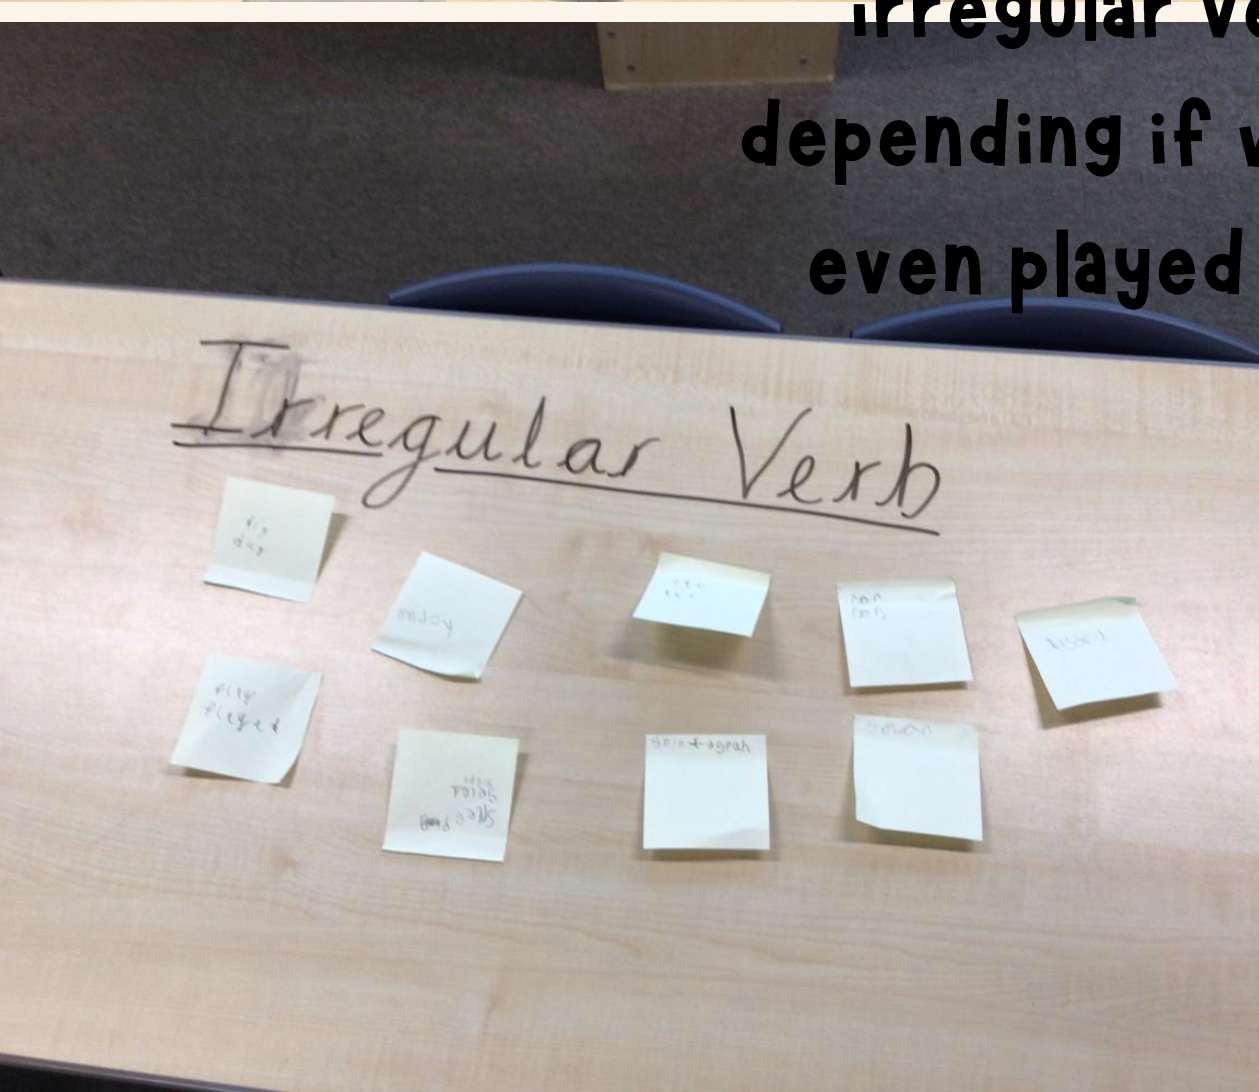

As part of their geography lesson on the four seasons, the children explored the school outside to observe and collect things connected to autumn, such as, leaves, seeds, or other seasonal changes.

17/11/25

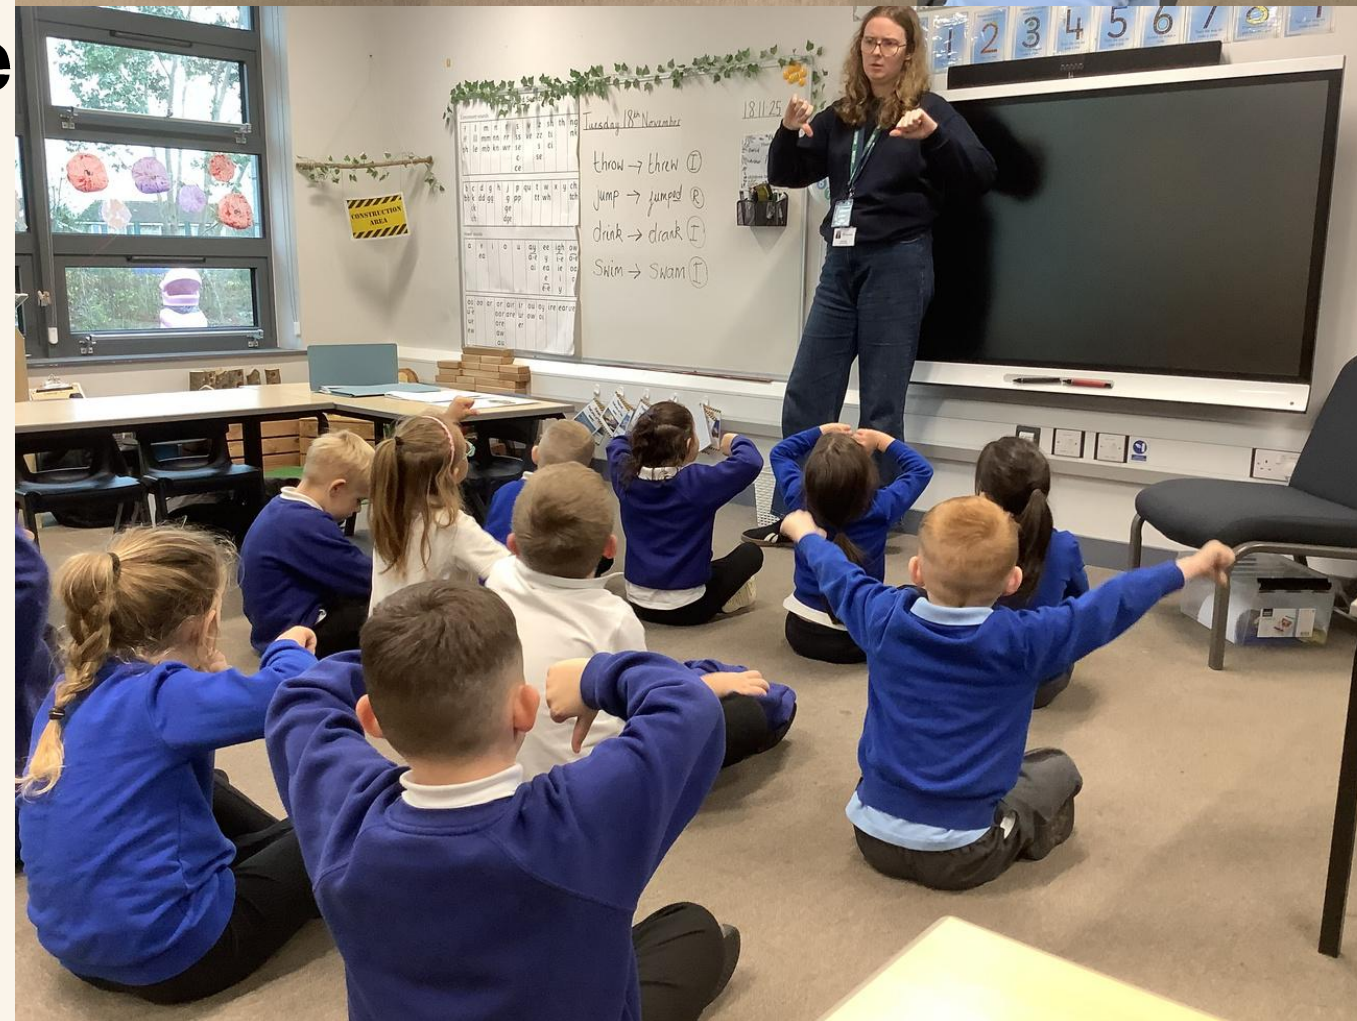

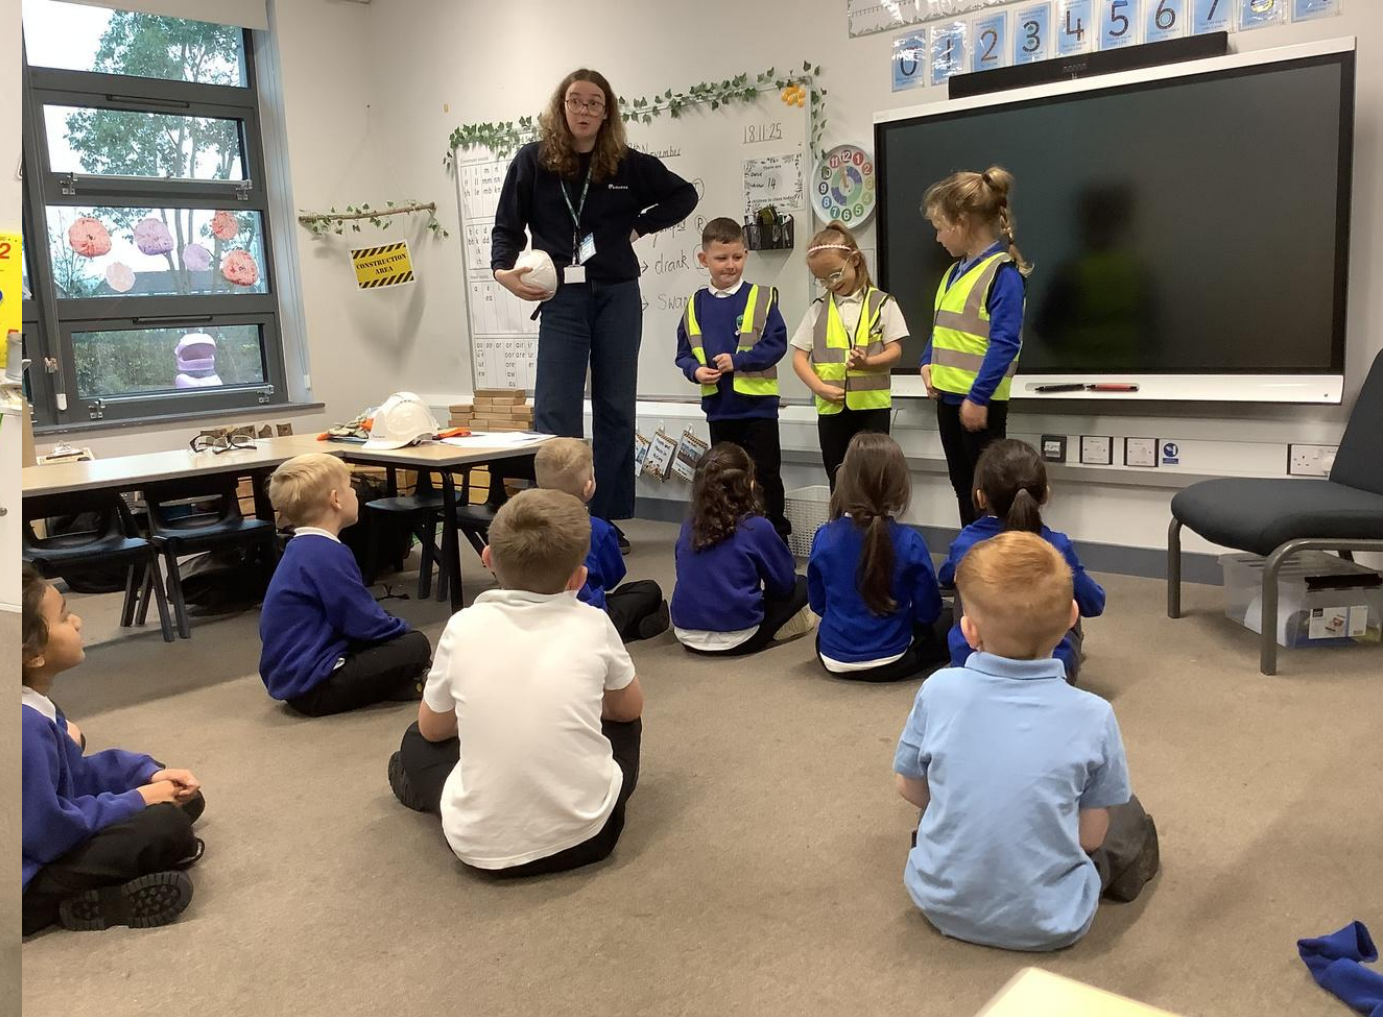

In English, the children have been learning about regular and irregular verbs and how words and sentences can change depending if we're talking about the past or the present. They even played a fun game to help them remember. 18/11/25

Today, we had a visit from Equans to tell us all about the different jobs in construction and what they may do. The children had the opportunity to dress up like real construction workers and complete different challenges based on these real life jobs.

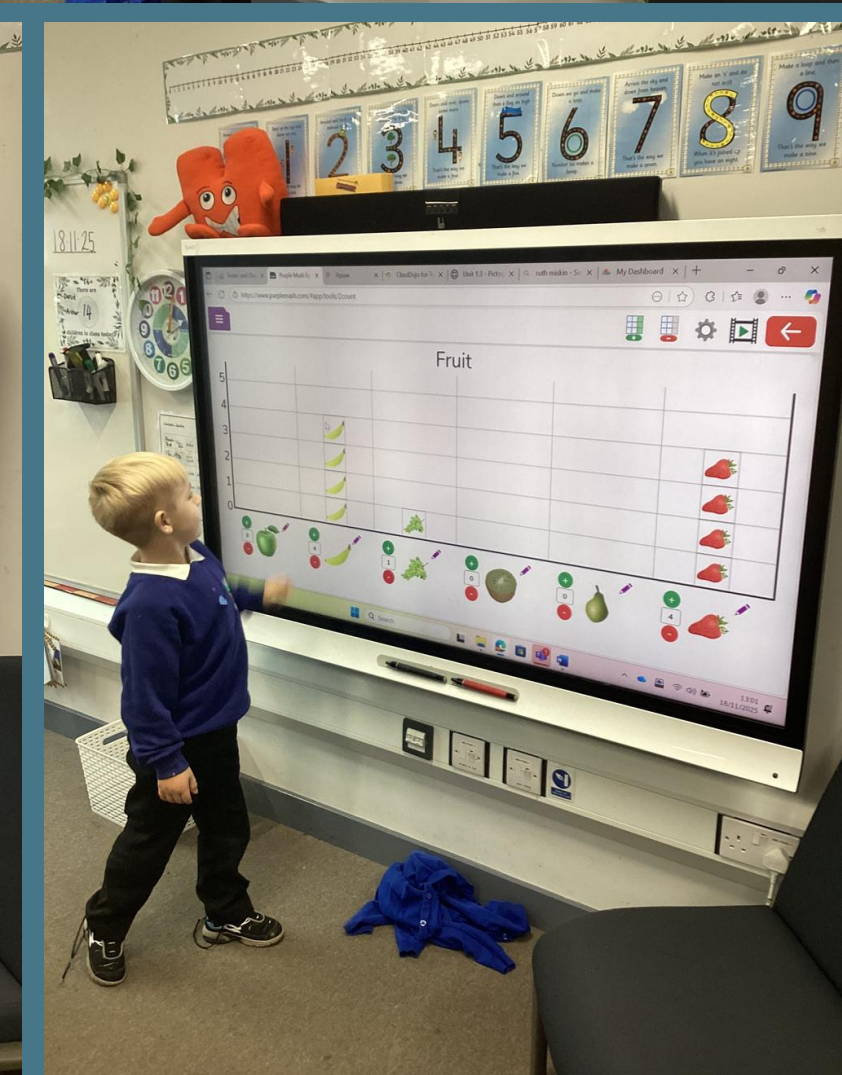

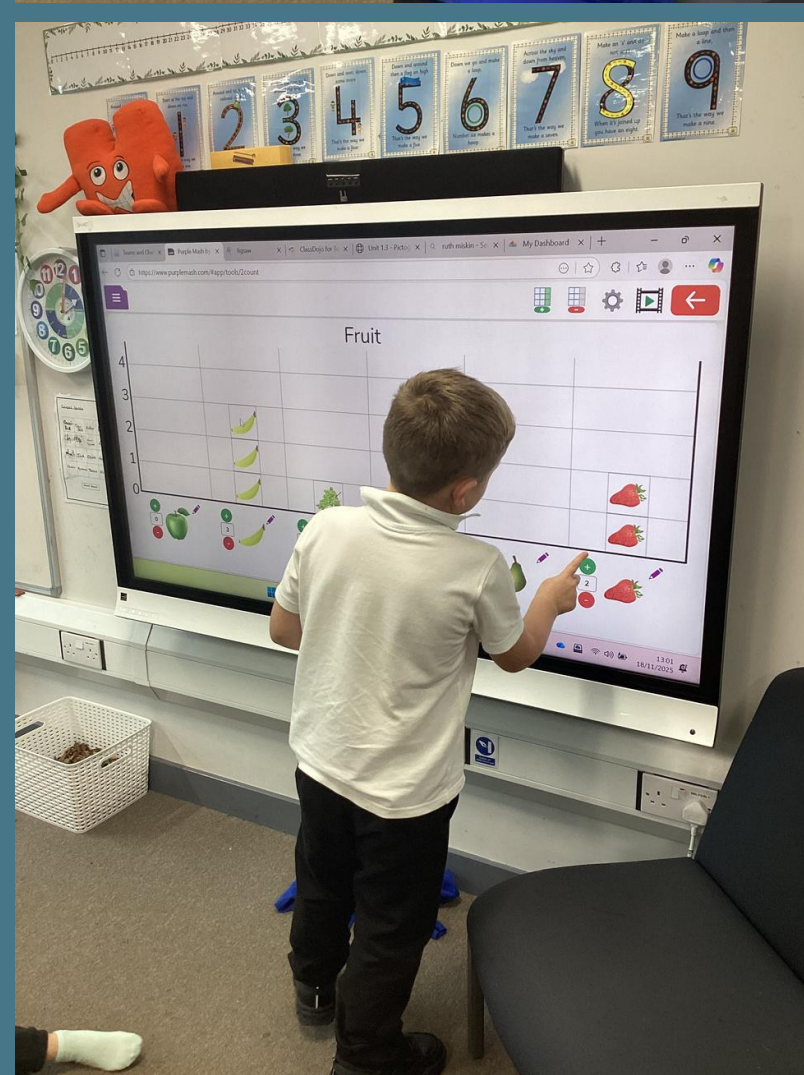

18/11/2
F

Computing

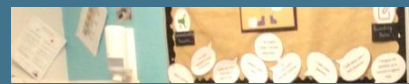

In computing, the children have been learning about bar charts and creating their own based on information they are given.

18/11/2025

English

Following on with our learning about action verbs. In this activity, the teacher called out various verbs. Children acted out the ones they could do and froze for the ones they couldn't.

19/11/2

We raised £807.02!!!

Reindeer Run

To raise money for Teeside Hospice, the whole school took part in a reindeer run and raised money with the help from their friends and family. The children had lots of fun participating for a good cause.

5/12/25
