

South Bank Primary School Newsletter

W/E 13/03/2026

Dear Families,
We have had a super busy return this week. It has been science week with many of the classes carrying out different experiments. We have also had some visitors from Texas join us and carried out different activities and today was aspirations day and all the children made a great effort. Next week we have swimming, for some YR4's and YR2 are visiting the Baptist church. Here is to another fantastic week.

Have a great weekend.
