AUTUMN 1

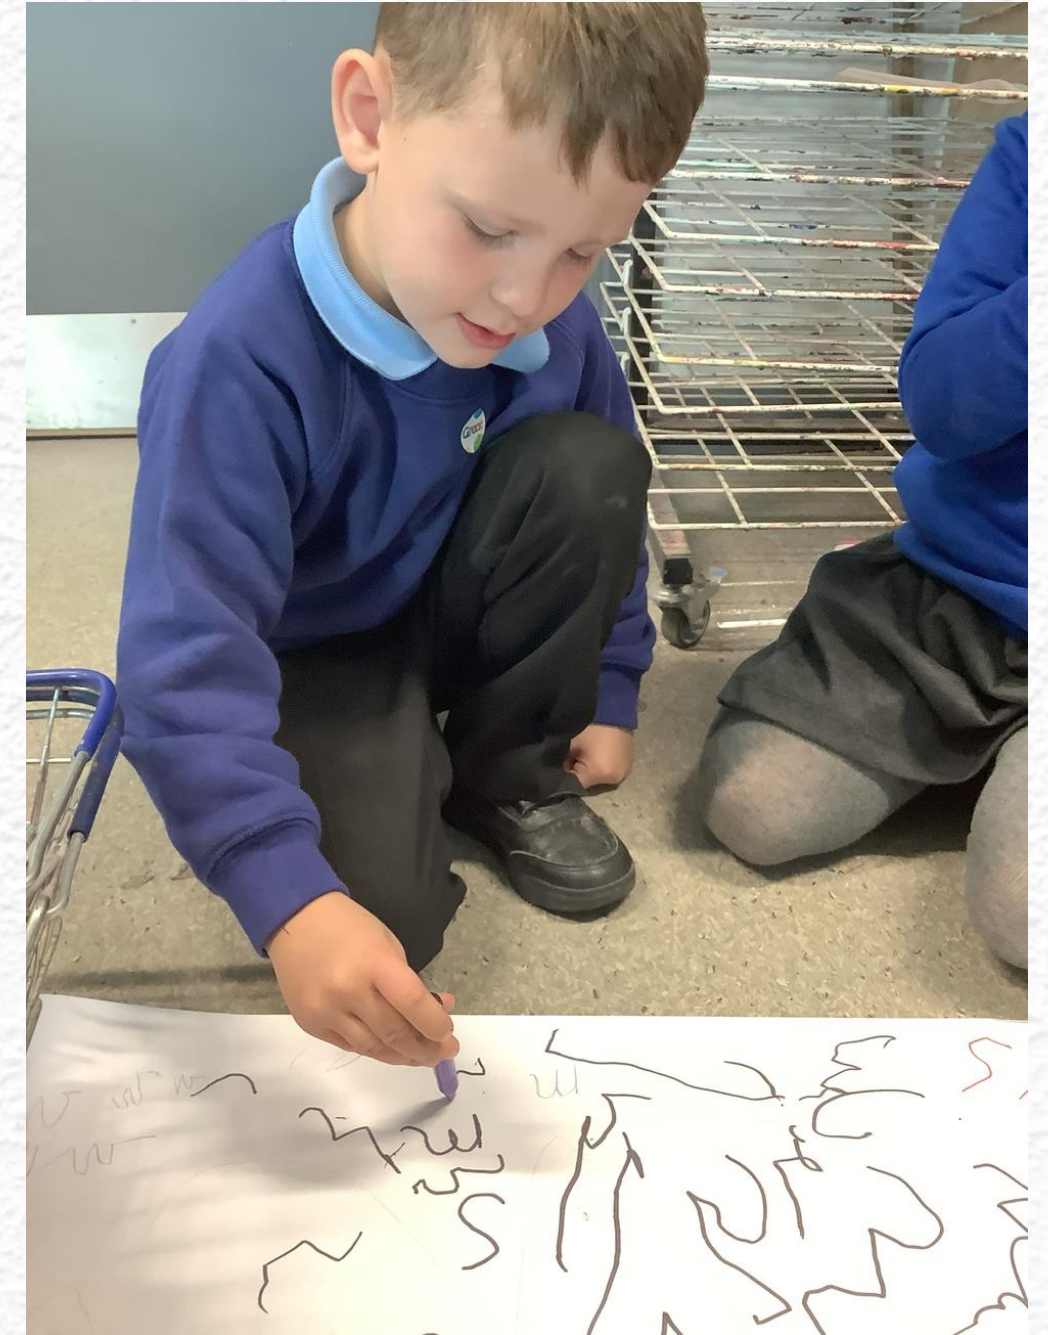

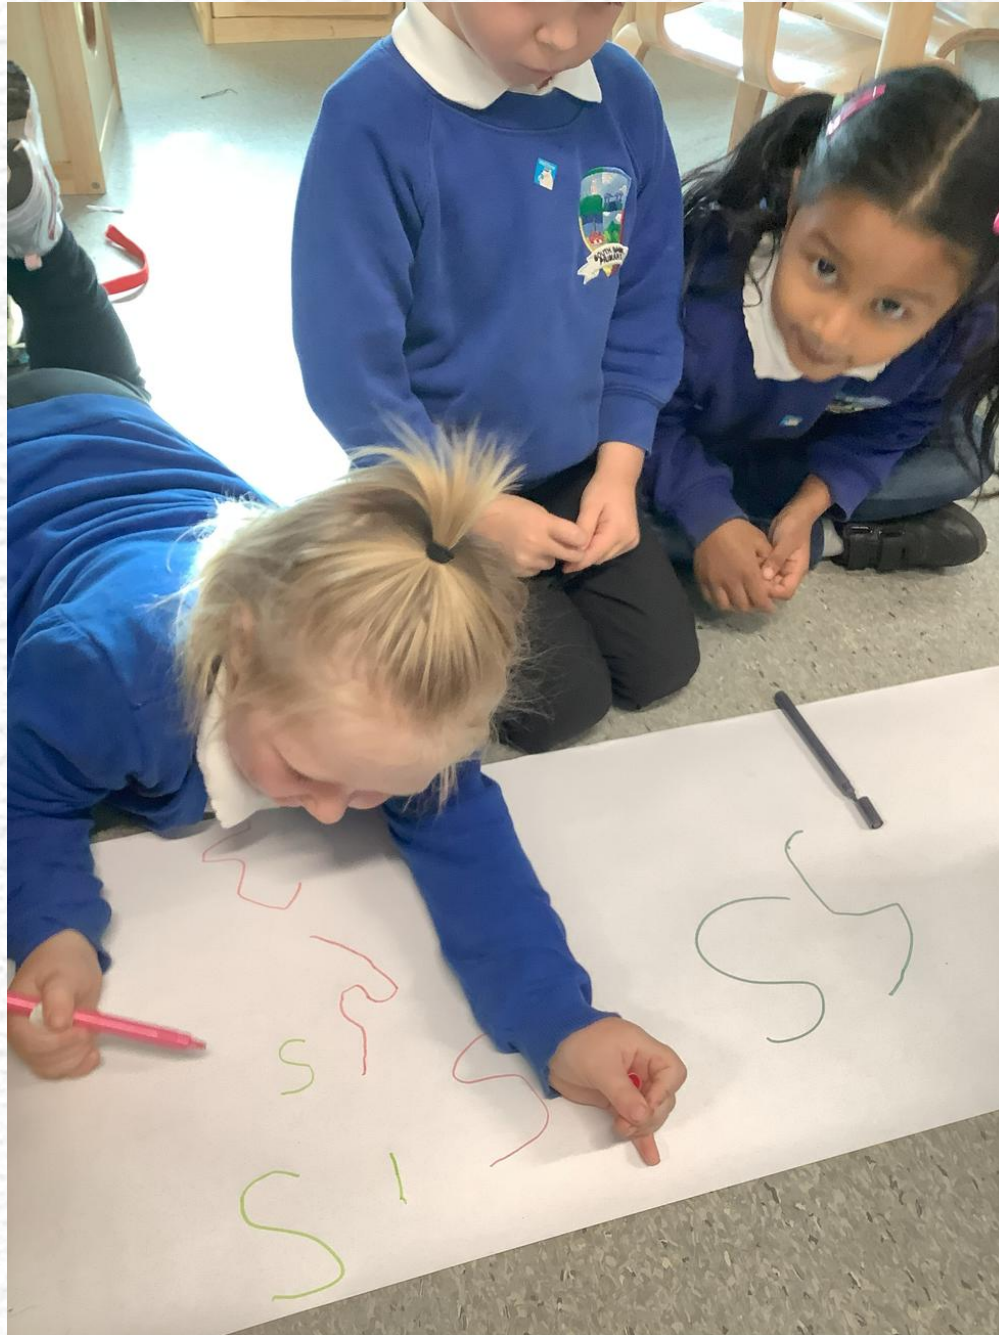

OUR FIRST WEEK AT SCHOOL....

We have been exploring our new classroom and learning how to use the resources.

The beginning of our phonics journey...

We started our phonics journey this week. The children were excited to meet Fred frog and learn the first letter sounds in Set 1.

Music

We shared the colourful scarves with each other as we danced to the rhythm of the music

LEARNING THROUGH PLAY

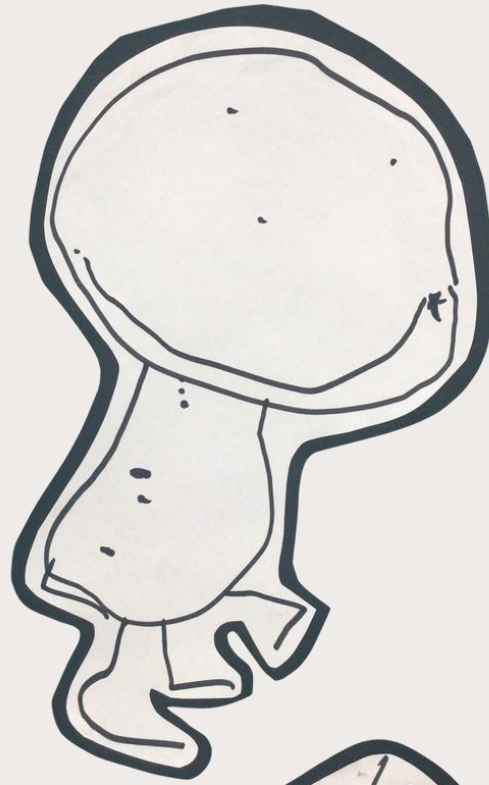

The children have loved exploring the areas inside and out. They have been exploring water colours, making kites to fly in the windy weather, practising writing letter sounds and drawing pictures of themselves.

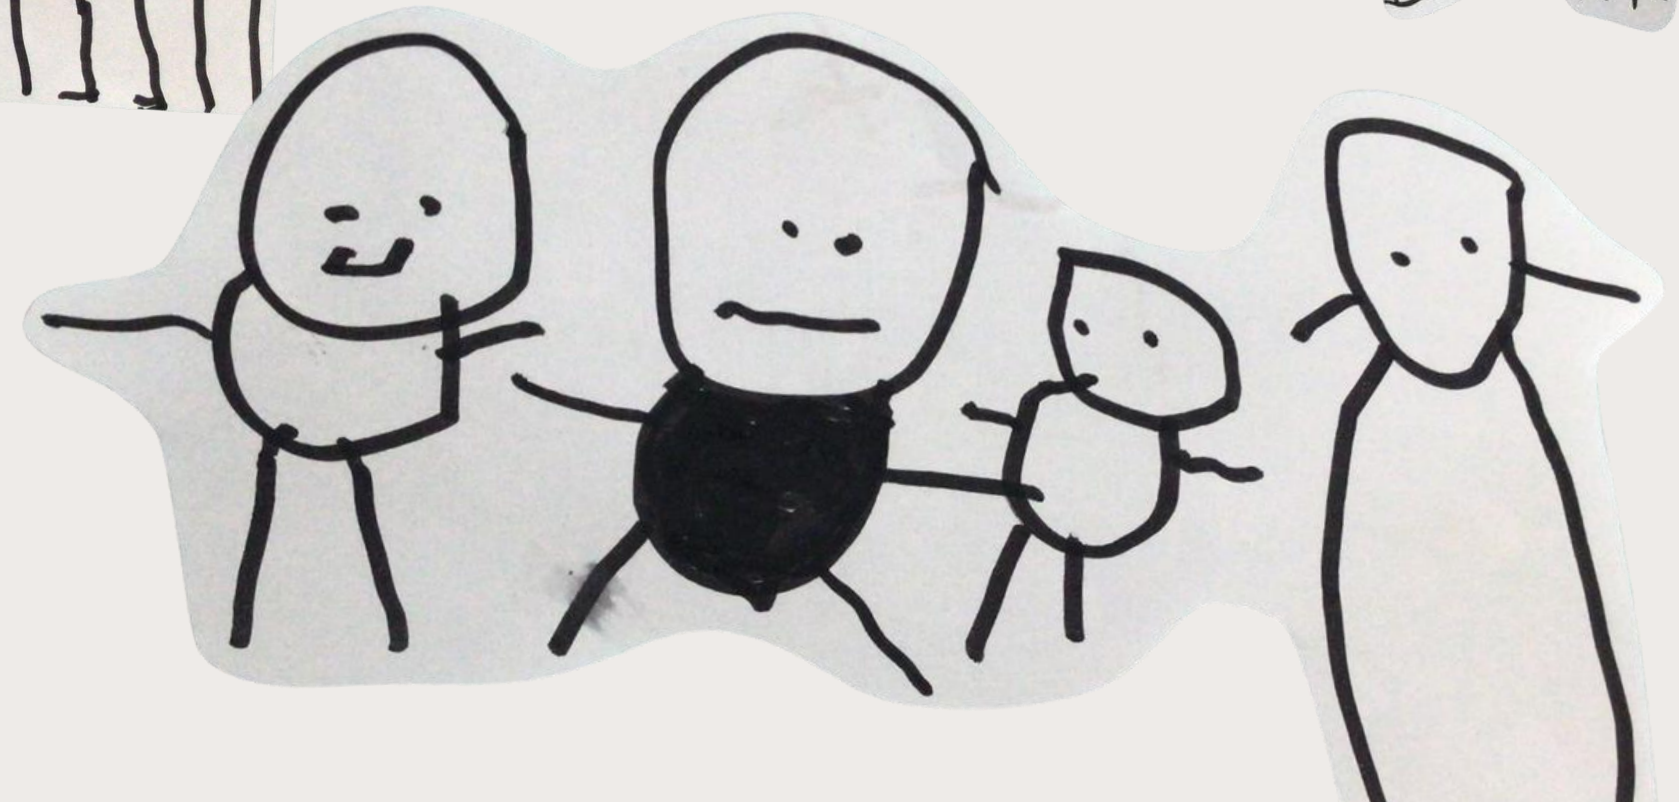

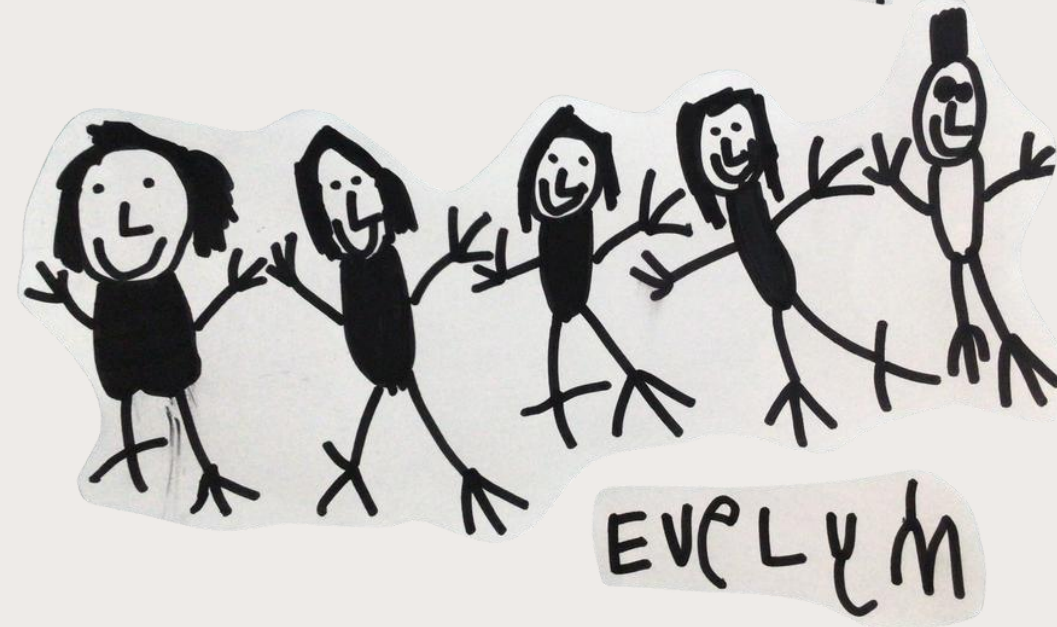

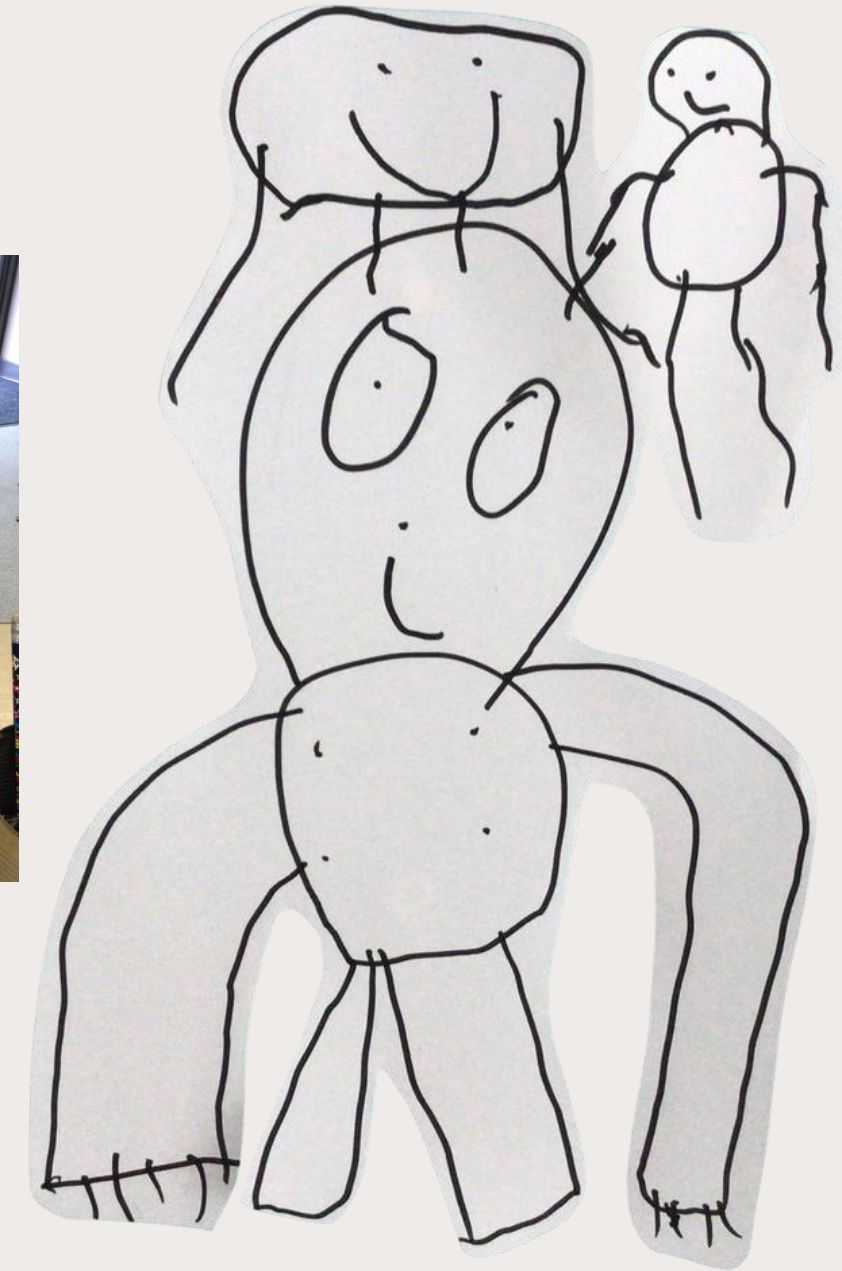

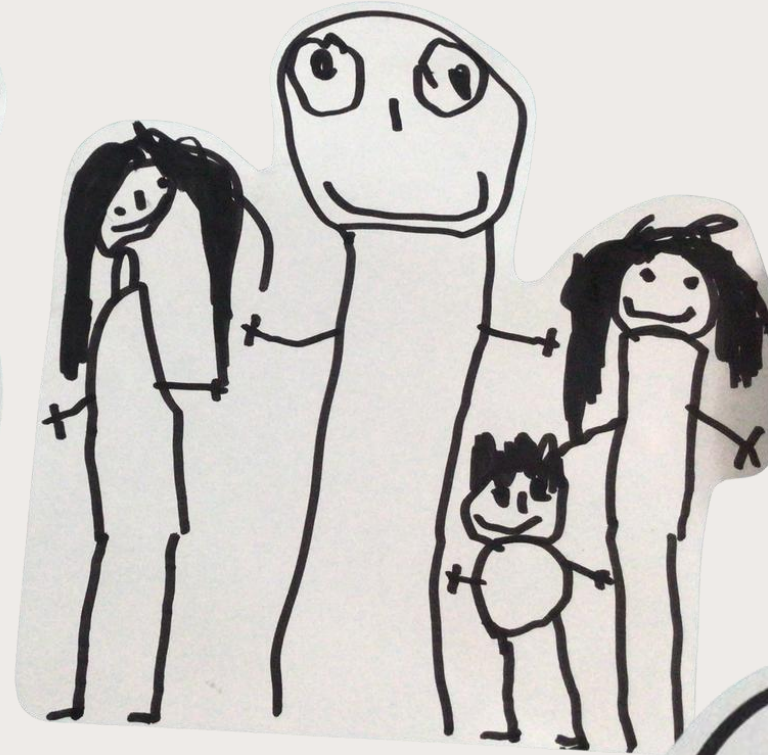

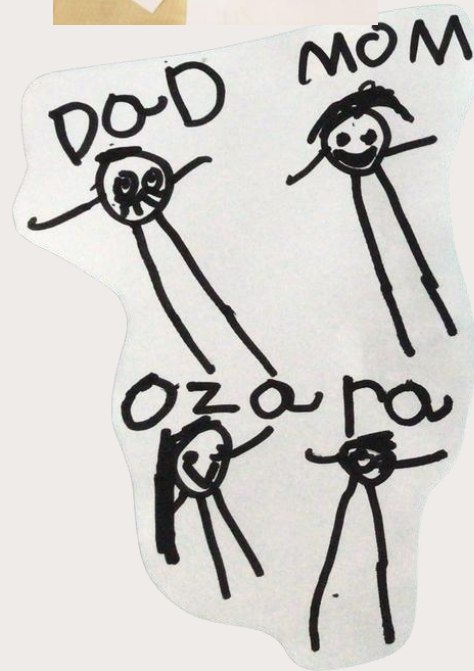

ALL ABOUT ME!

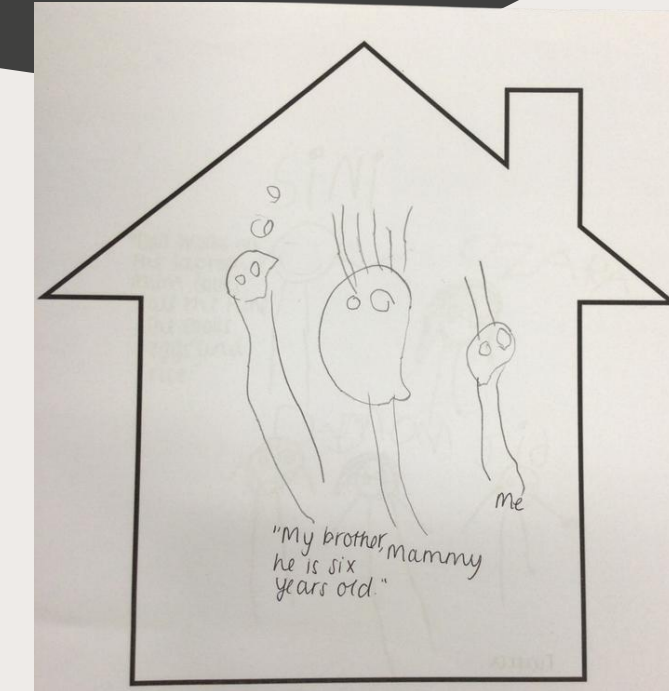

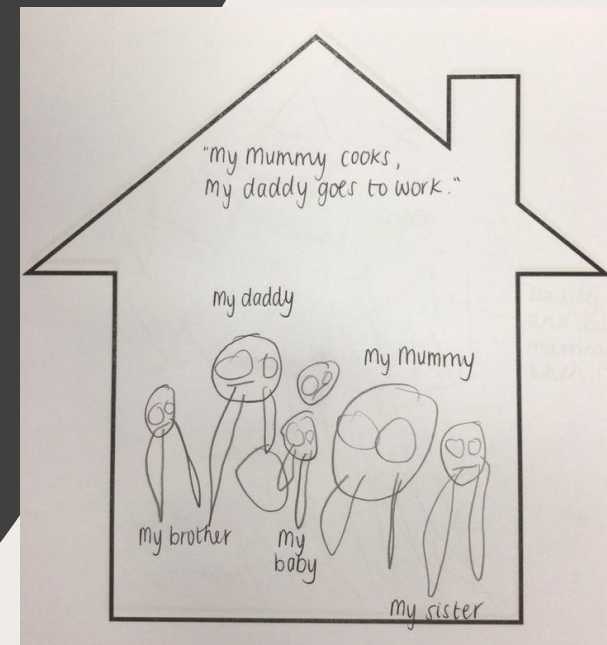

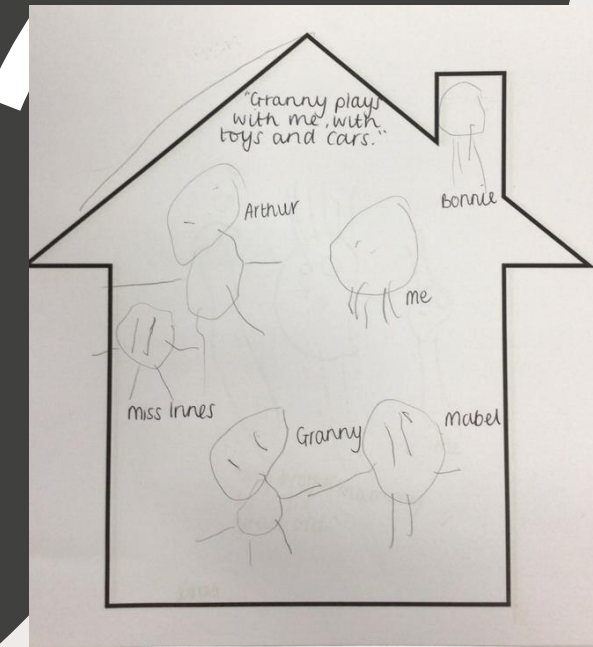

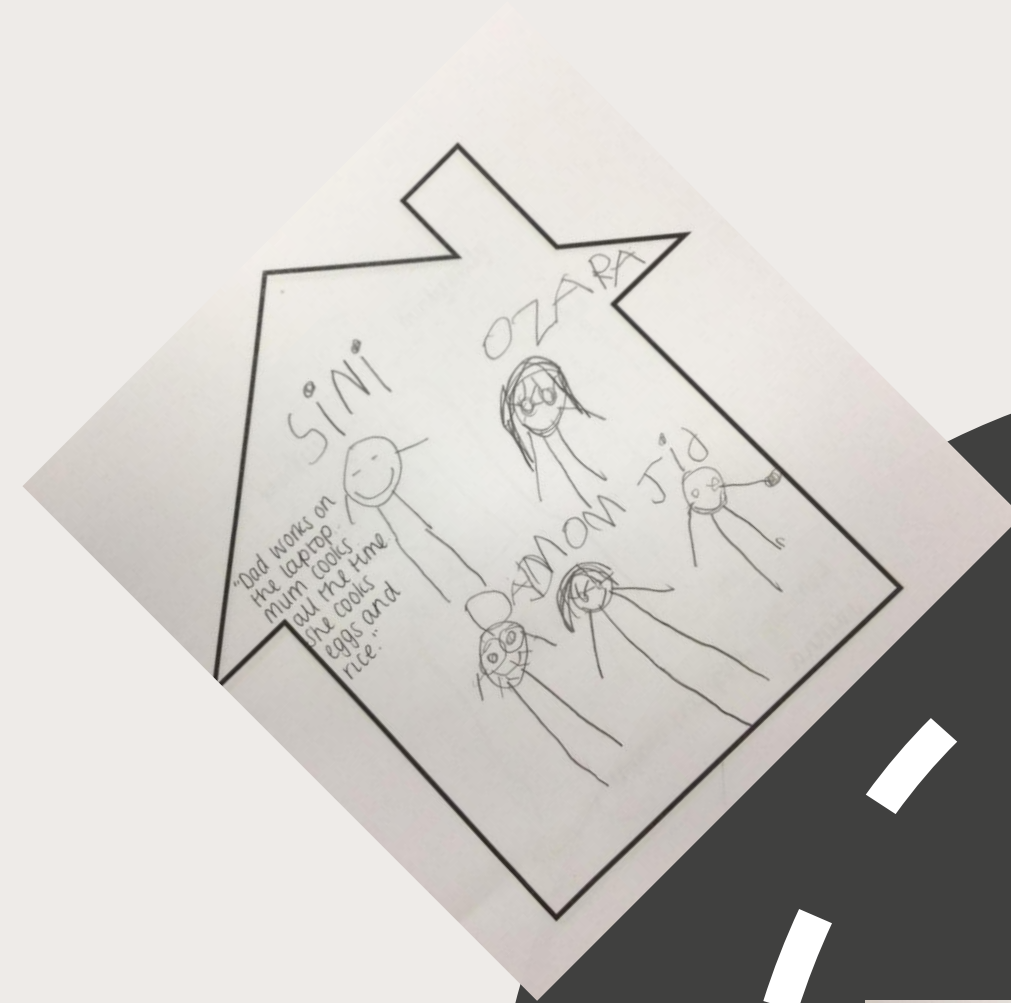

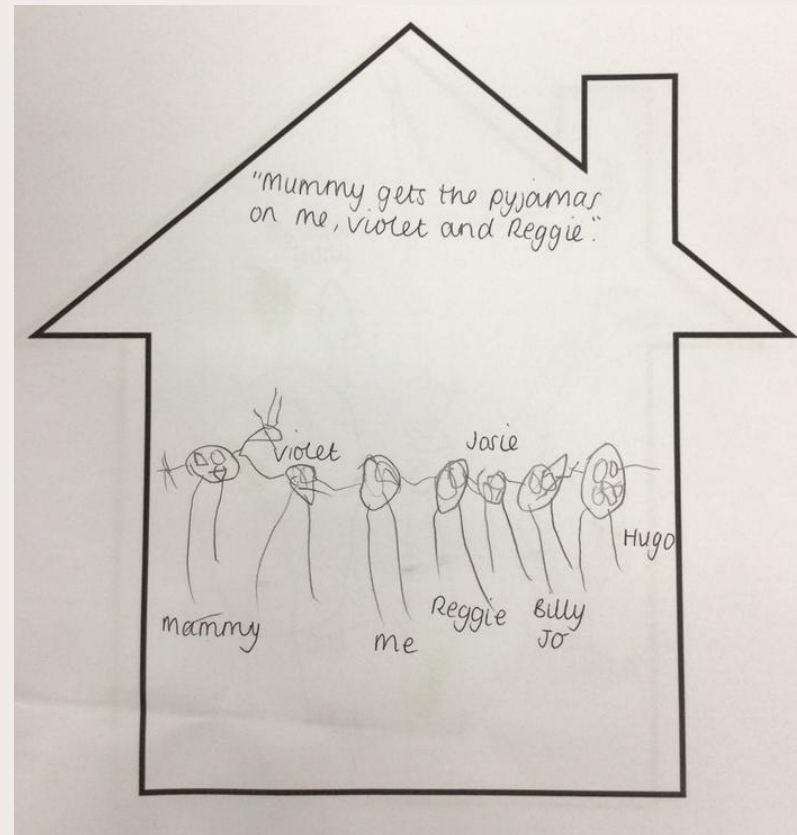

We have been working hard to develop our drawing skills by drawing our self portraits
