

SPRING 1

Outdoor Learning

Snow much fun...

We had so much fun playing in the snow today! The children loved working together to build a snowman, experimenting with mixing colours, and taking turns pulling each other on the different types of sledges.

Forest School

This session we looked for different birds, made bird feeders and shared the story of "Owl Babies"

Pancake Day

After reading the story we discussed the ingredients we needed to make pancakes. We helped to make the mix.
