

Teamwork

We worked as a team to develop our growth mindset by sorting statements into if we thought it was fixed or growth mindset

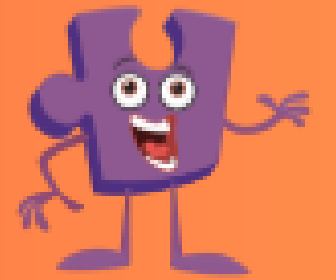

Maths
year 1

weight - practical lesson exploring heavier and full/empty

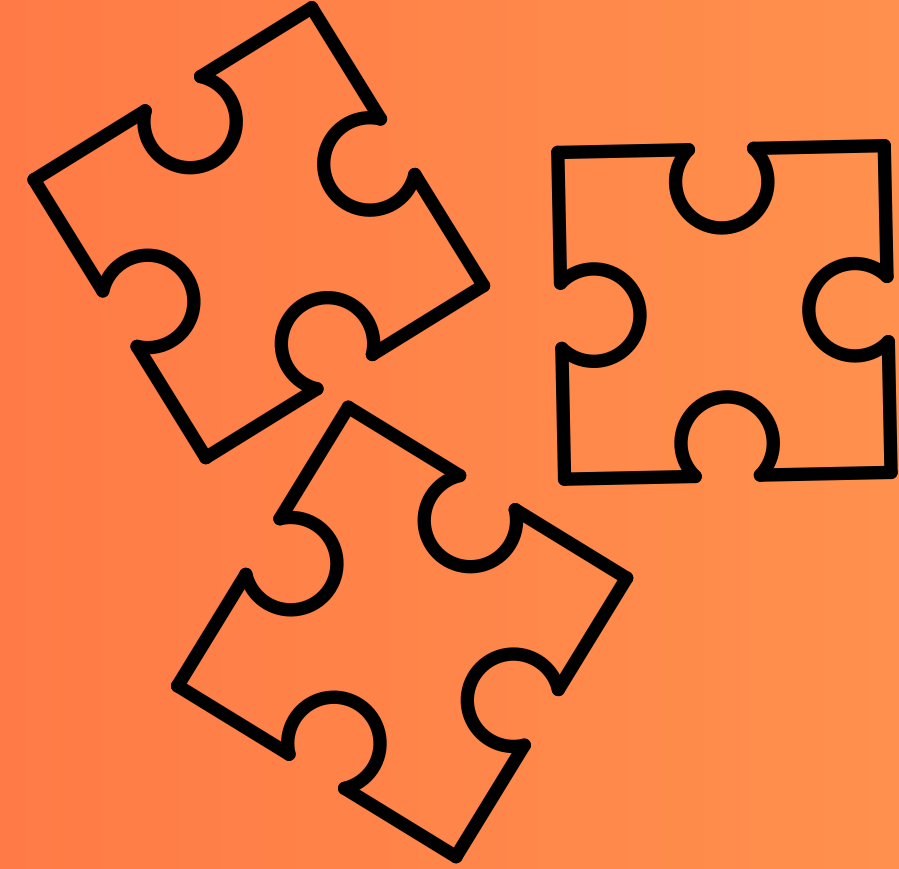

Relationships

There are lots of different jobs and responsibilities in the home, and we've been talking about how these can be done by anyone.

Personal Development - Teamwork

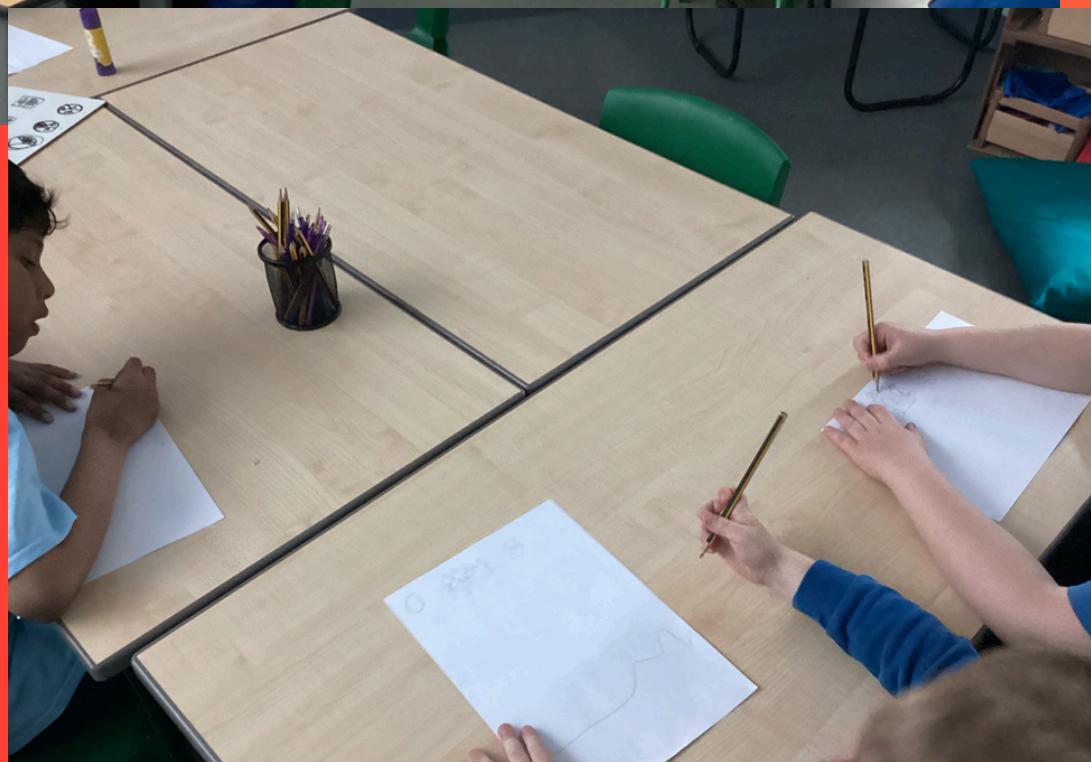

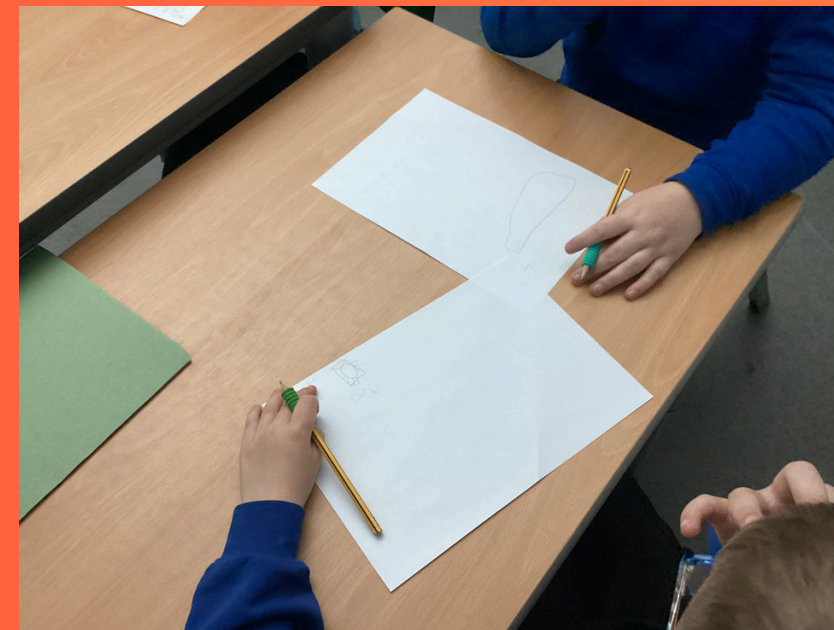

As part of the personal development curriculum, the children worked in pairs to complete jigsaw puzzles. When things became challenging, they demonstrated resilience and a growth mindset, encouraging one another and continuing to work together to find solutions. This supported the development of teamwork, perseverance, and positive learning attitudes.

RE - How do Jews and Christians believe the world was created?

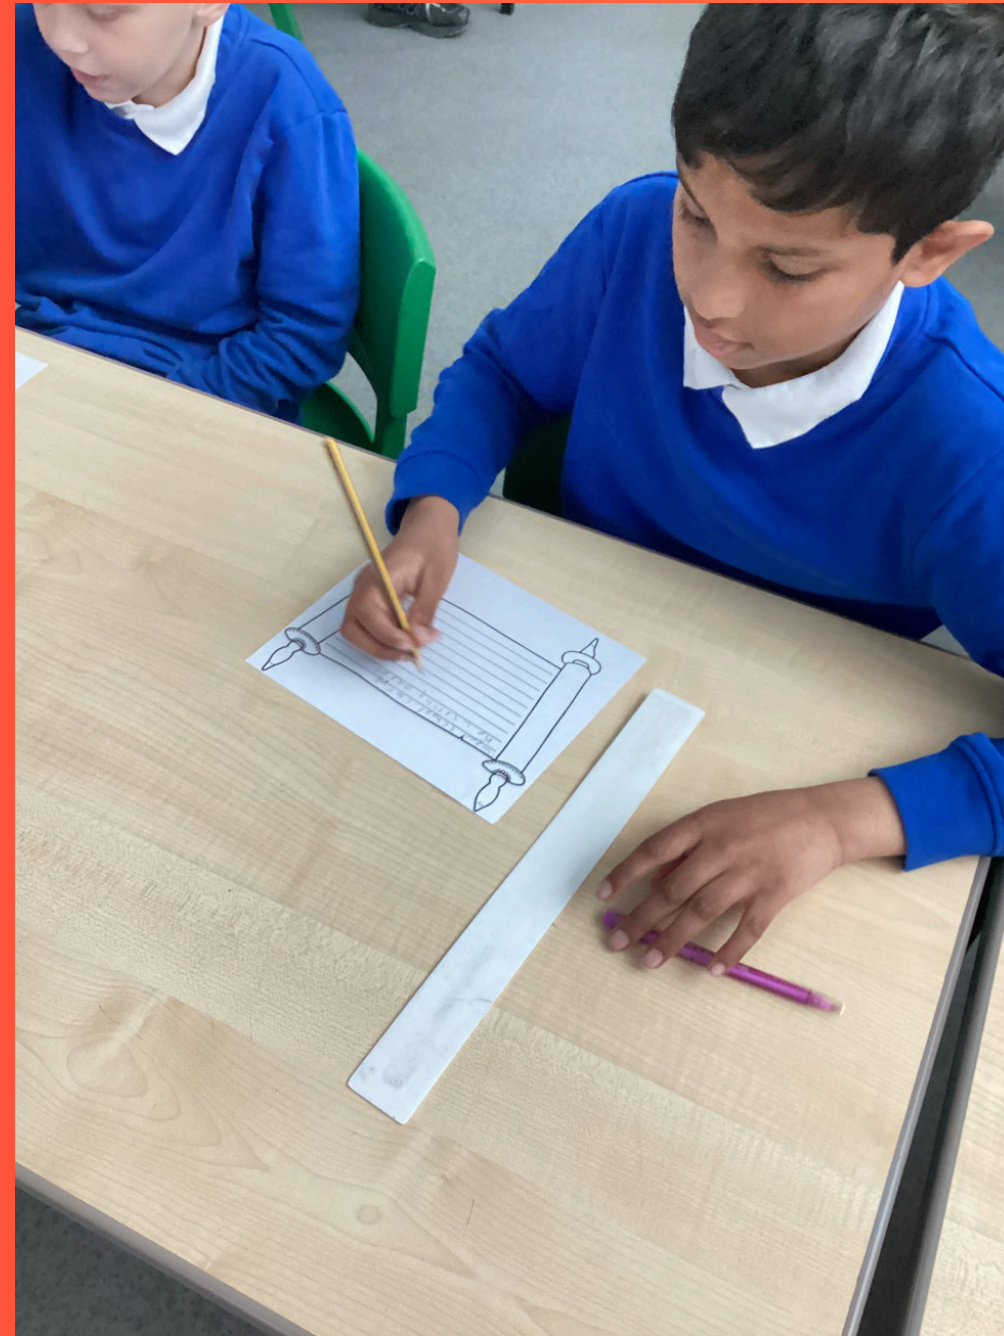

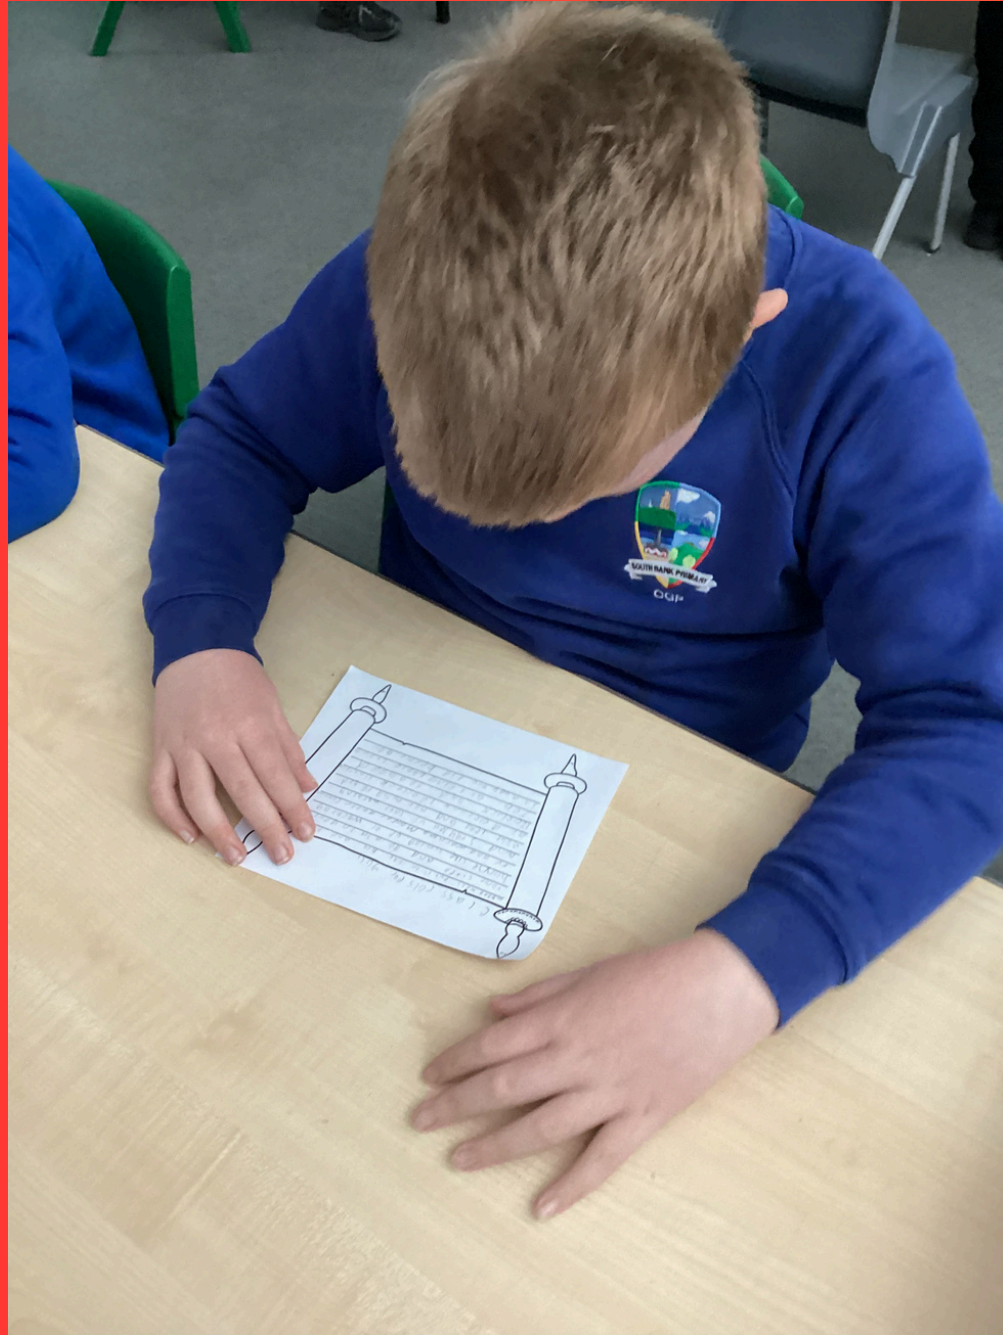

We read the Creation story in Genesis 1.

We then spoke about this story and created our own storyboards!

RE - How do Jews and Christians believe the world was created?

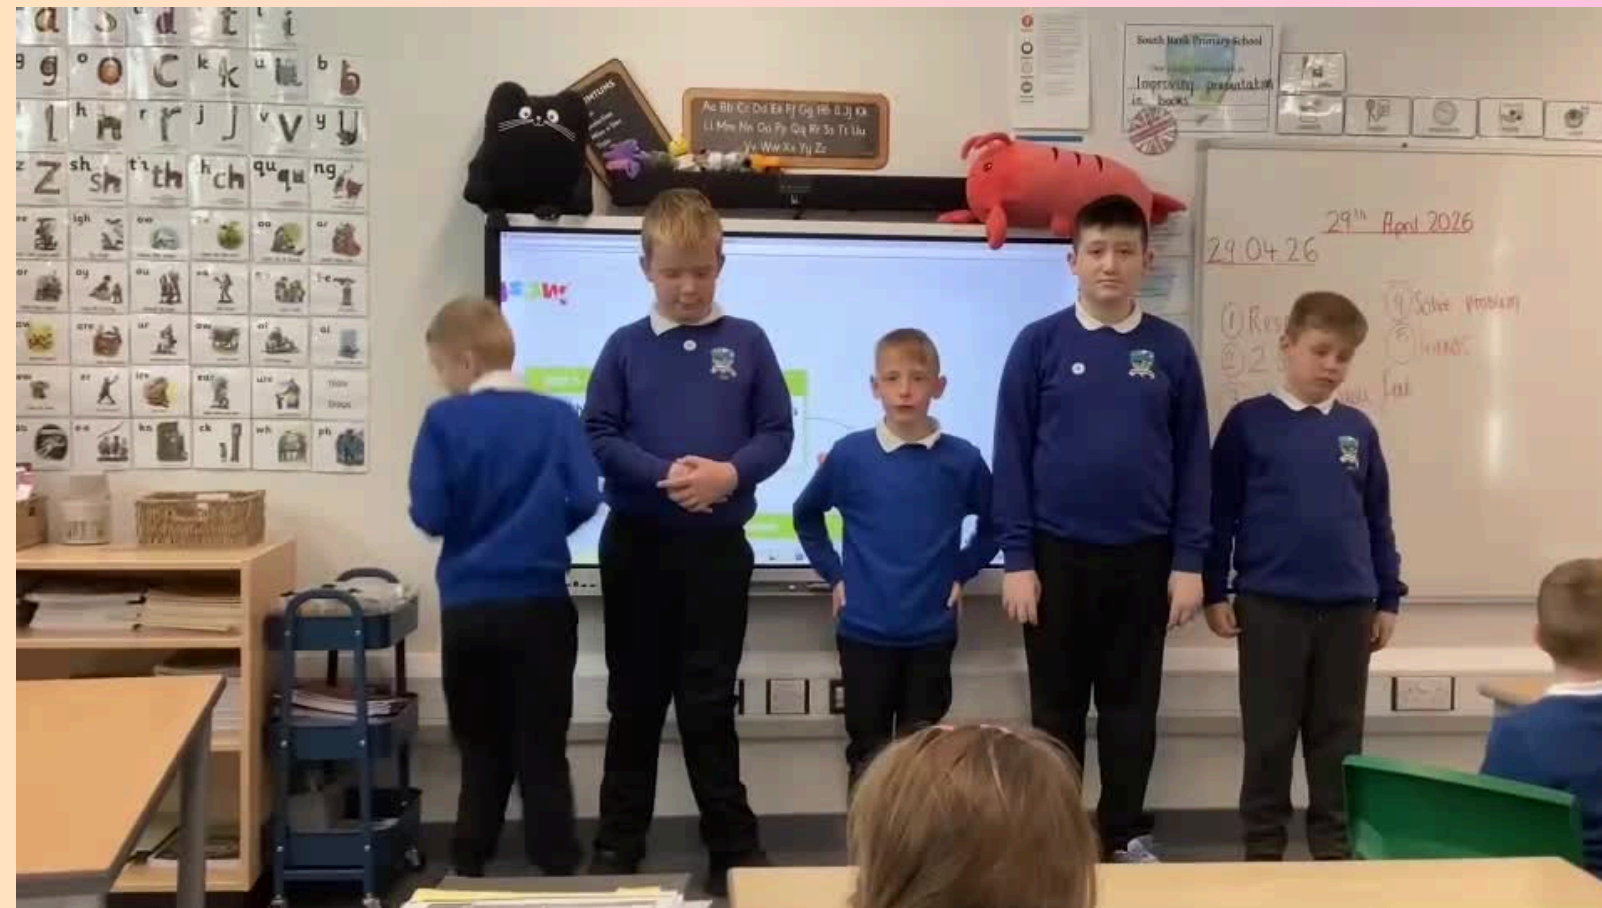

We learnt about the Jewish holy book. It is called the Toah

Relationships

We gave the children the opportunity to work through a friendship conflict scenario, using either the “Solve it Together” technique or the “Mending Friendships” resource sheet. This activity helped them practise listening, sharing their feelings, and finding solutions collaboratively, supporting the development of positive relationships and conflict-resolution skills.

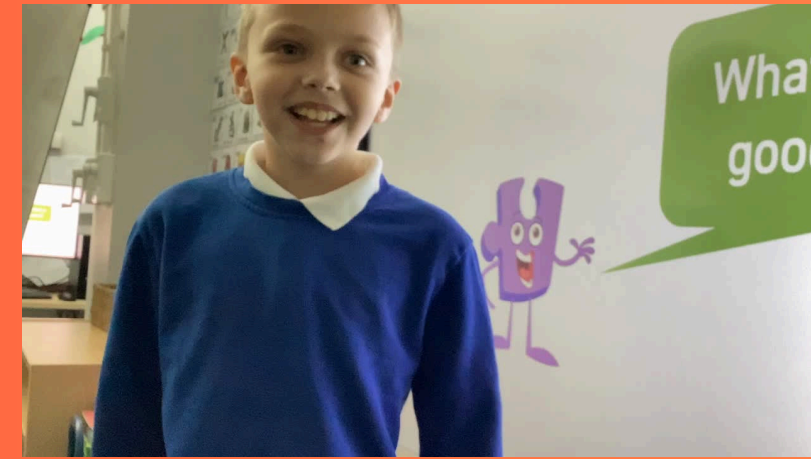

DT -Food and Nutrition

As part of our DT topic we tried a range of different fruits and vegetables.

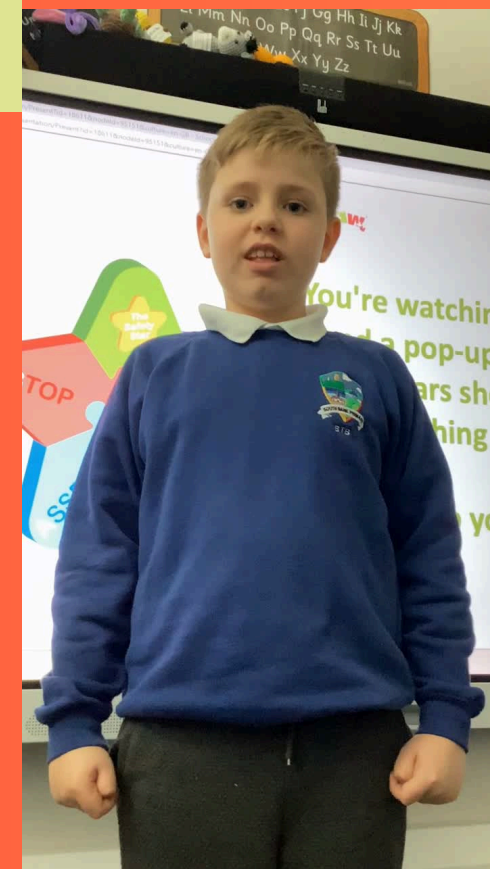

S+C

We challenged ourselves to try new foods that we weren't sure about!

We discussed being safe online and if we trusted apps.

S+C

Some of us looked at how to make apps more child safe!

We guessed age limits on apps!
