| Music             | Delivered by RSMF  |
| PE                | Health and Wellbeing<br>Dance: Heroes  |
| RE                | Why is Easter special for Christians?  |
| PSHE              | Healthy Me   |
| Rights Respecting | Article 42 – Everyone must know children's rights  |

# Computing 2.3.26

We are learning to open pages and add some text as well as renaming the title with our name.

# Book and Breakfast

The children and their parents/carers were

welcomed to our Book and Breakfast this morning.

They could read their favourite books and have some yummy breakfast!

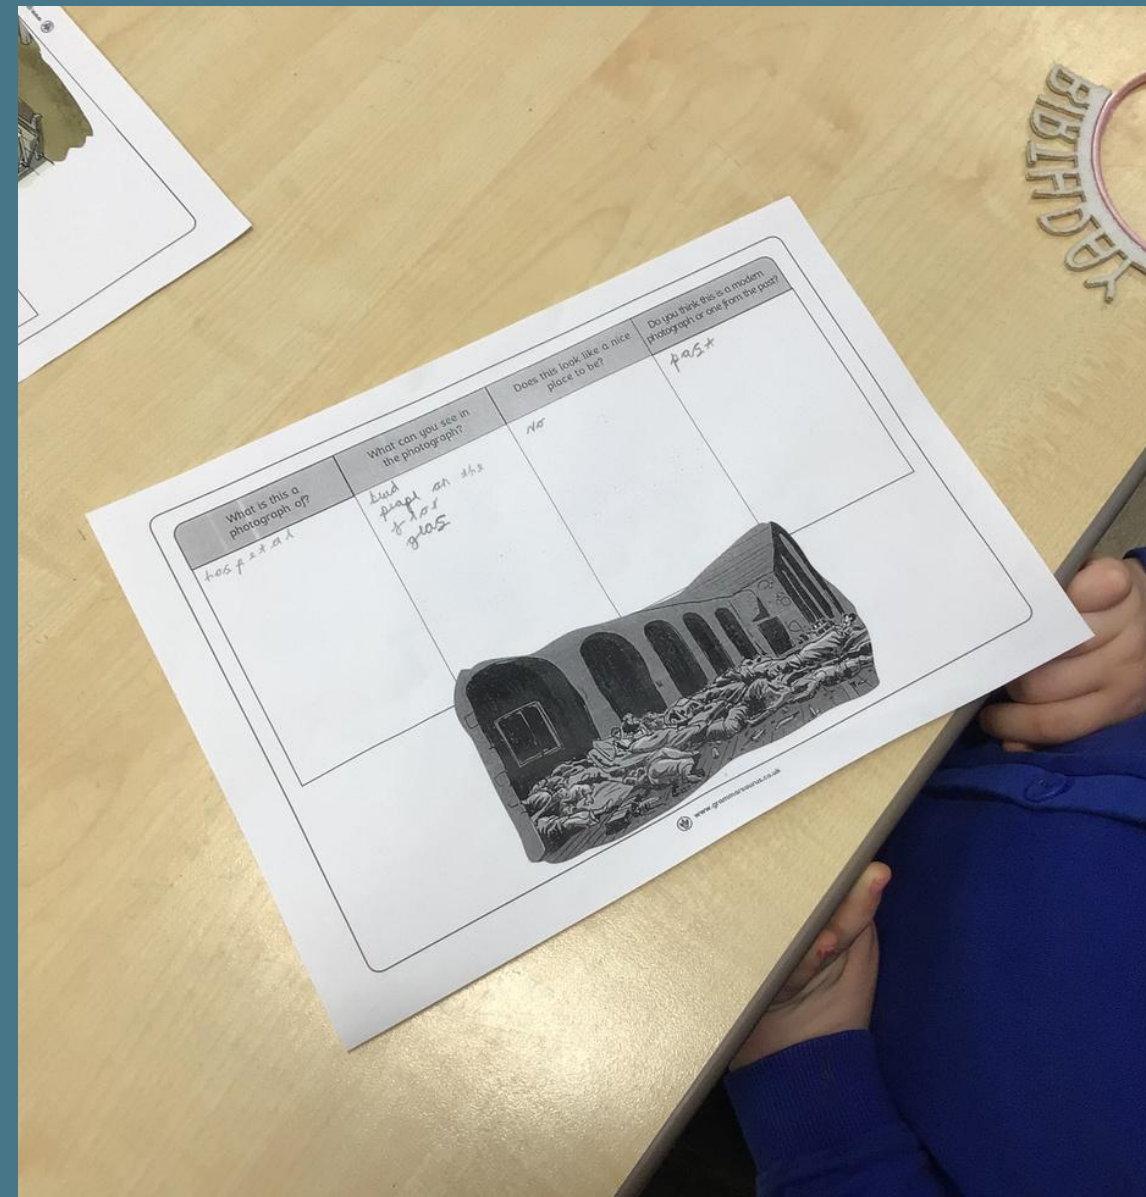

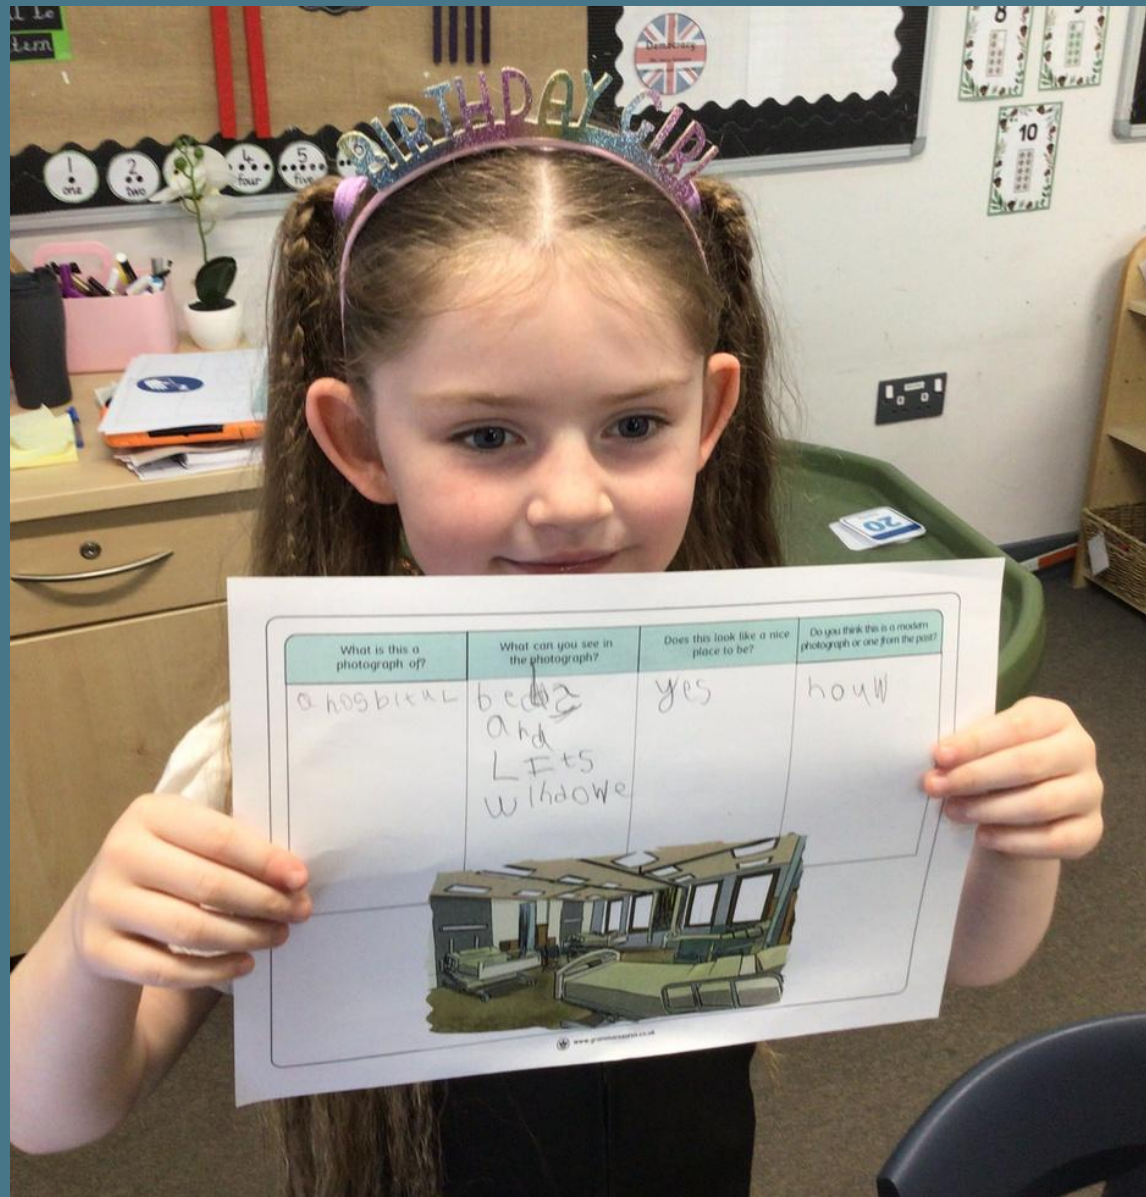

3/3/2

# History - Hospitals and Healthcare

4.3.26

Galileo were introduced to Florence Nightingale and what she did to improve hospitals. They looked at some images of hospitals and had to describe things they could see and decide whether they are hospitals from the past or present.

5/3/2

6

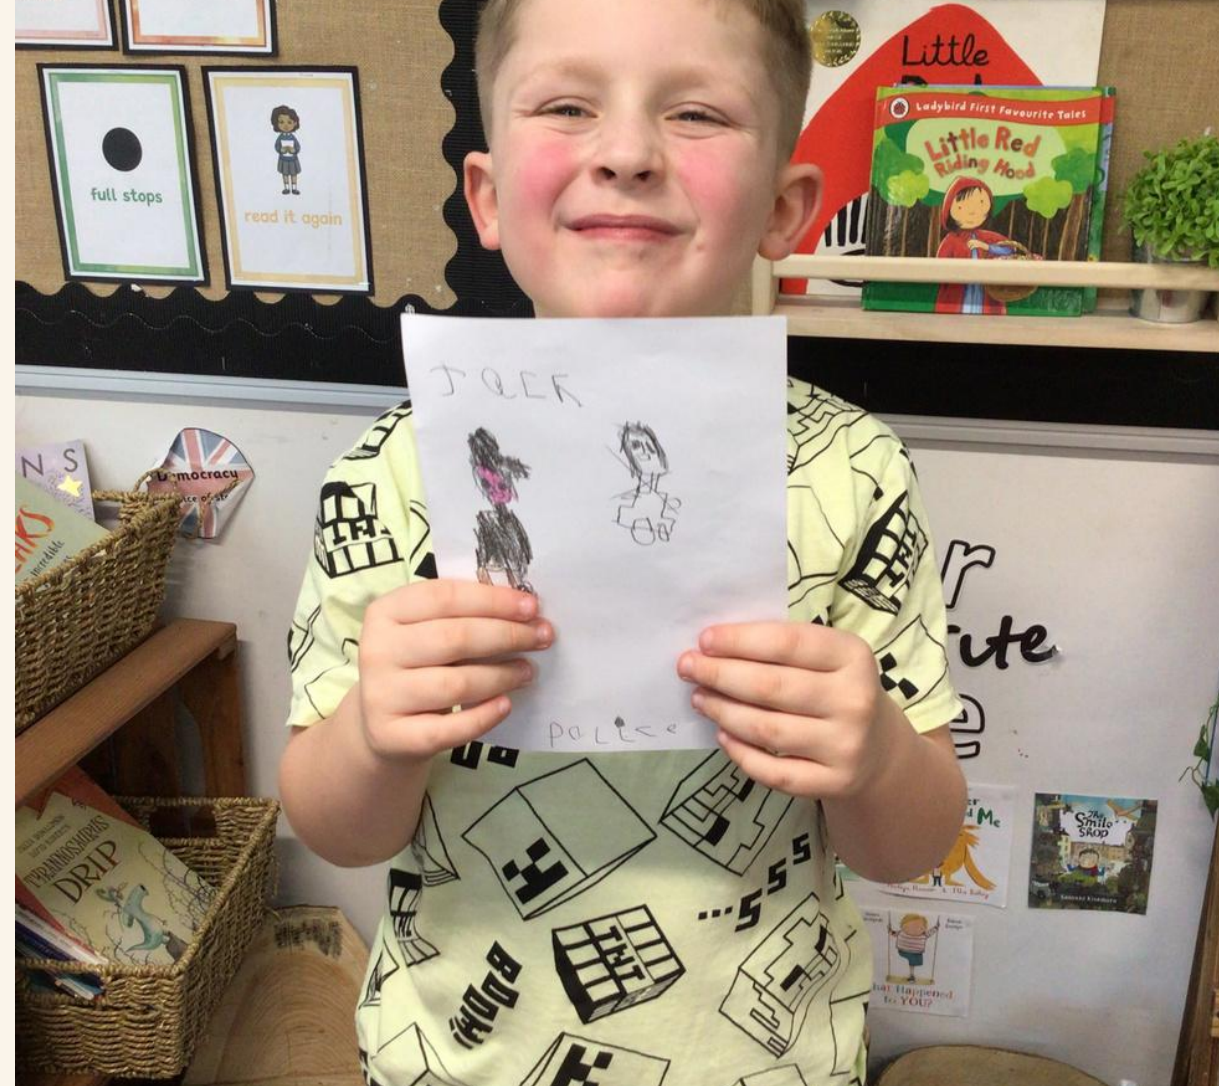

Galileo celebrating World Book Day in their amazing costumes!

# Aspirations Week - Class Assembly

For Aspirations Week,  
we discussed as a class  
what we aspire to be  
when we're older.

5/3/2

# Being Healthy

## Lesson 1

As a class we discussed things that are and aren't healthy and how we can be more healthy everyday with the food we eat, how much exercise we get and how enough sleep is really important. 5/3/26

# Book Swap

Today Galileo had a visit from Year 5 to share and read their favourite books together.

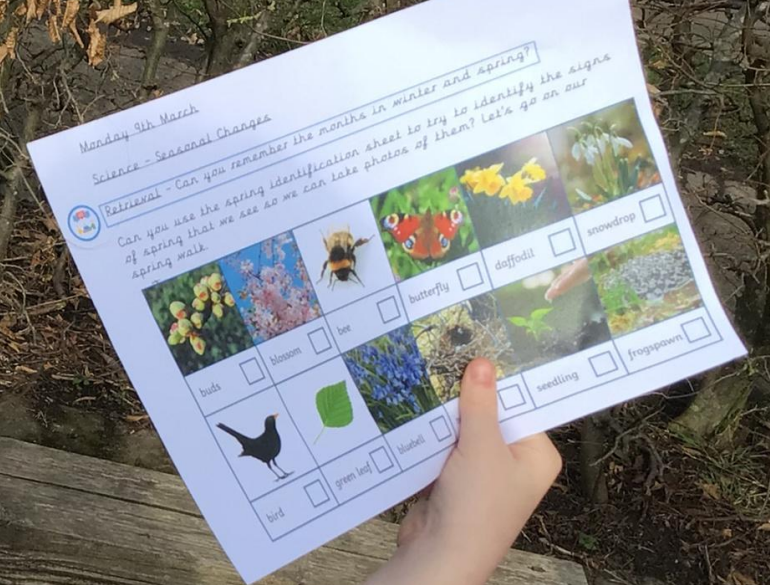

6/3/2

9/3/2  
6

# Science

In Science, we went on a spring walk around the school to

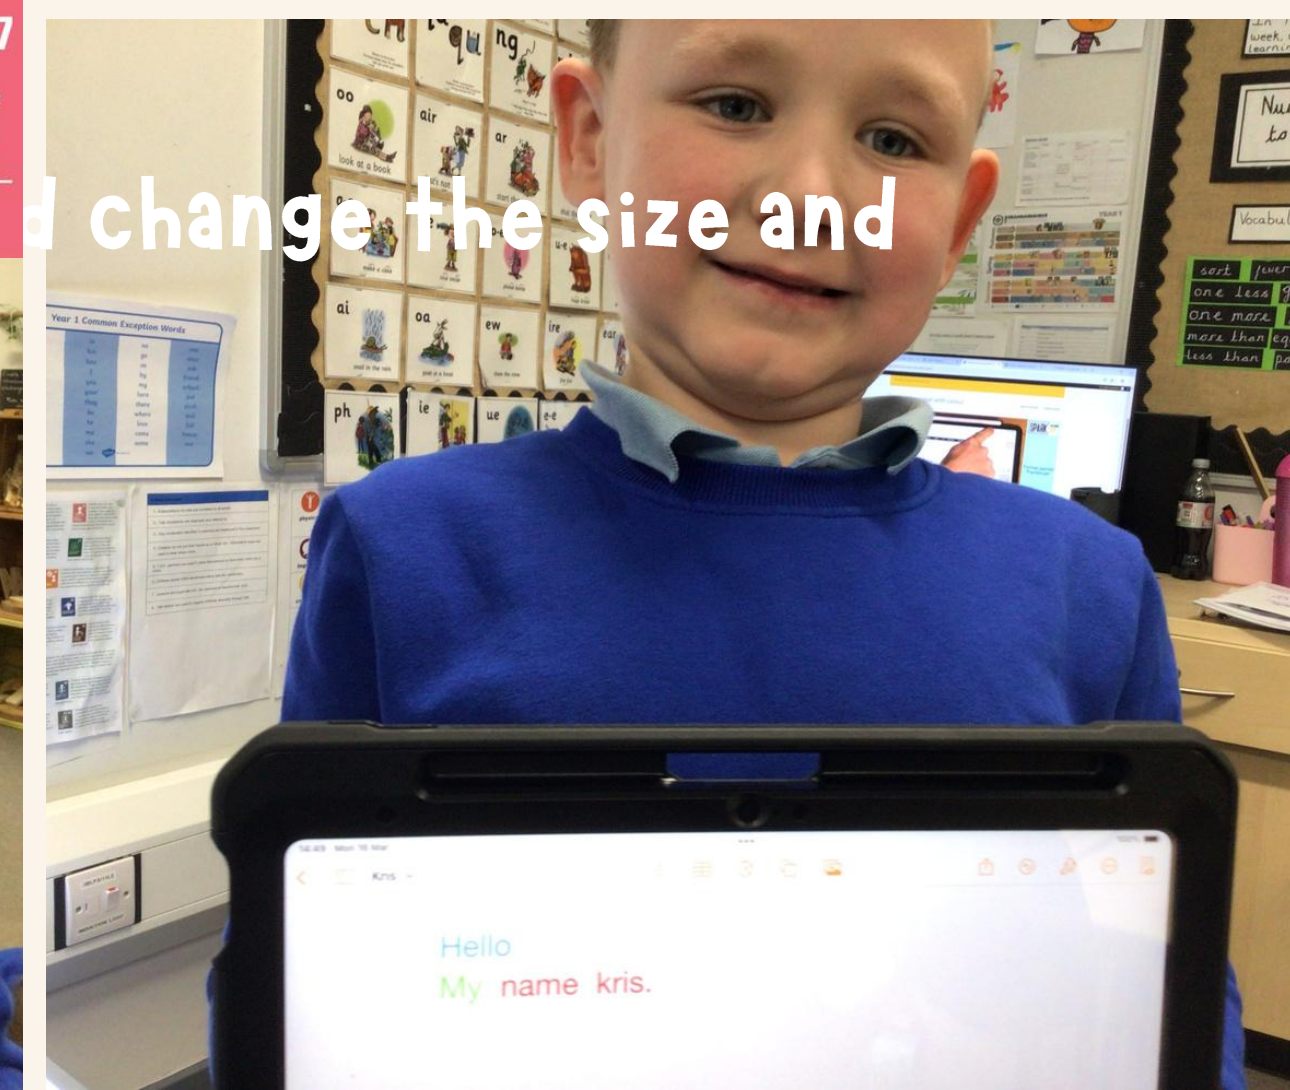

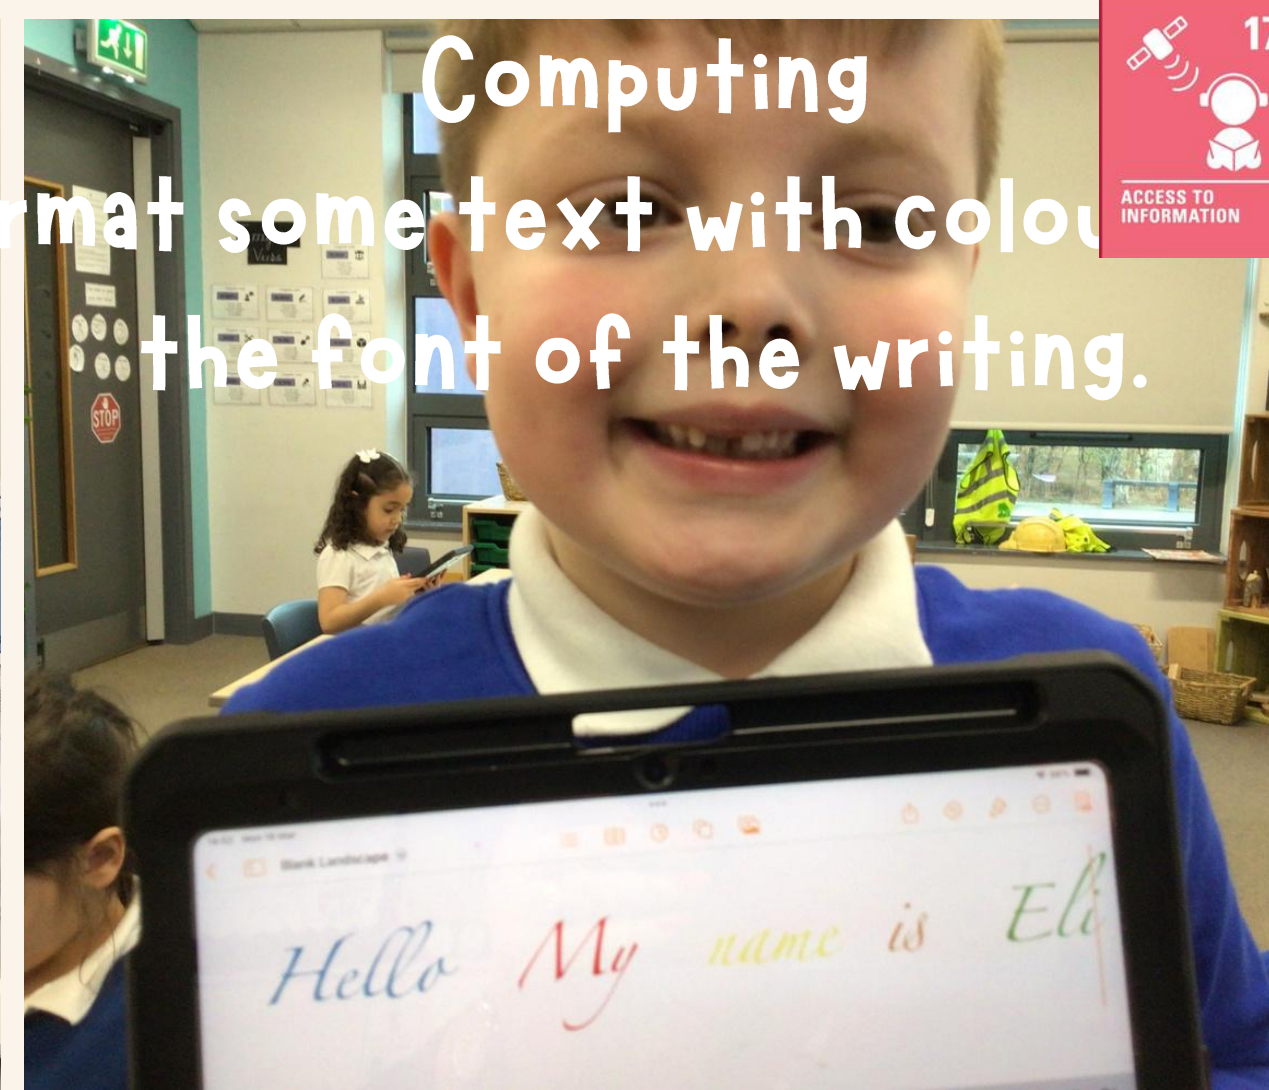

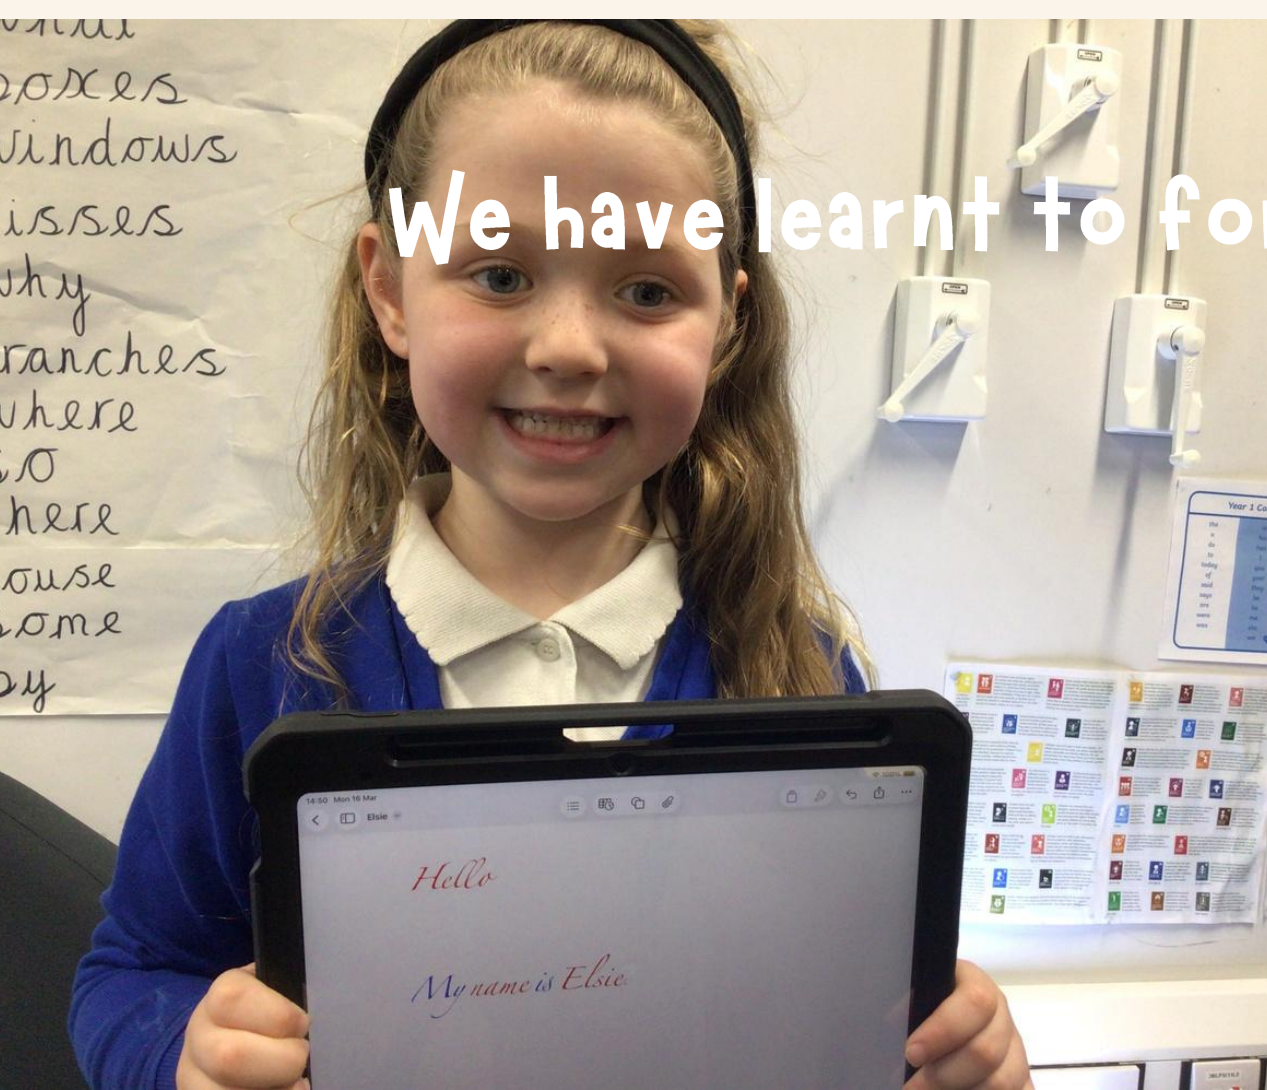

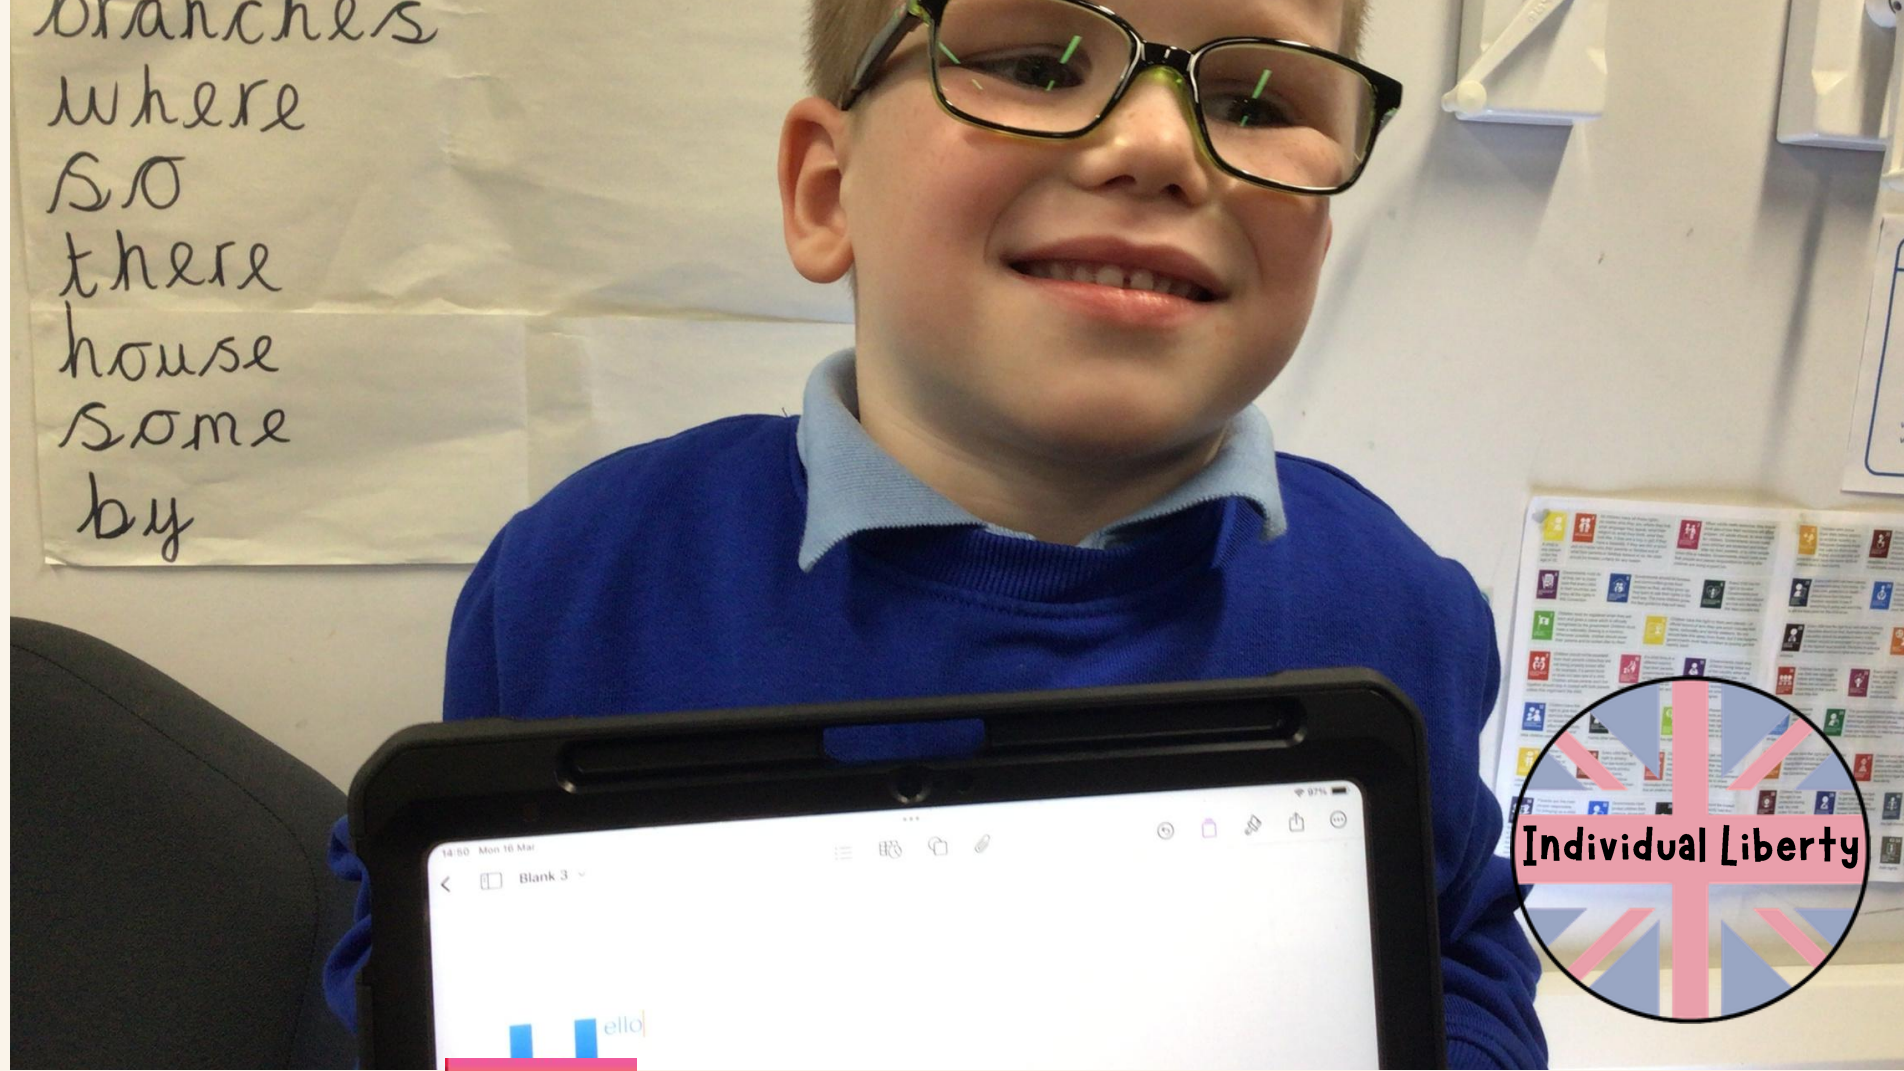

find the things on our list. We have documented our findings in our books.

16/03/202

6

We have learnt to format some text with colour and change the size and the font of the writing.

Computing

# Aspirations Day

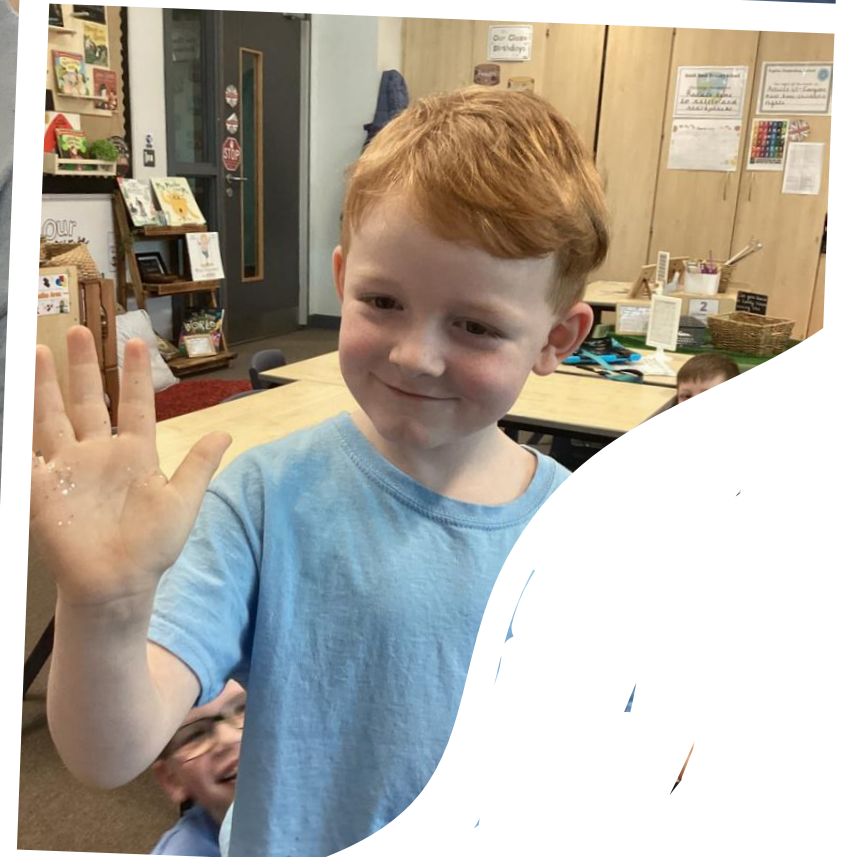

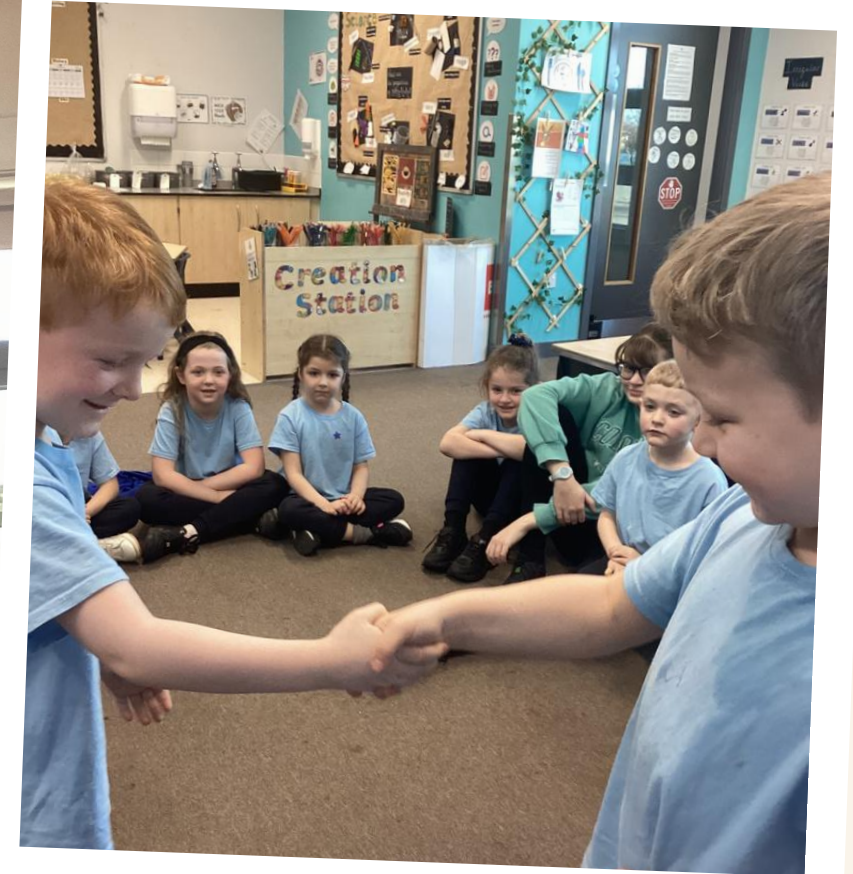

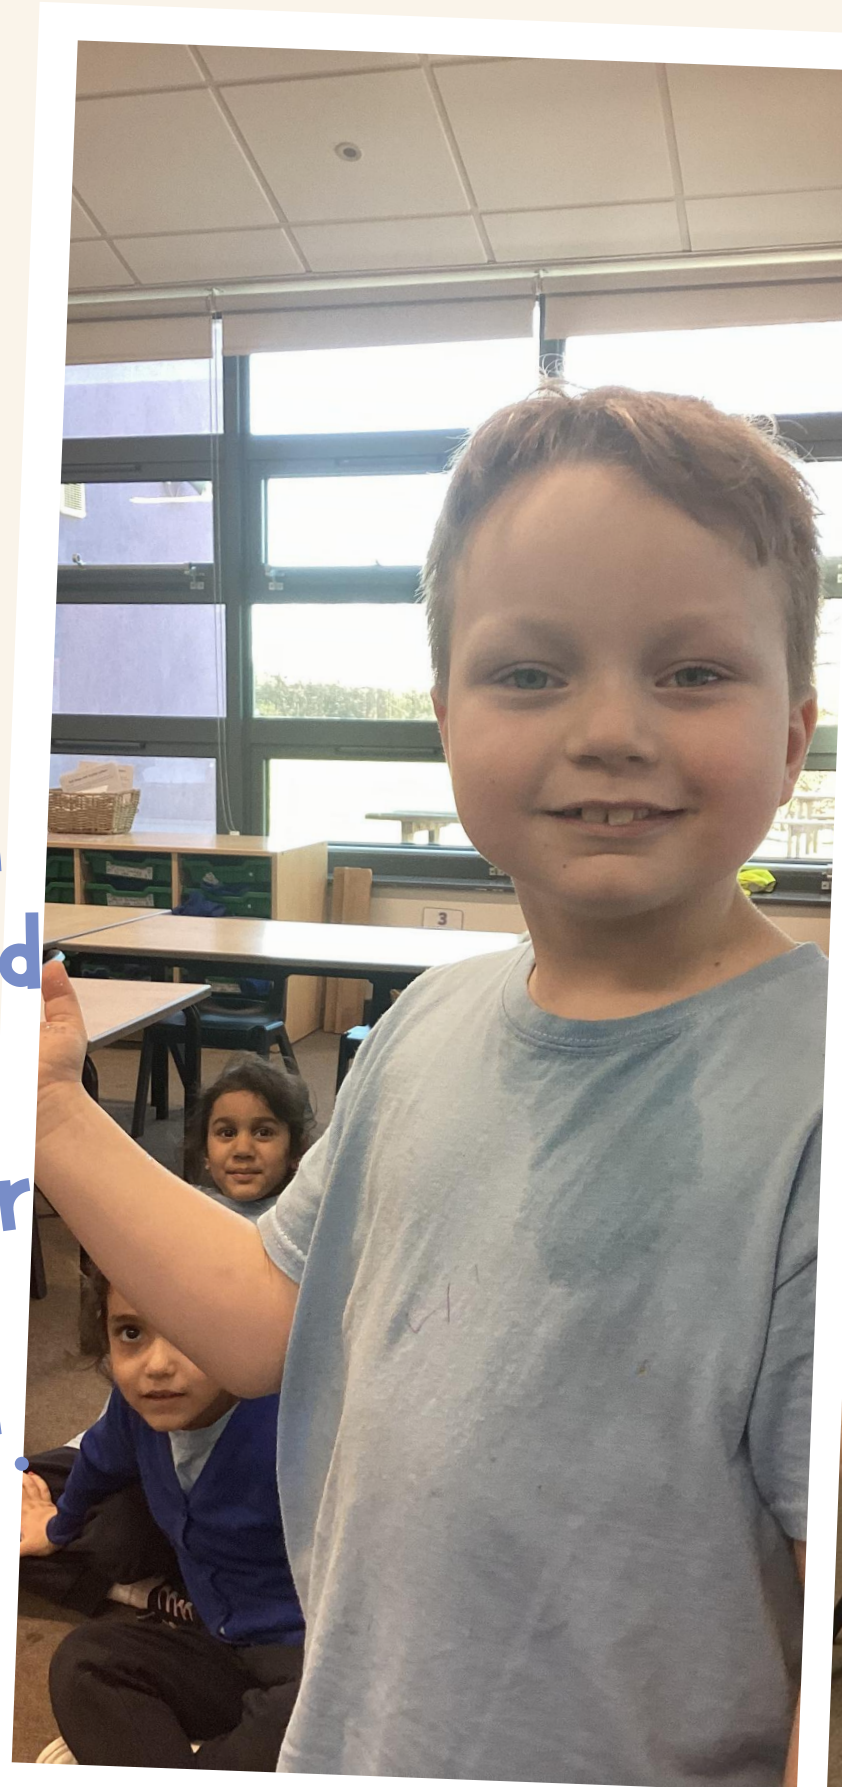

The children all dressed up as what they aspire to be when they're older!

# PSHE - Being Healthy

In today's lesson, we discussed how everyone's hands are filled with bacteria and viruses that we cannot see. We placed glitter on a child's hand to represent bacteria, and asked him to shake another child's hand, to show how easy it is to spread germs from one person another.

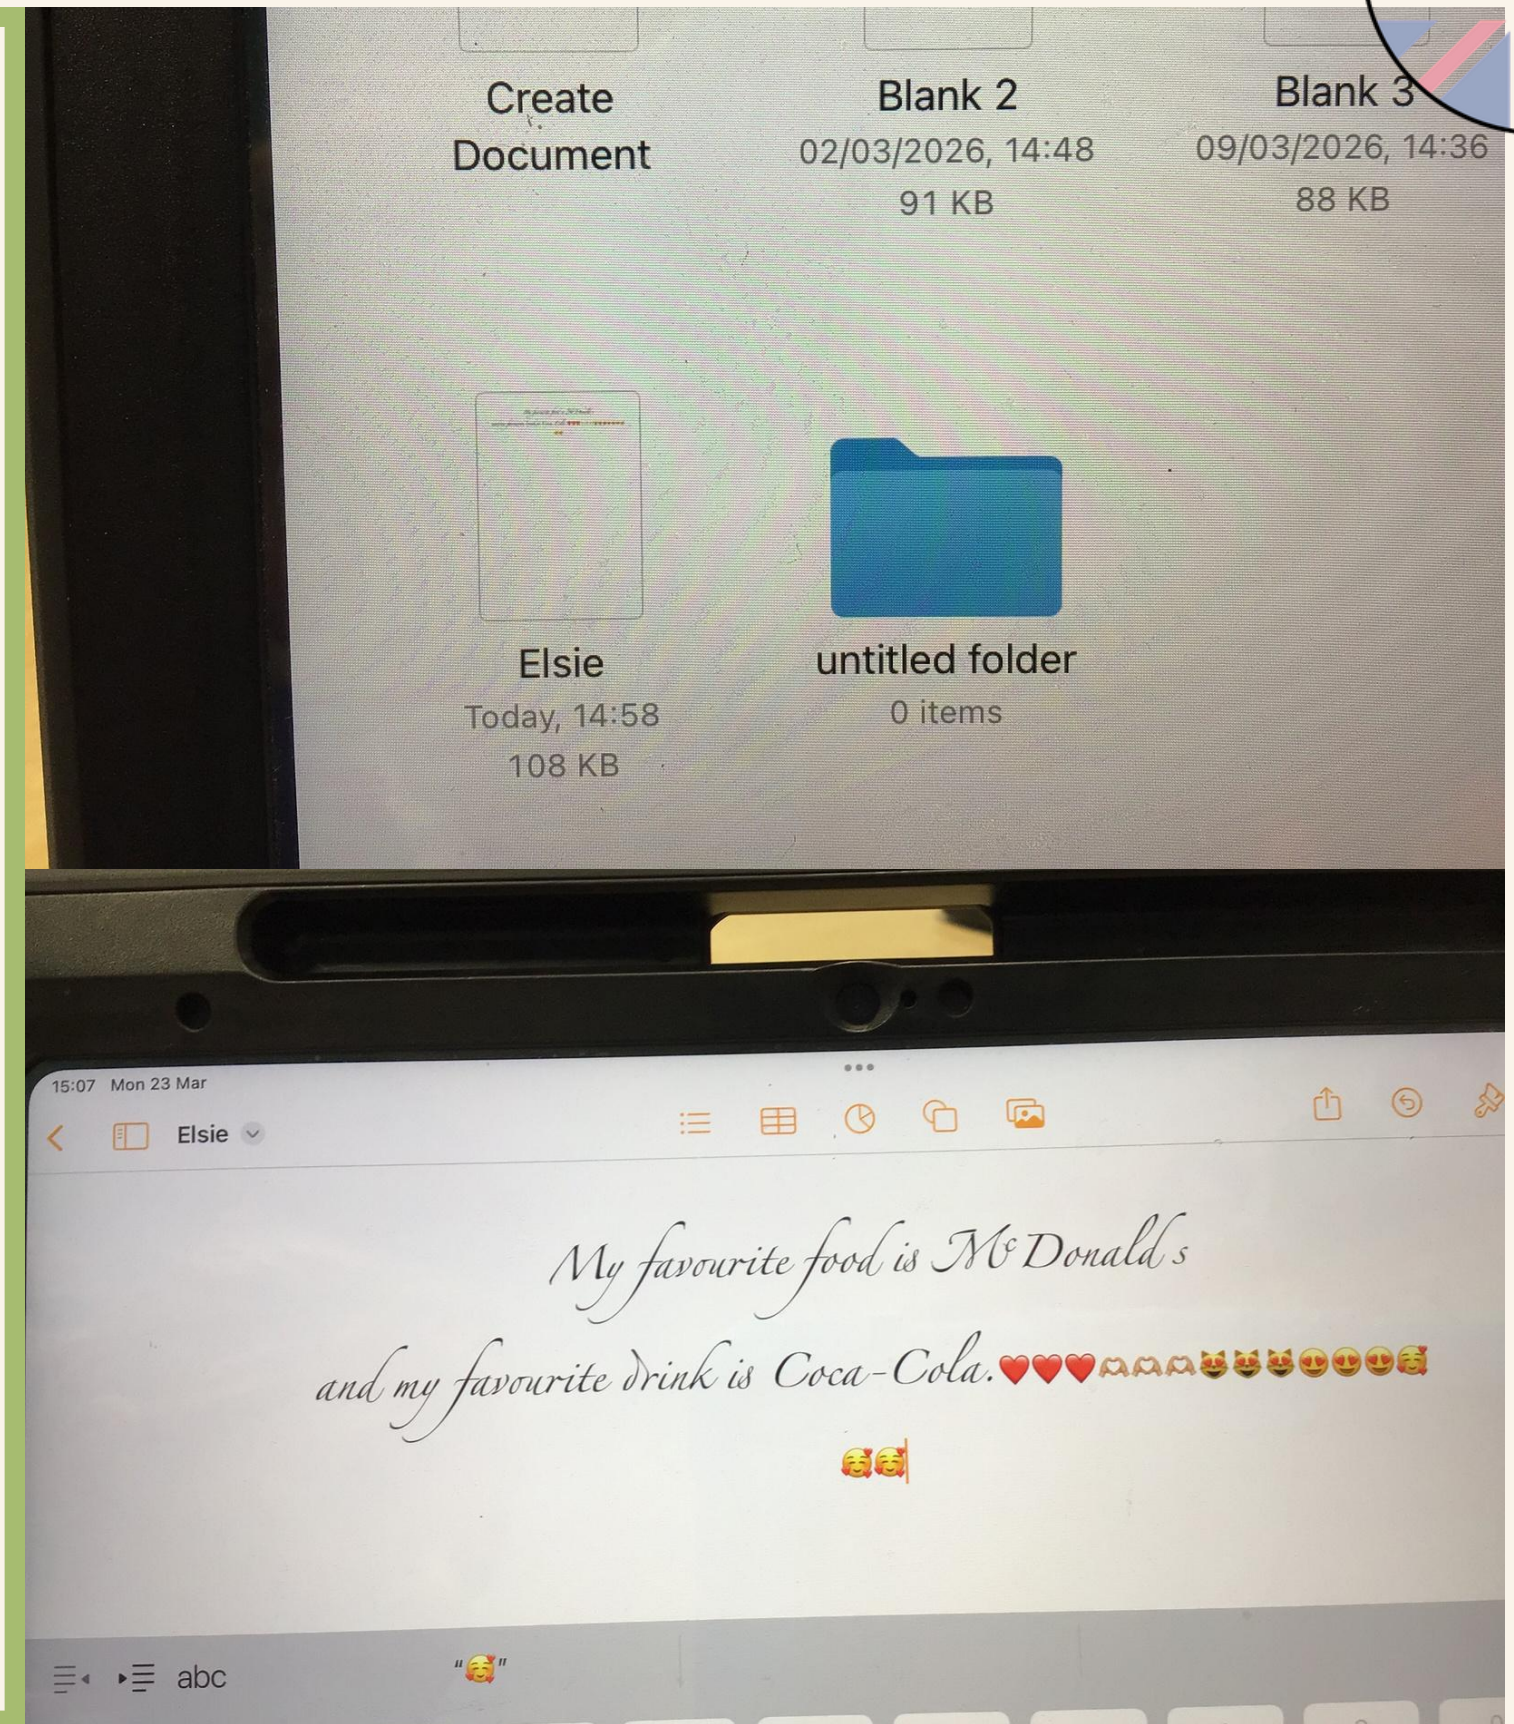

24.3.26

# Computing

## Pages – Rename a document

Today following on from other lessons the children were asked to write down their favourite food and drink then rename this document with their names.

# Jigsaw - Being Healthy

Today, we worked together and talked about things that are always healthy, sometimes healthy or never healthy for our bodies.
