Our local area

Light

Plants

Rocks

Food and nutrition

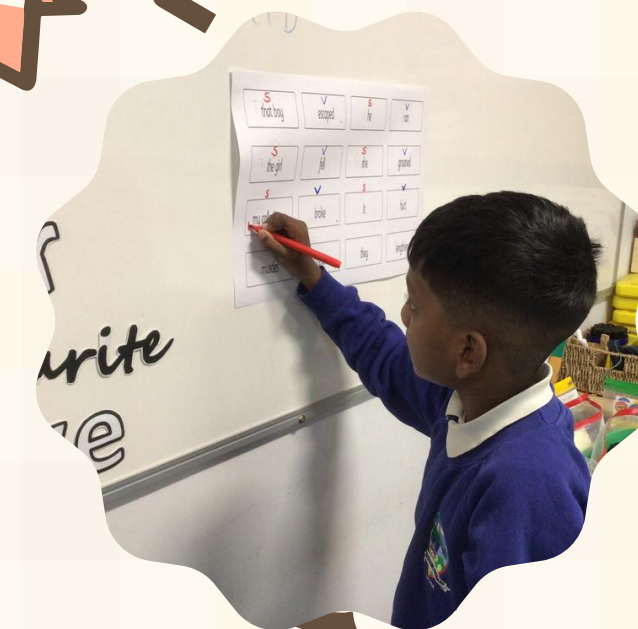

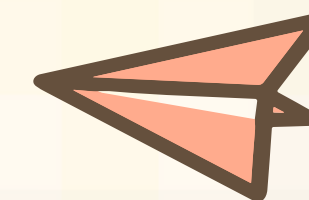

How can we make our school environment more bee friendly

How do artist draw faces?

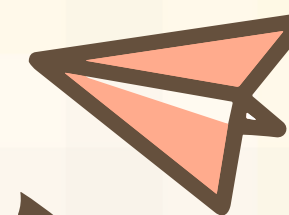

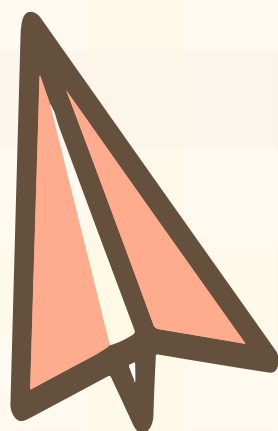

AUTUMN 1

English Learning single clause sentences, using pronouns.

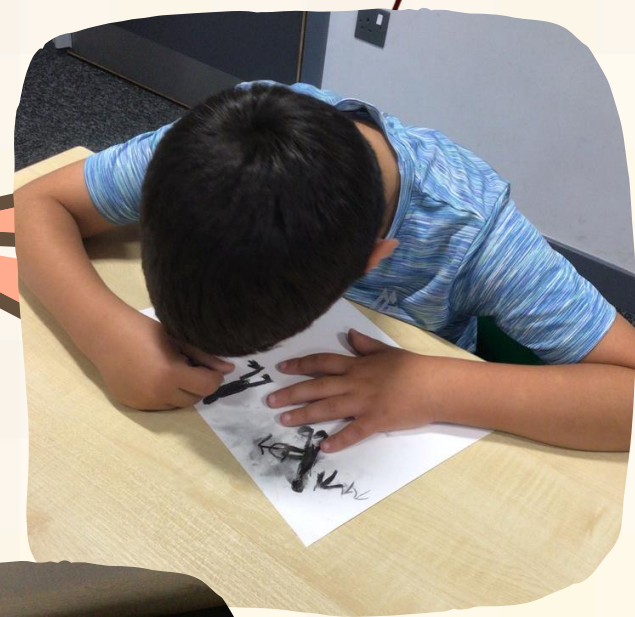

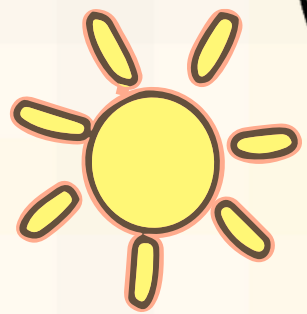

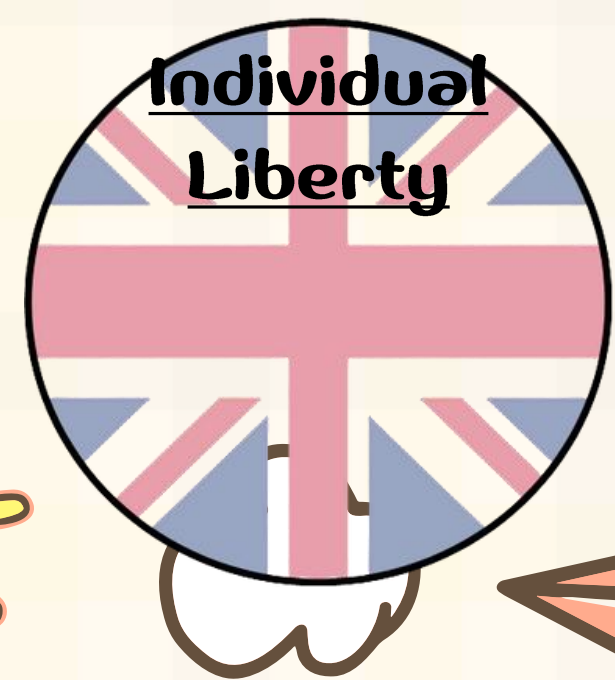

We have been learning how to identify the subject and verb in single clause sentences and edit them to add Capital letters and Fullstops.

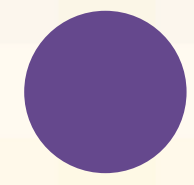

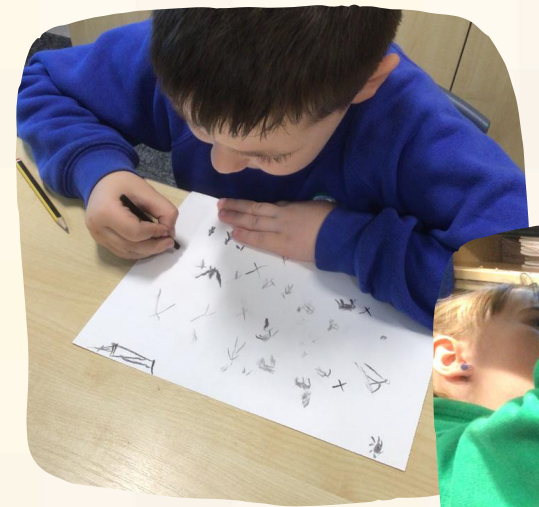

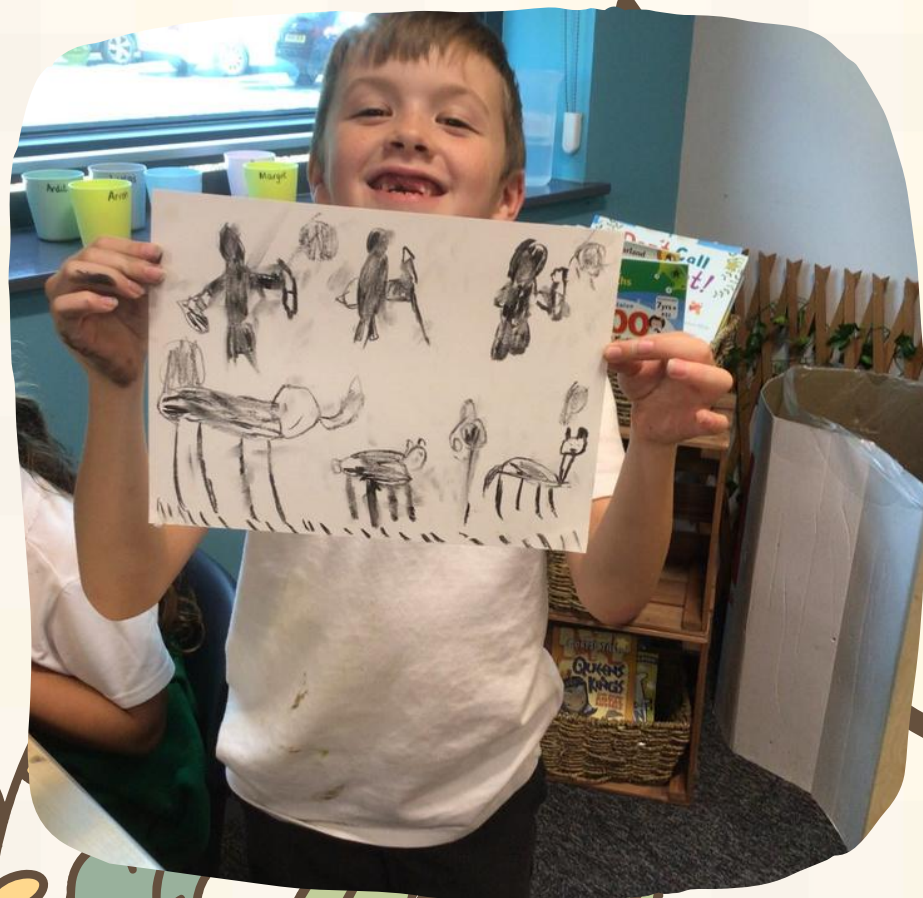

The Place Value of Punctuation and Grammar

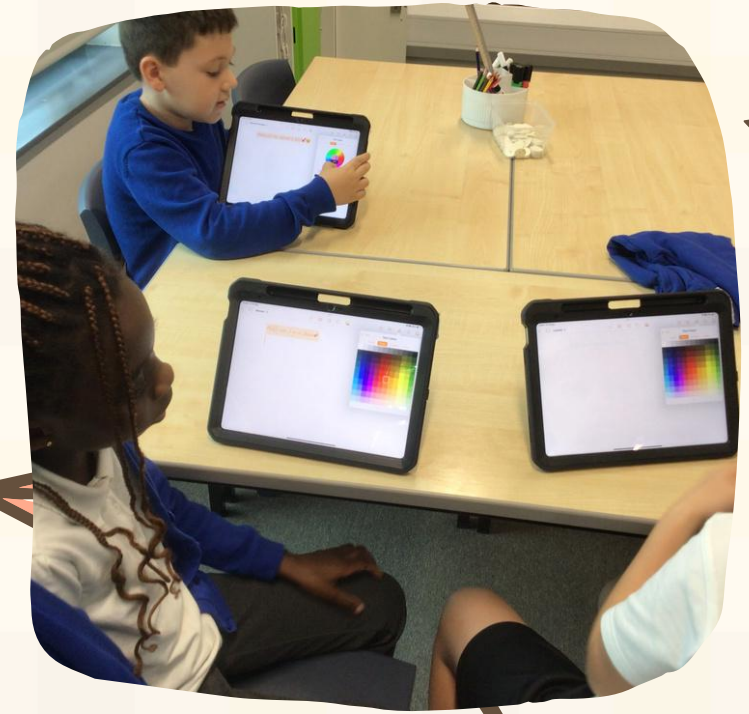

History - How do we know about the past?

We have been learning about how Stone Age people communicated and passed down information by creating our own cave paintings.

Computing - how to change font
on a pages document.

We have been learning how to change
fonts and add special effects to text in
a pages document.

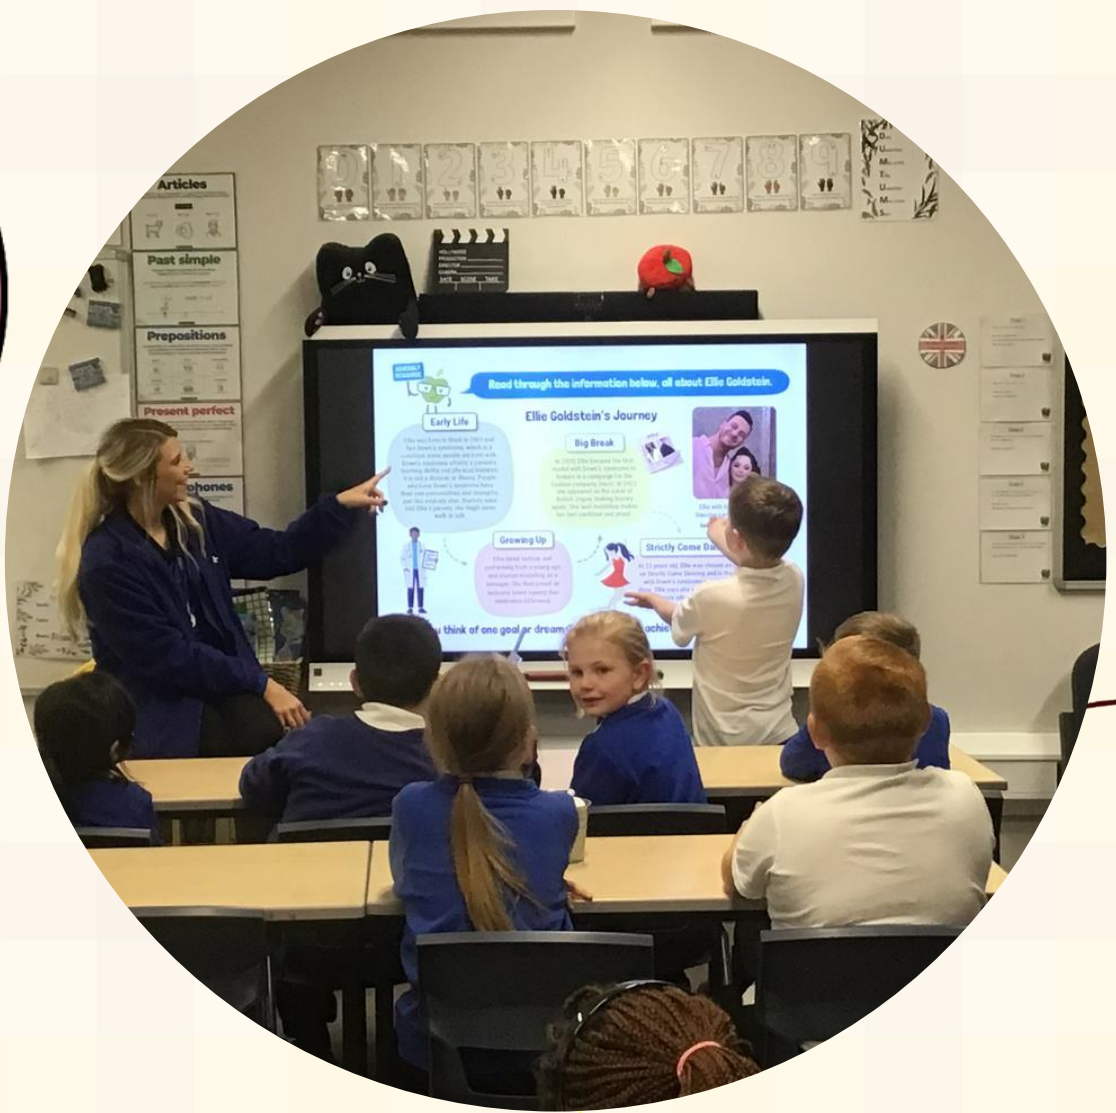

Picture News

Mutual Respect and Tolerance

We learned about how others overcome difficulties.

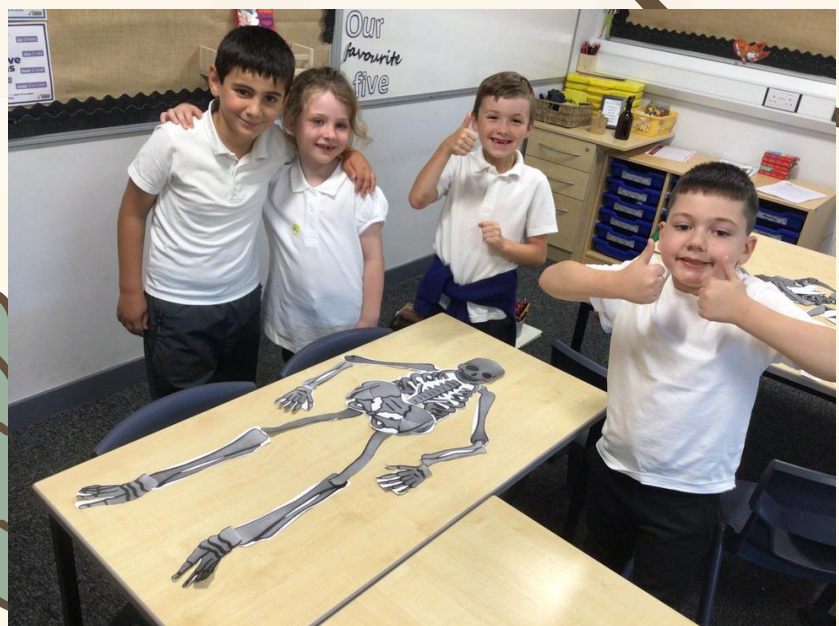

Here, we learned about Ellie Goldstein. We found out that she was the first model with Down Syndrome to appear on the front cover of Vogue.

in our body?

We have been learning about the function of our skeletons and what different bones they are made up of.

Show racism the red card!

Picture News

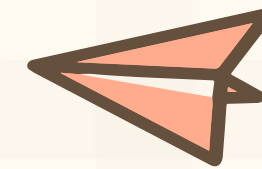

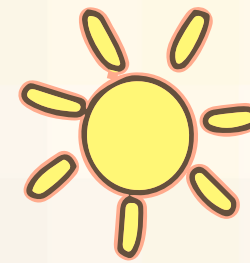

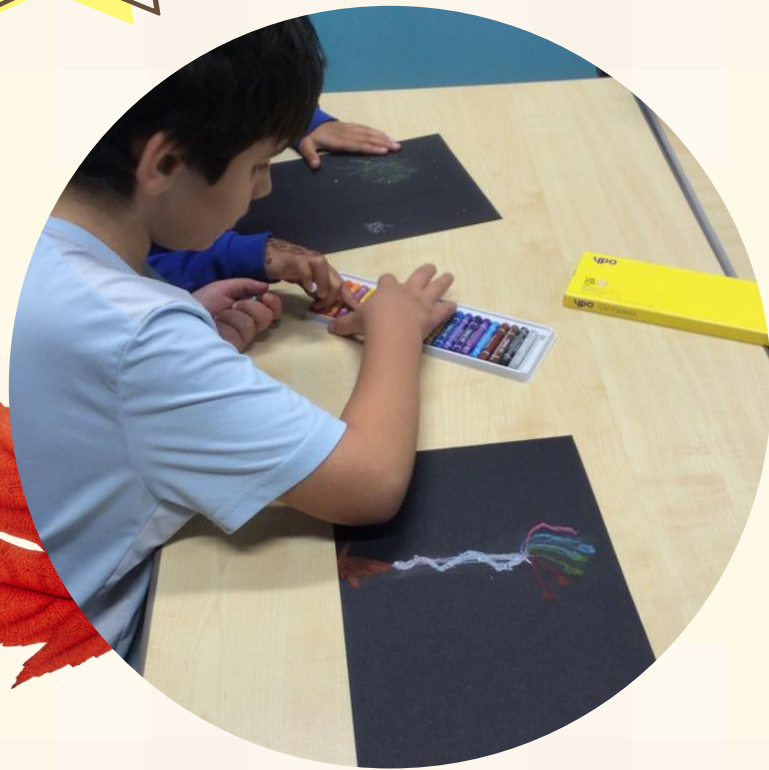

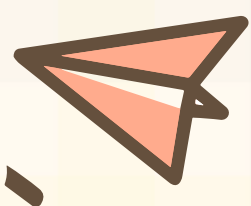

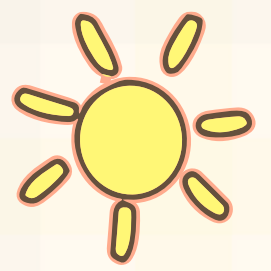

Mutual Respect

We have been learning about how to show respect to animals on bonfire night

We have been learning all about bonfire night, the pros and cons, and creating our own firework artwork.

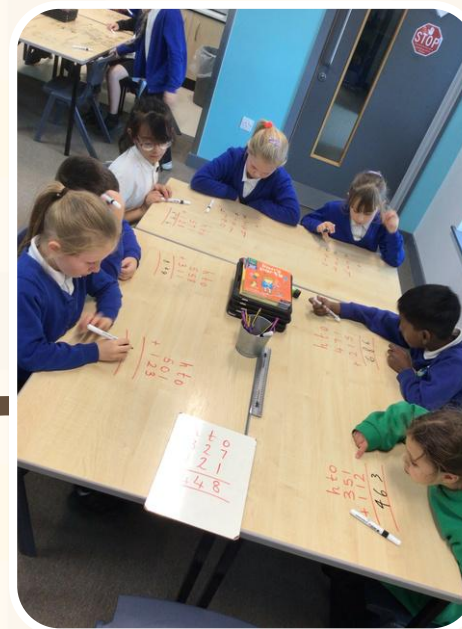

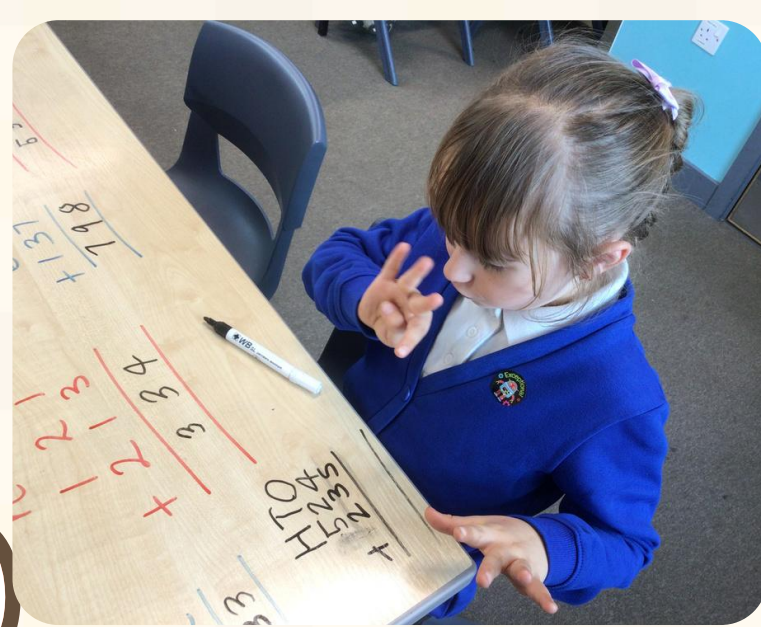

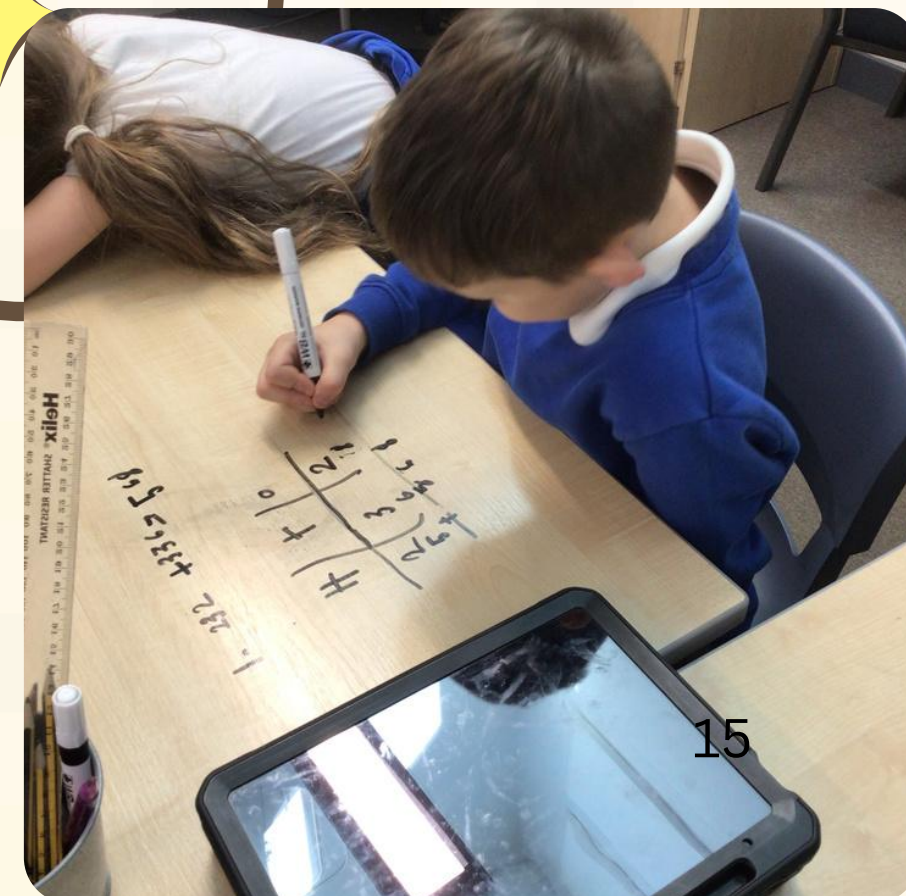

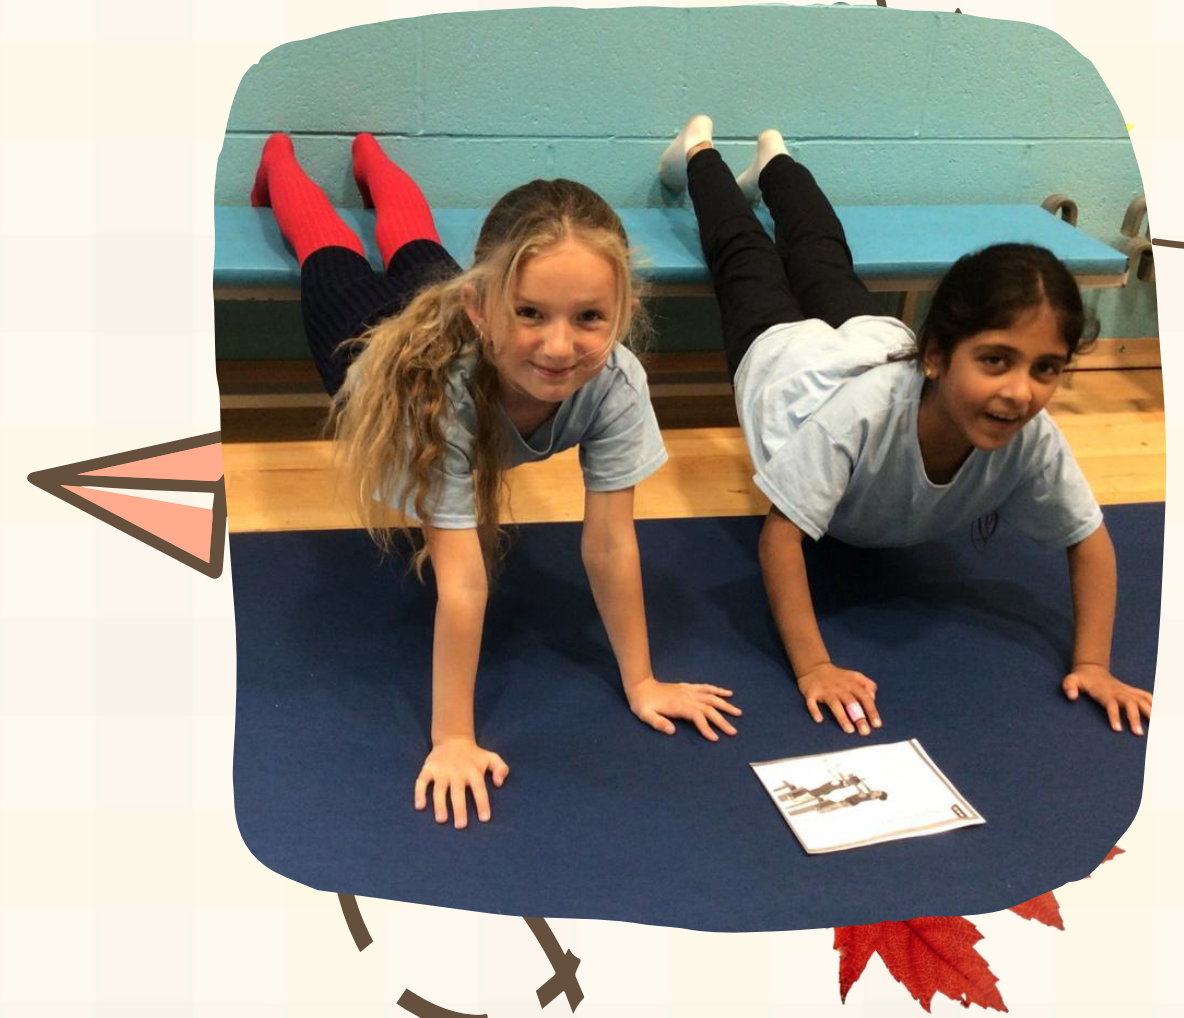

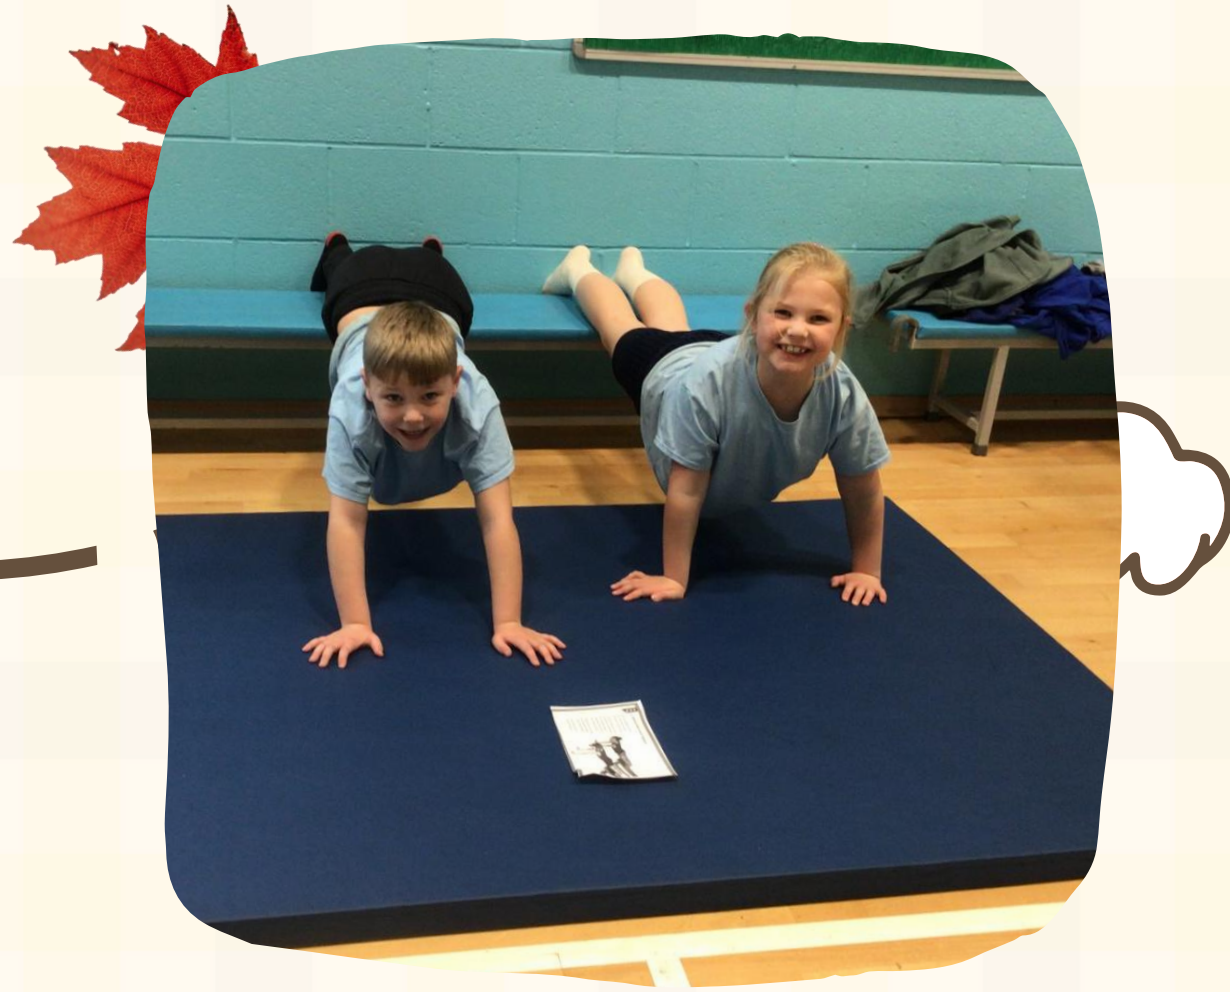

We have been learning all about Harvest festival and we learned the sing 'cauliflowers fluffy' to celebrate.

We have been learning how to use the column method to add two 3 digit numbers together.

In PE, we have been exploring symmetrical and asymmetrical balances and worked with a partner to perform these to the class.
