

Summer 2

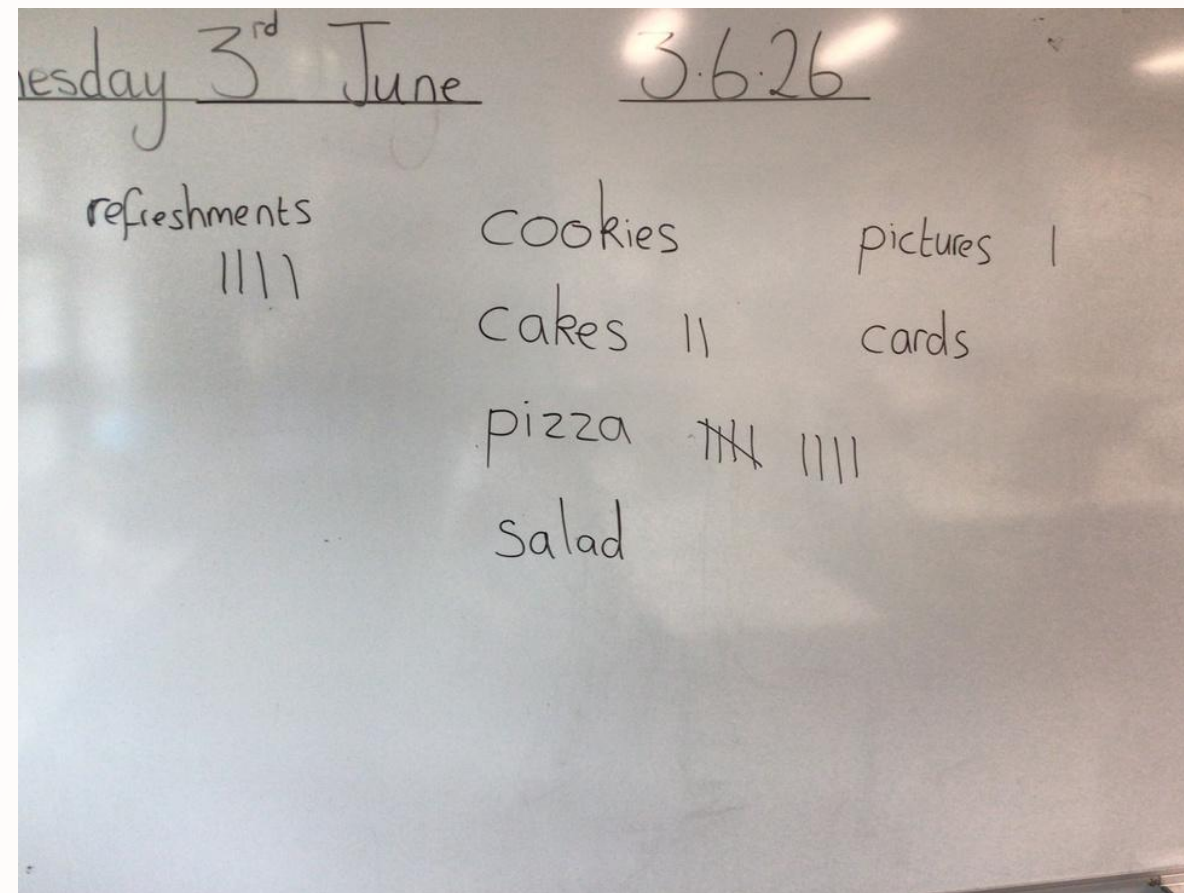

PE Rackets, bats and balls

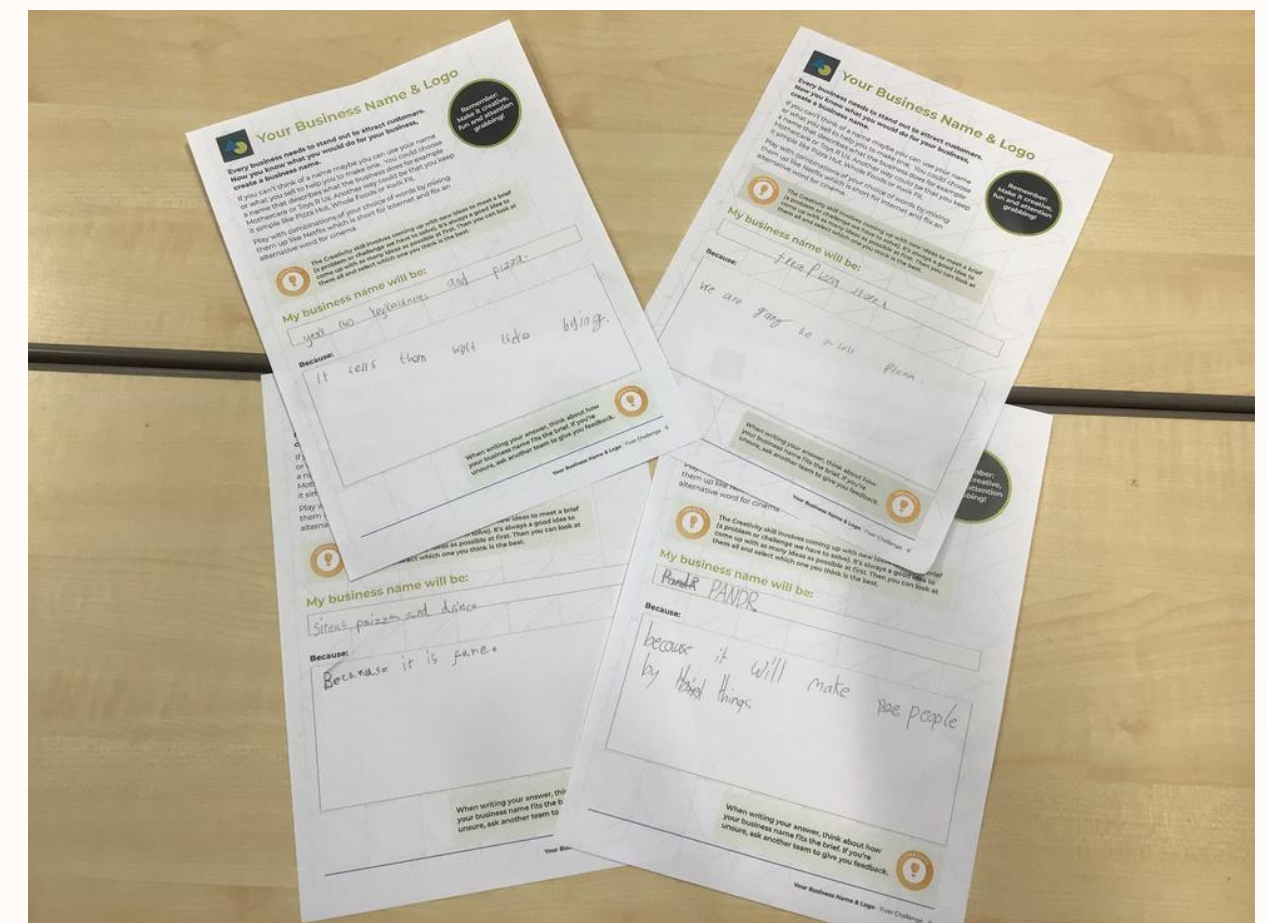

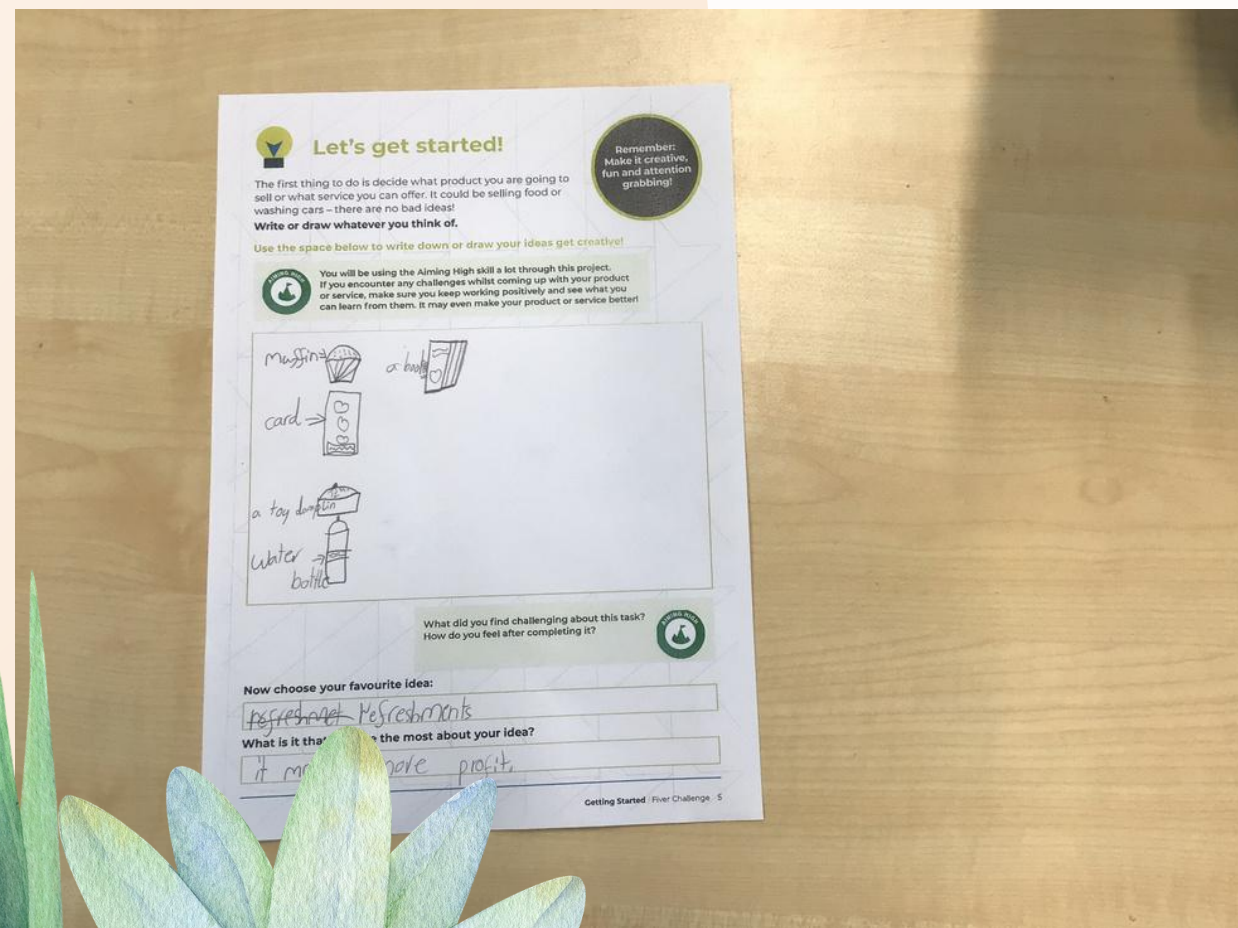

We have been working on our accuracy with balls using rackets.

Enterprise = Week 1

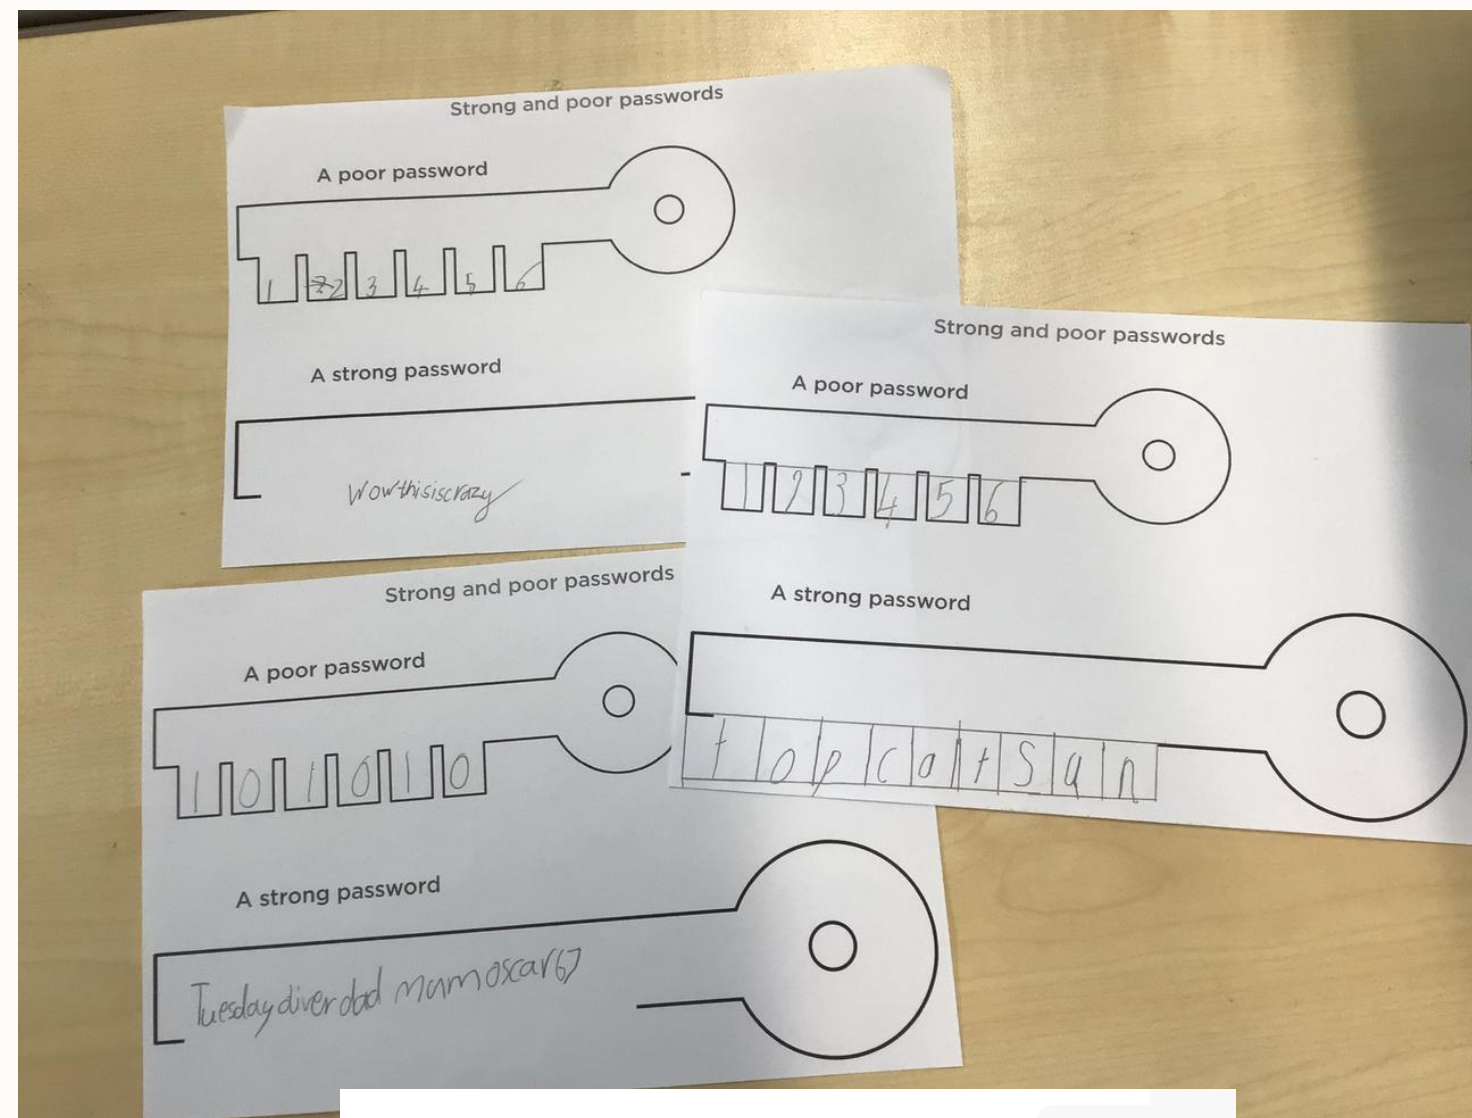

The children thought about what product or service they want to provide to make the most profit. We used a democratic vote to chose the best idea and thought about a business name.

Computing - E Safety

The children looked at the importance of passwords and keeping them safe. We looked at weak passwords and strong password before the children designed their own.

Passwords are key(s)!

I can explain how passwords can be used to protect information, accounts and devices.

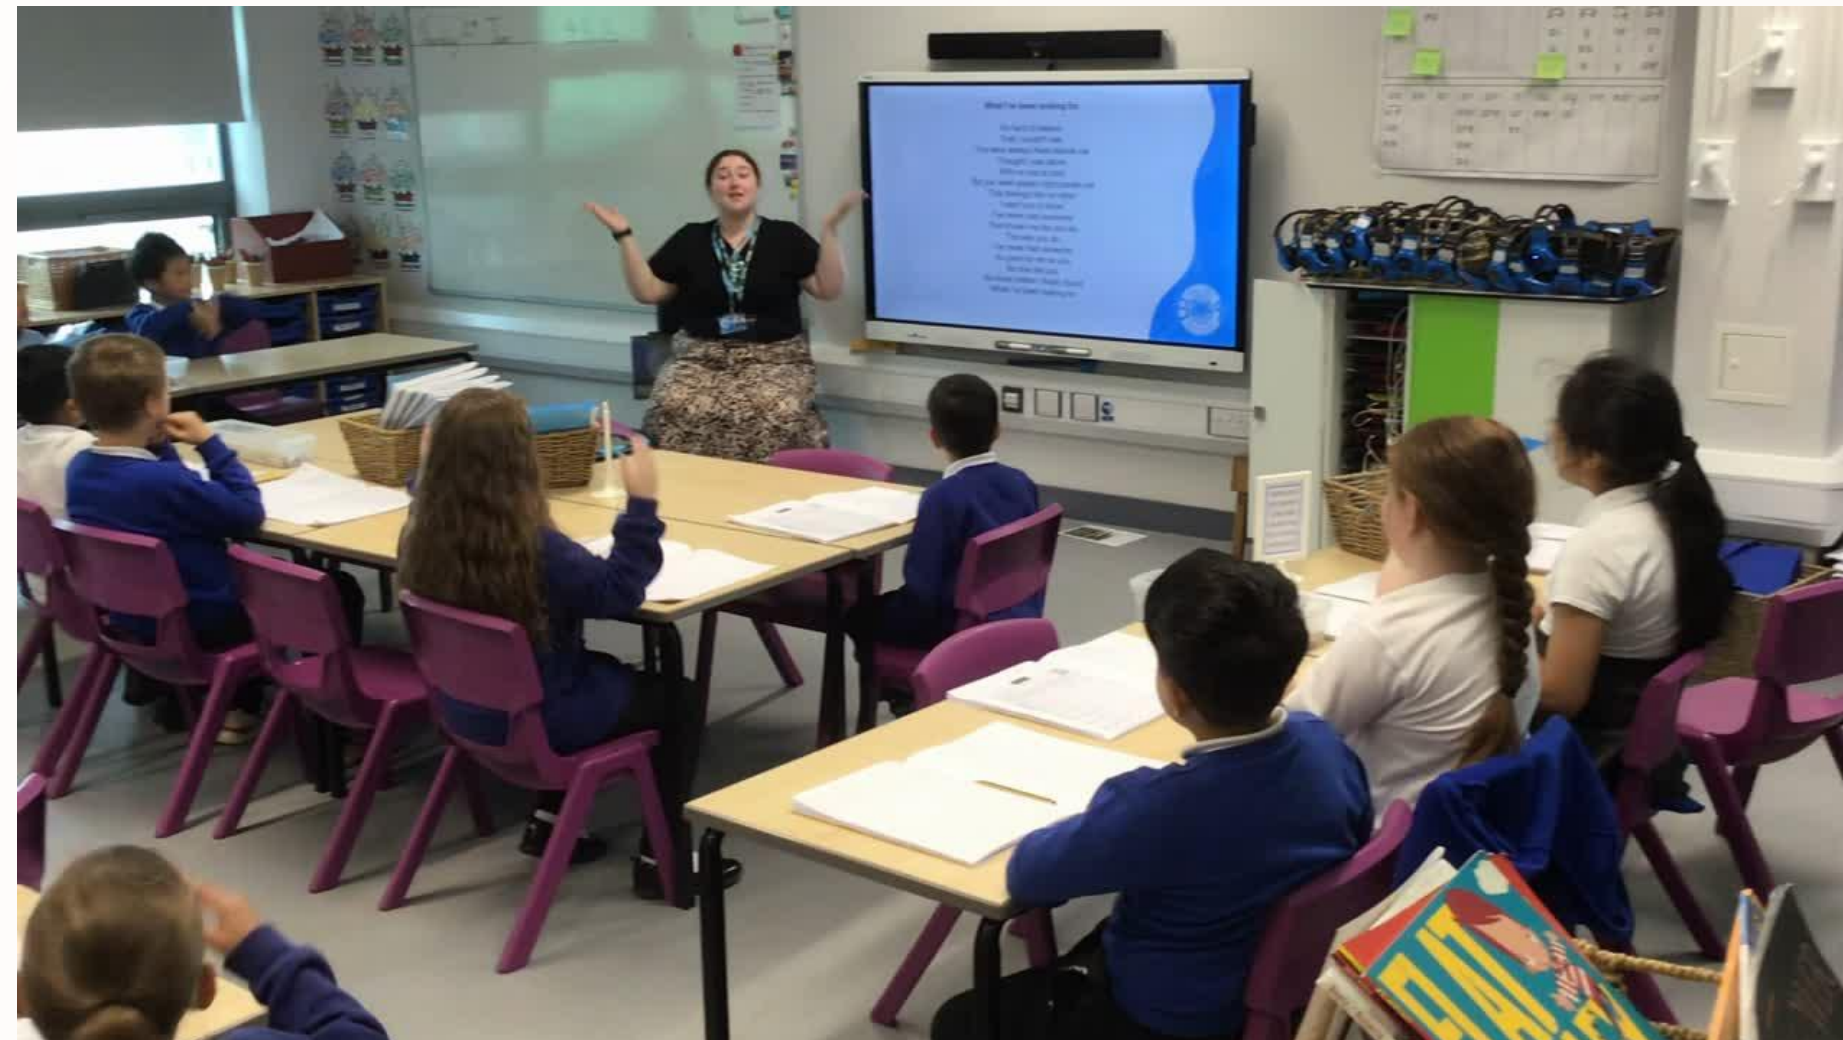

Music 4/6/26

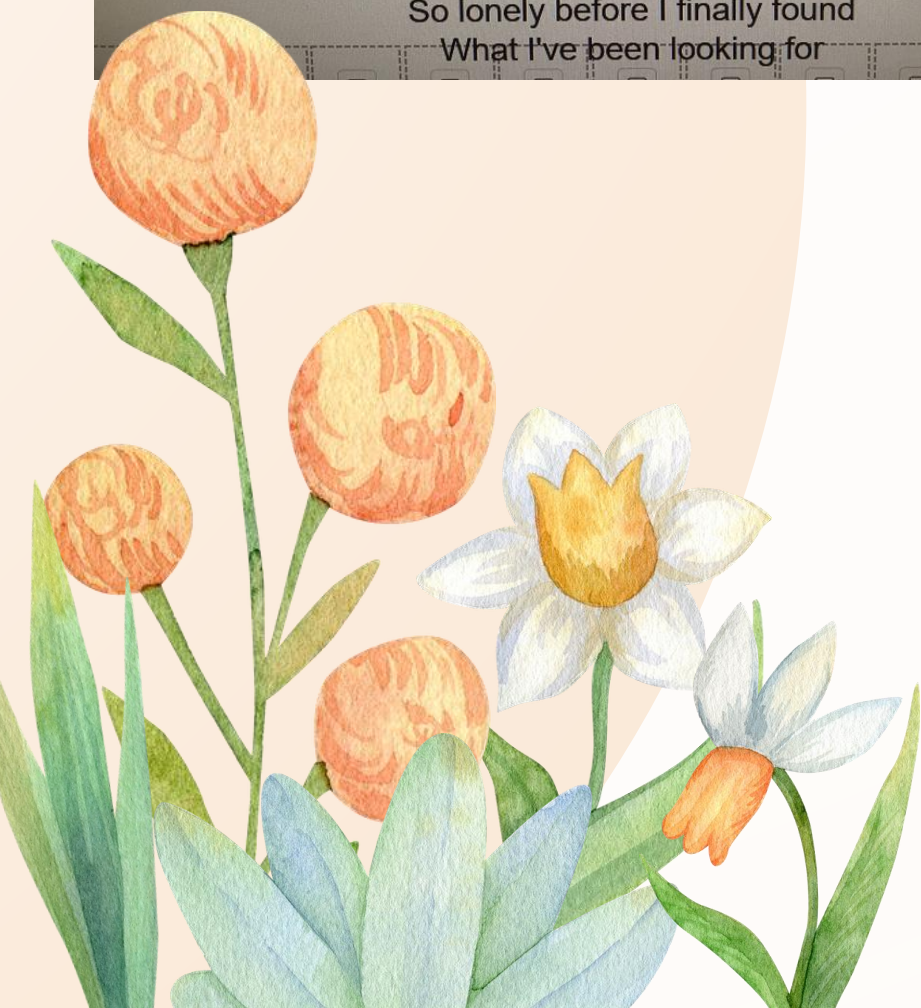

What I've been looking for

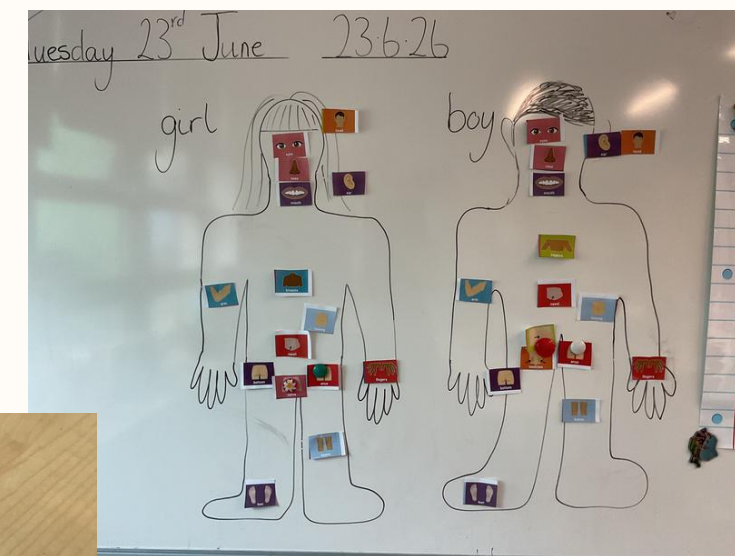

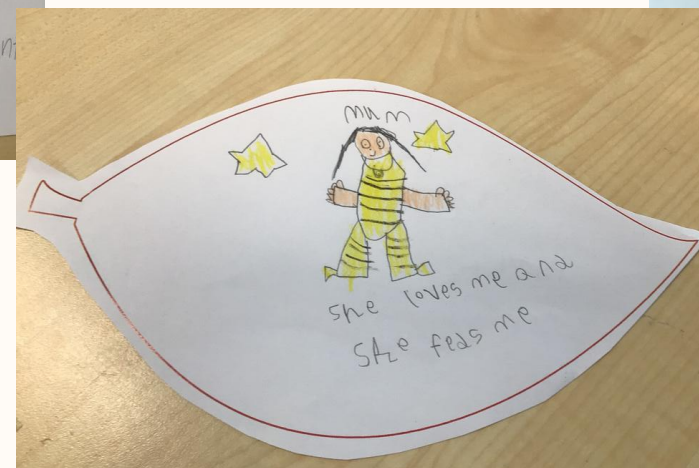

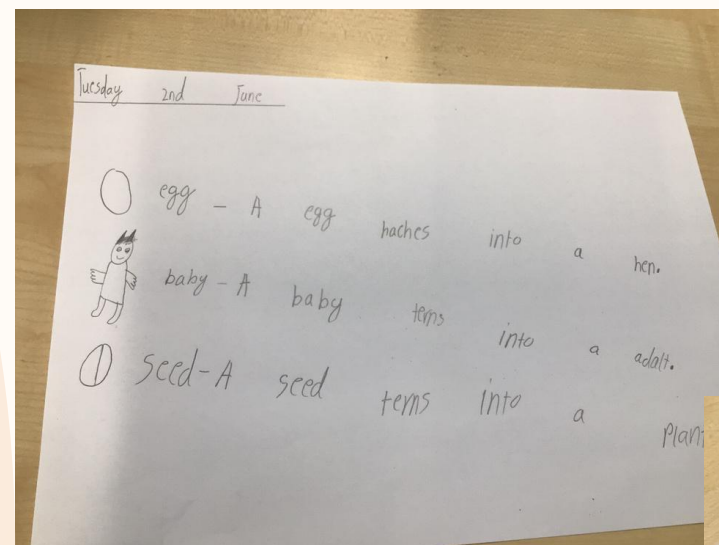

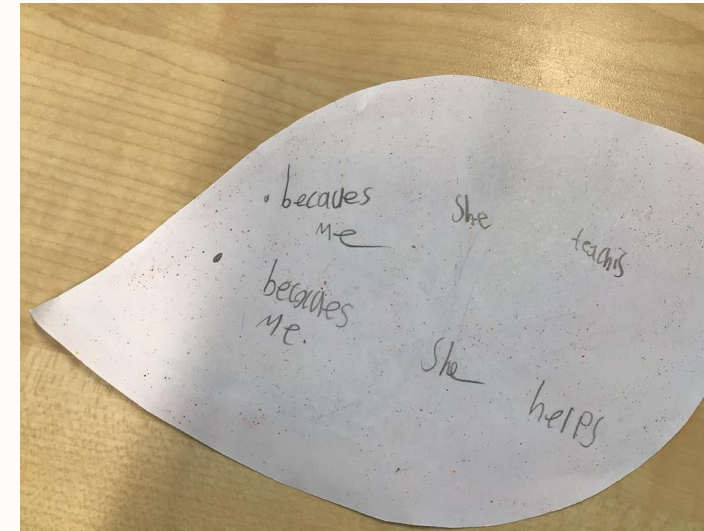

It's hard to believe
That I couldn't see
You were always there beside me
Thought I was alone
With no one to hold
But you were always right beside me
This feeling's like no other
I want you to know
I've never had someone
That knows me like you do
The way you do
I've never had someone
As good for me as you
No one like you
So lonely before I finally found
What I've been looking for

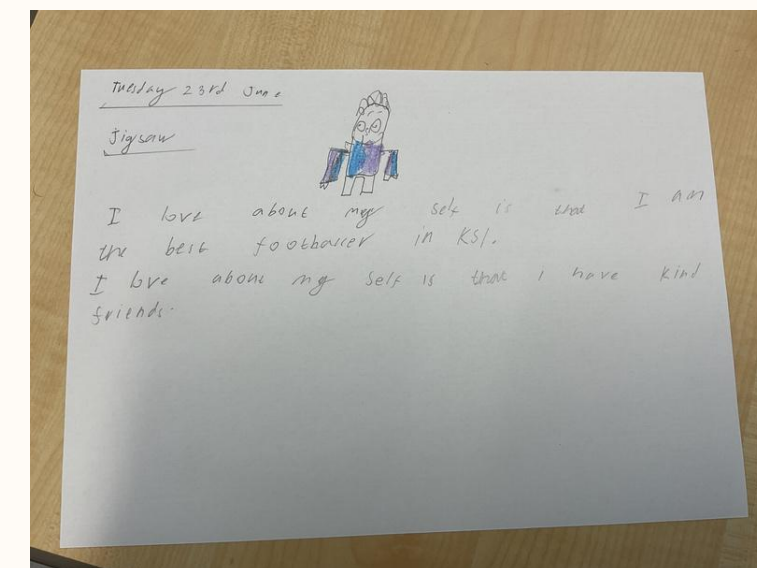

The children are learning a new song this week that we are going to perform to an audience at the end of term. We added actions.

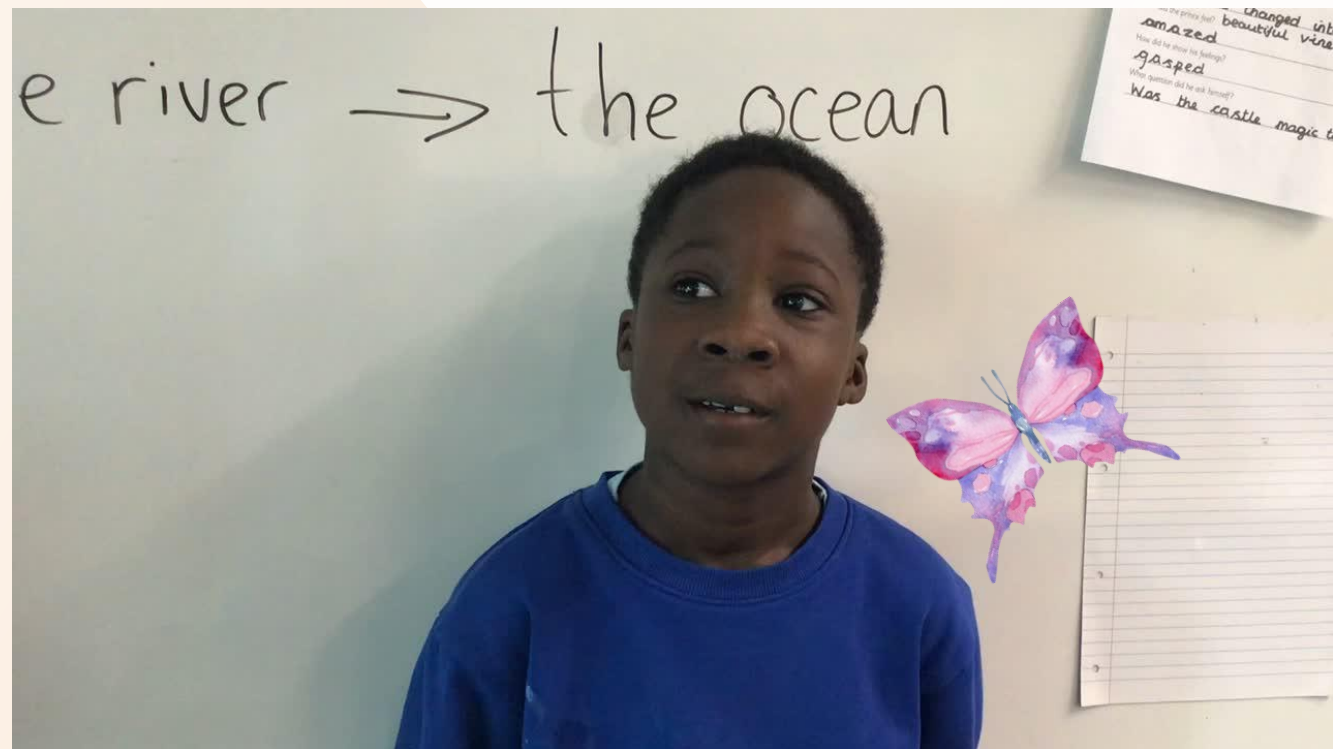

Jigsaw

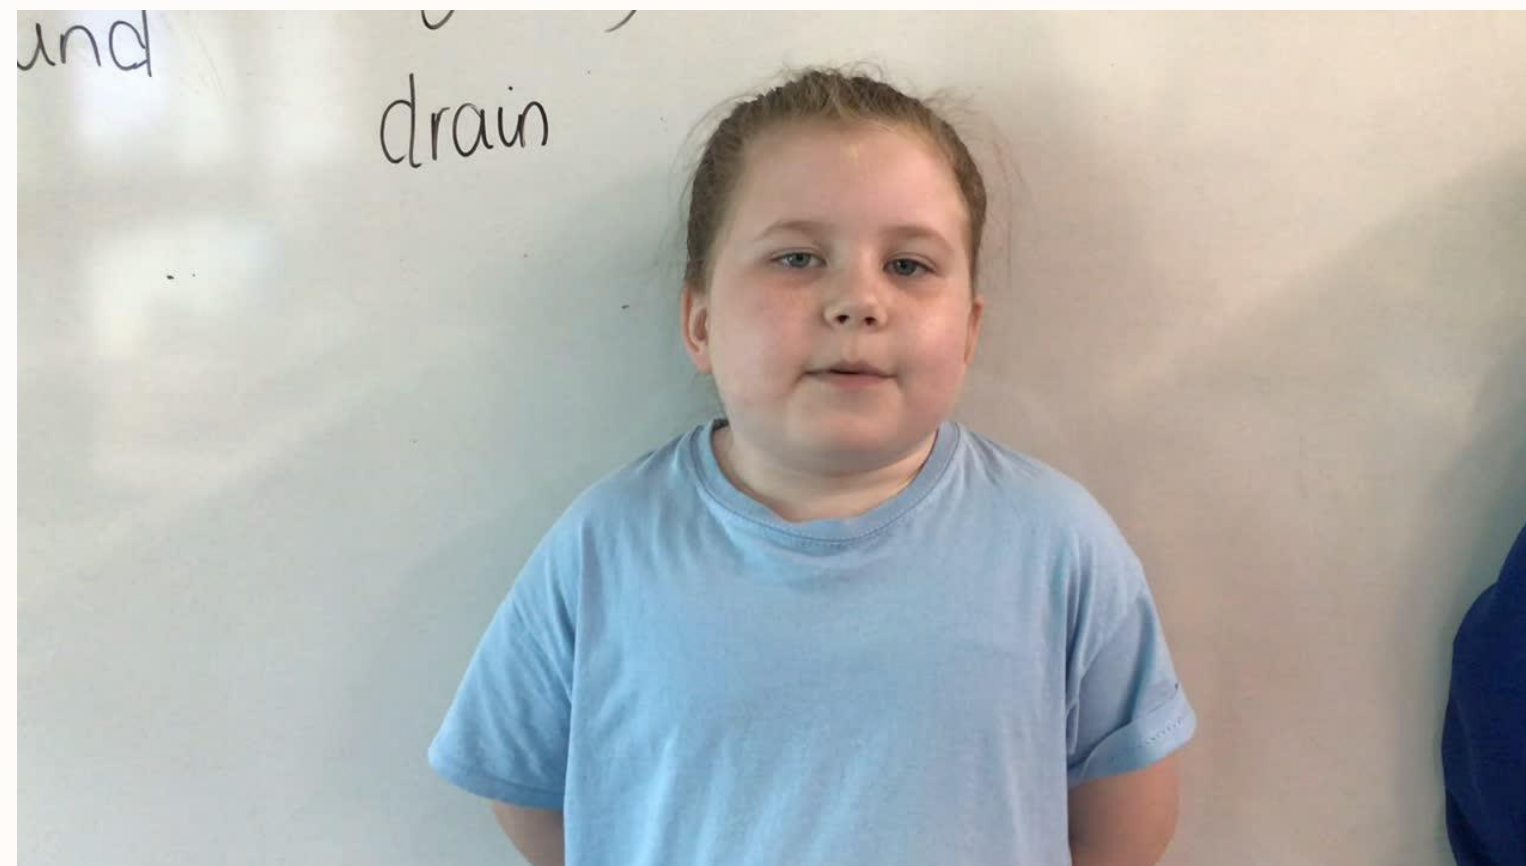

In jigsaw this term we are talking about the different changes we have when we grow up.

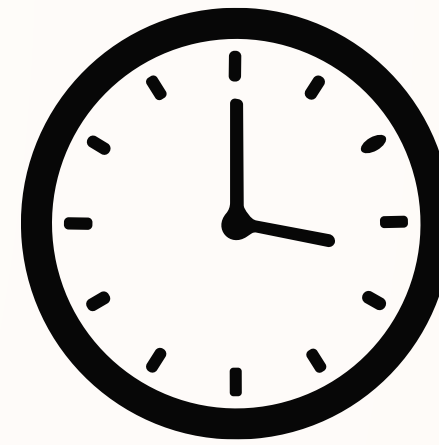

Picture News - week 2

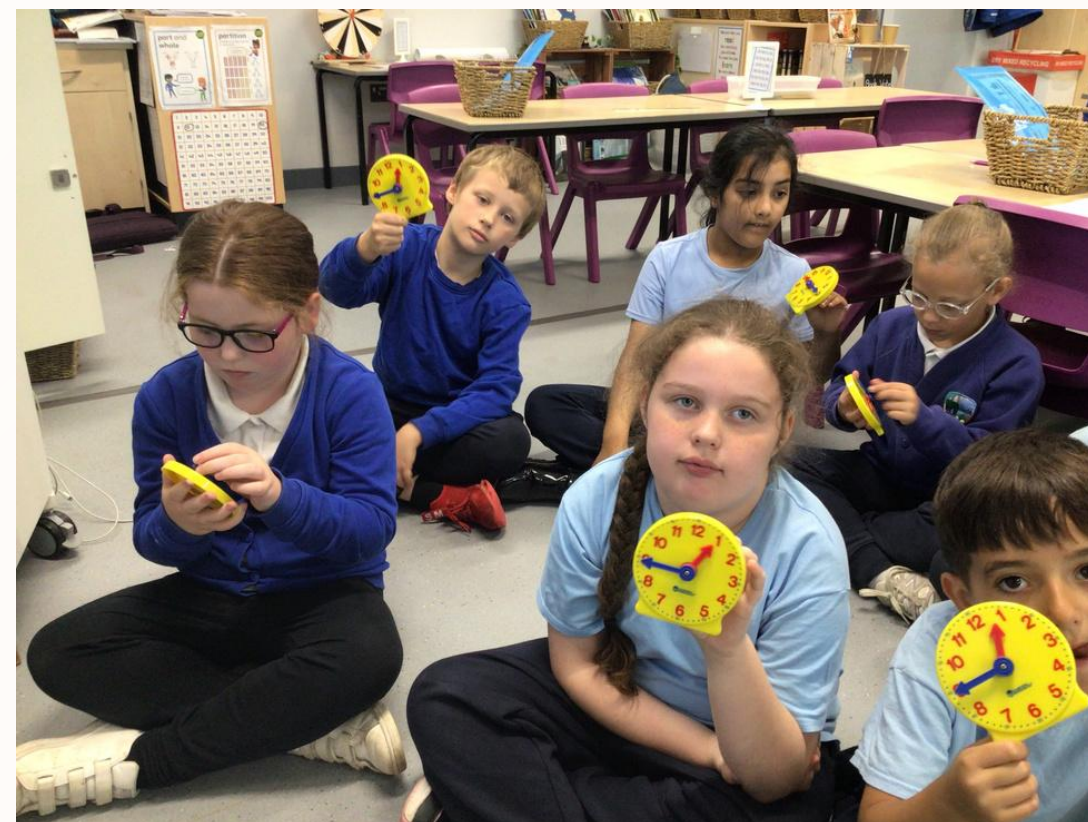

In picture news this week we have had a discussion on how to keep our oceans safe.

Maths 8/6/26

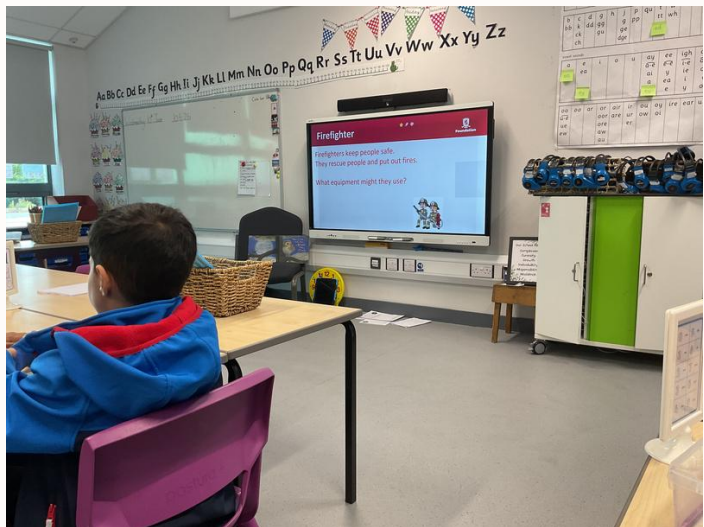

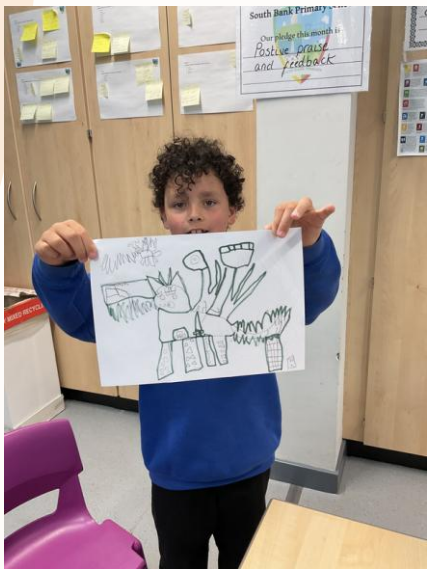

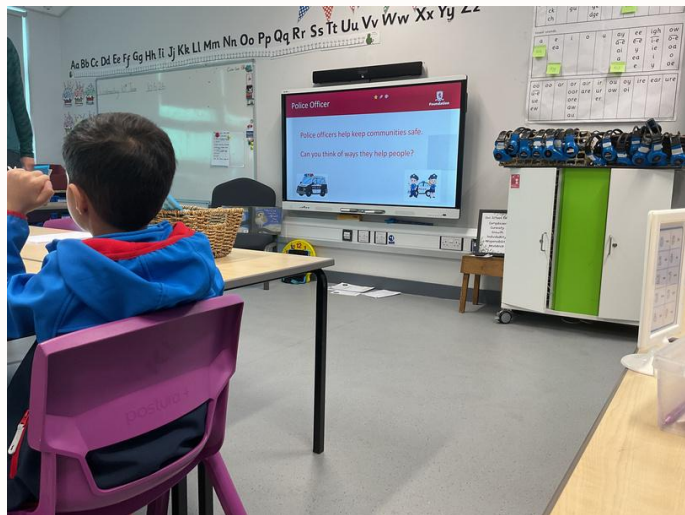

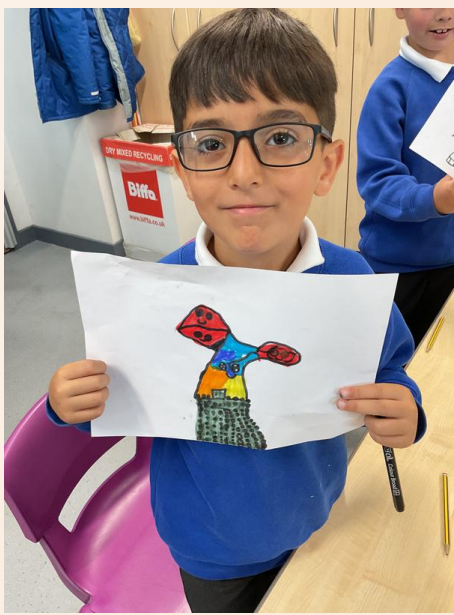

**In Maths today we have used
clocks to tell the time to show
quarter to and quarter past.**

Careers workshop

The children had a discussion about all different careers. The children had to design their own house.

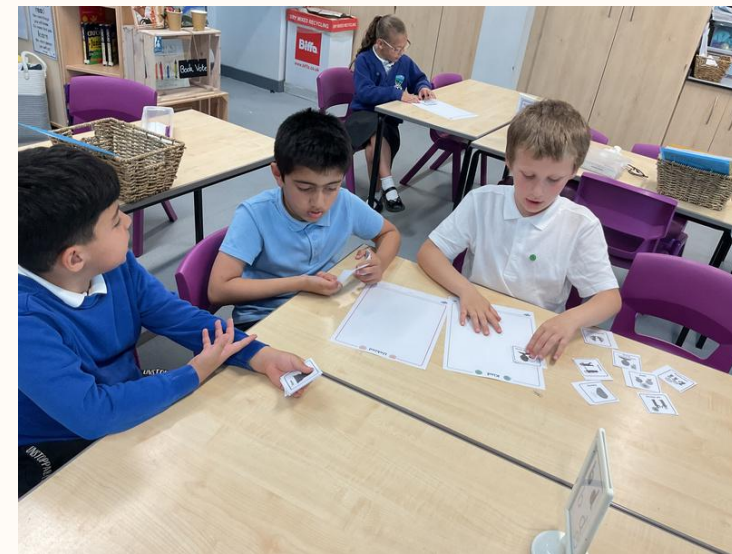

Maths 10/6/28

In Maths today we have used clocks to tell the time to 5 minutes. We played bingo to practise reading time to 5 minutes.

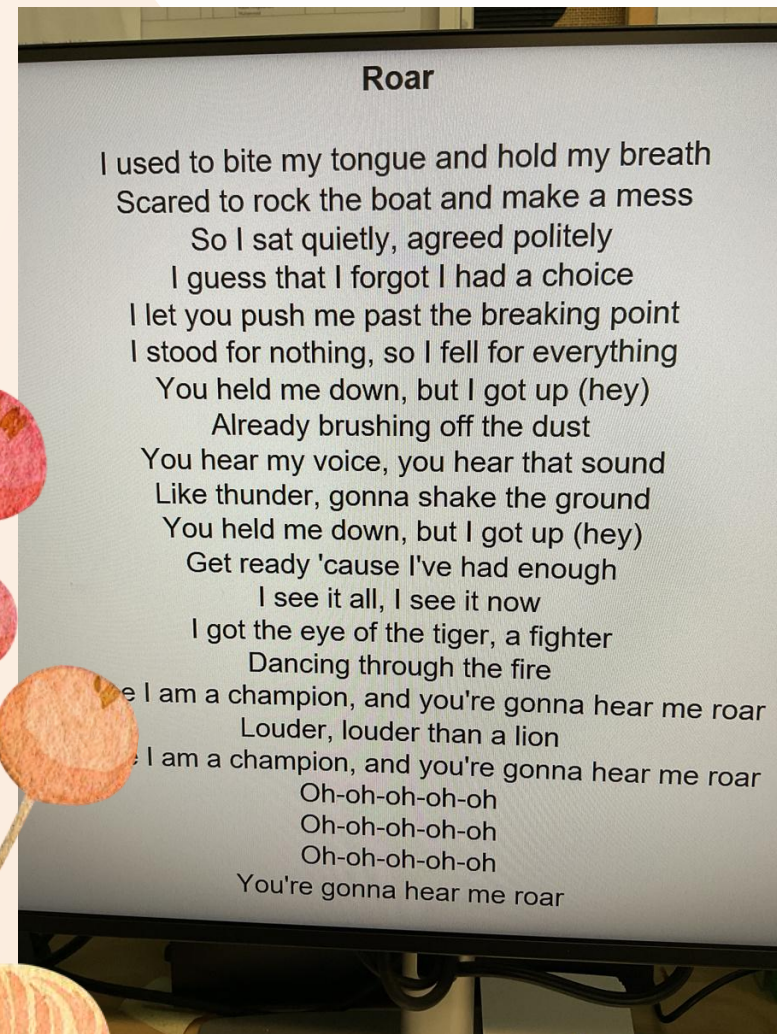

RE 10/8/26

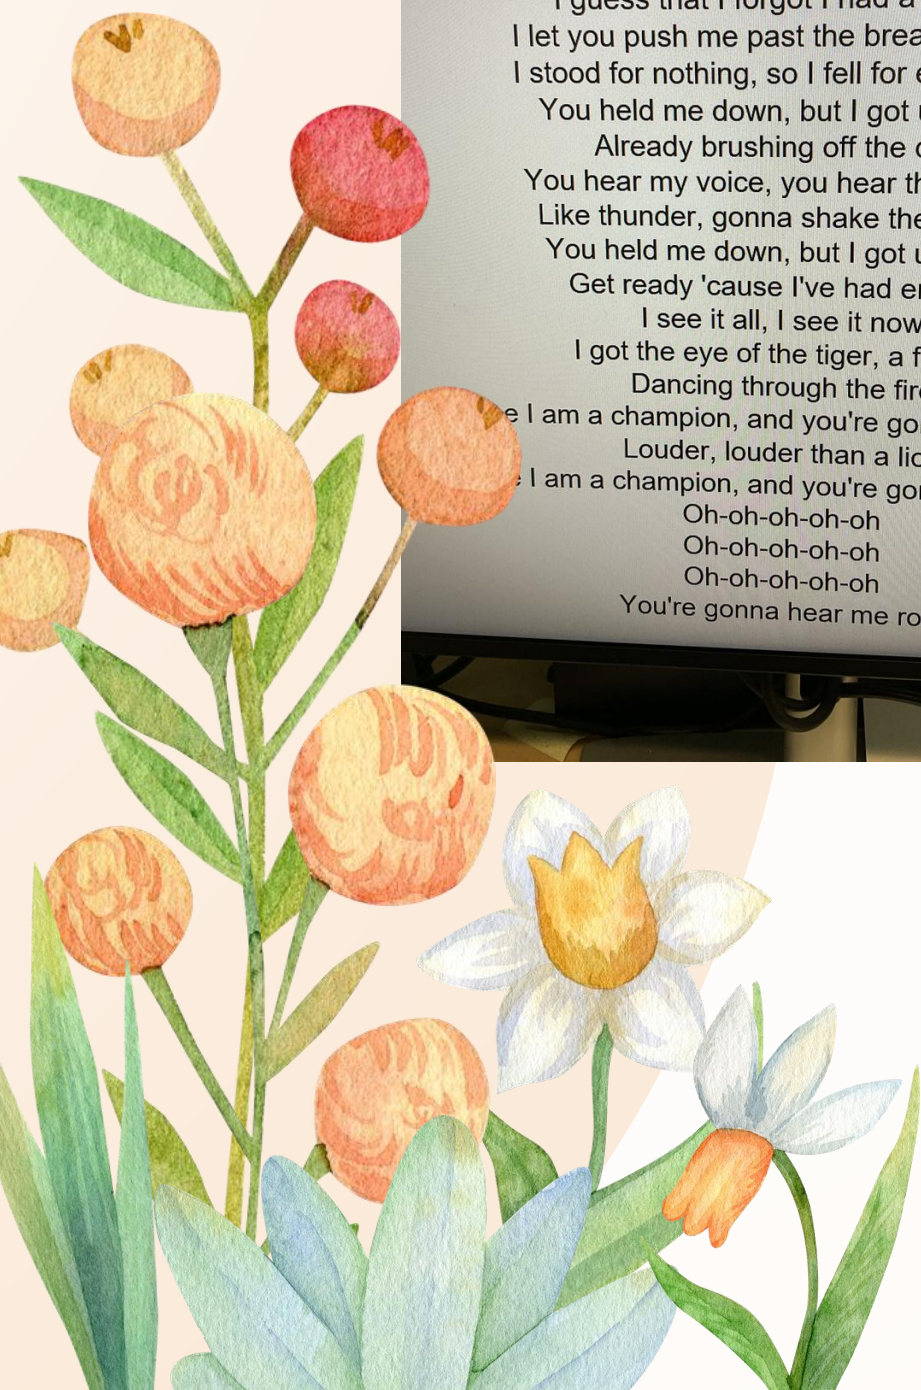

In RE today we have been discussing about all the good things Saint Francis done. The children worked together, sorting out picture cards demonstrating kind and unkind actions.

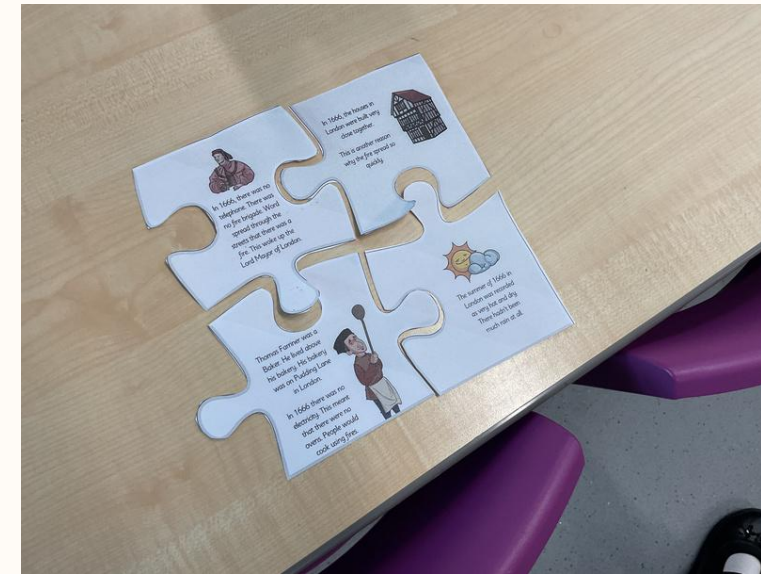

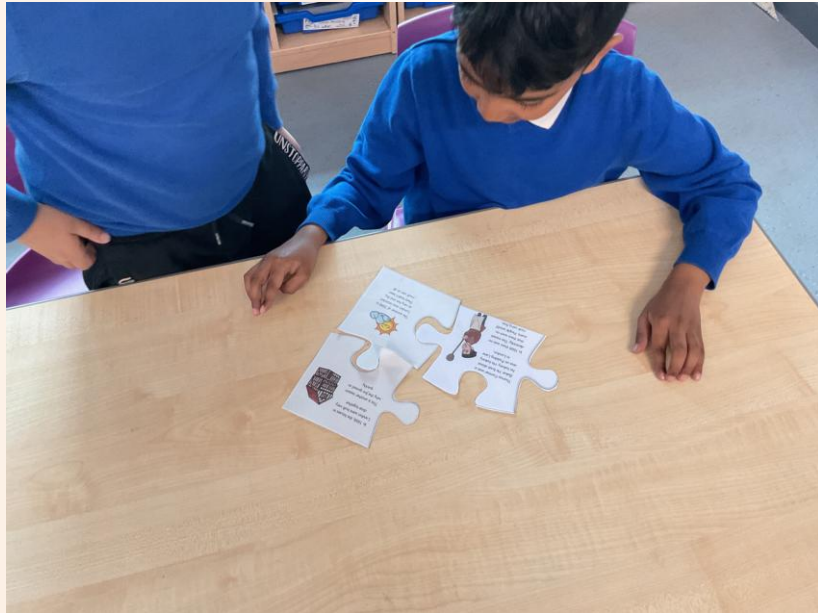

Music 11/6/26

The children are continuing to learn a new song this week to perform to an audience at the end of term. We practised adding actions.

History11/6/26

The children have been history detectives to find out what caused the great fire of London in 1666. They had to put the puzzle pieces together to find out who and what caused the incident.

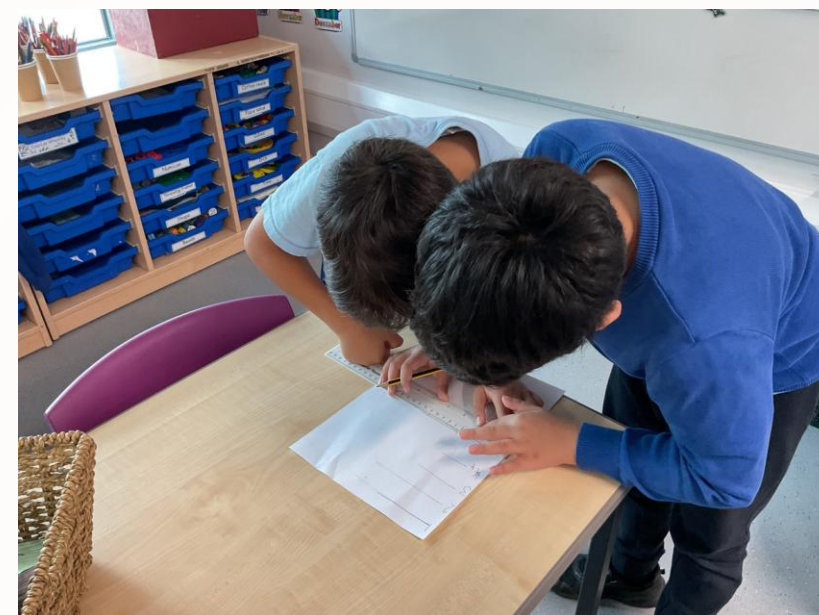

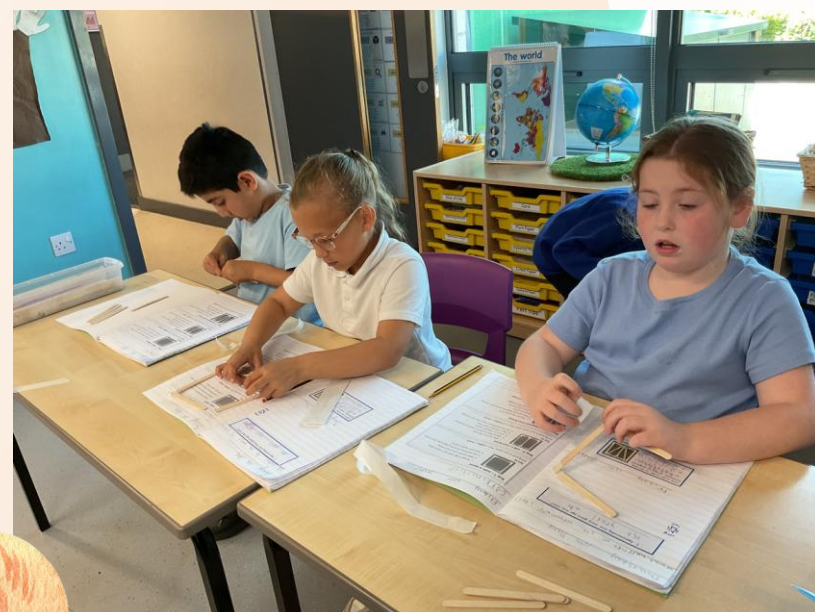

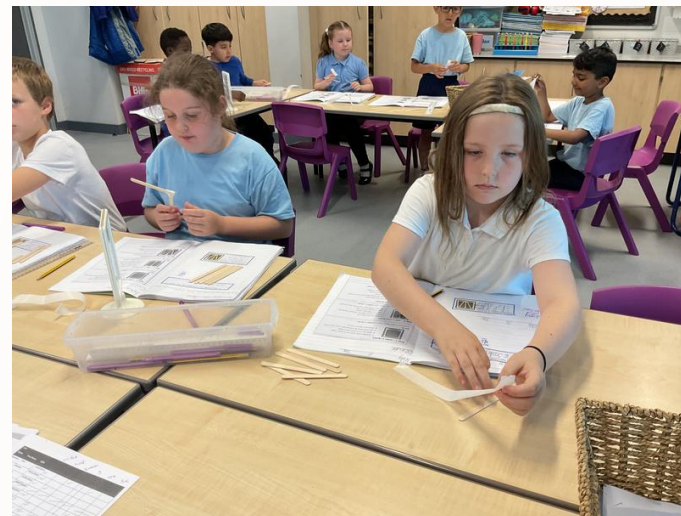

Enterprise - Week 2

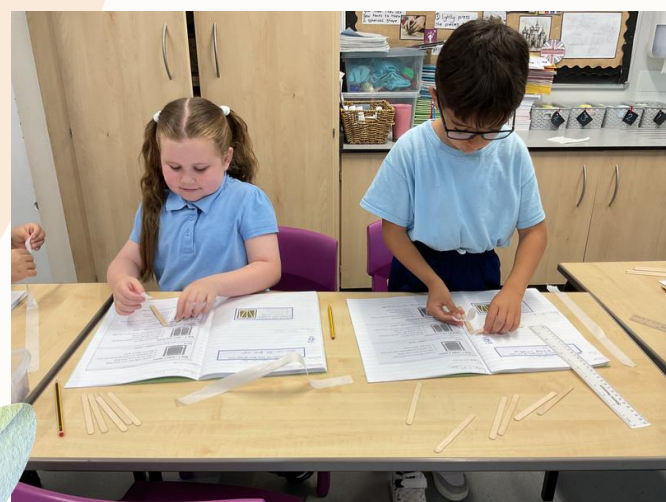

This week the children carried out market research to see what customers would like and how much they are willing to pay. We asked school staff and families.

DT 12.6.26

In DT this week the children have been looking at measuring and structure on how to make something stronger when making a model.

Ask Copilot

1 of 1

- Measure the length carefully.
- Cut along your line.
- Give it to your partner.
- Your partner measures it again.
- Tick if it is accurate or write the correct measurement.

Measure and cut	Partner check for accuracy
10 cm	e.g. 10 cm ✓
5 cm	e.g. 4.5 cm ✗
7 cm	7.5 cm ✗
10 cm	10 cm ✓
5 cm	5 cm ✓
3 cm	3.5 cm ✗
12 cm	12 cm ✓
8.5 cm	8.5 cm ✓

Activity 1

Science 15.6.26

In science we have been learning about hygiene.

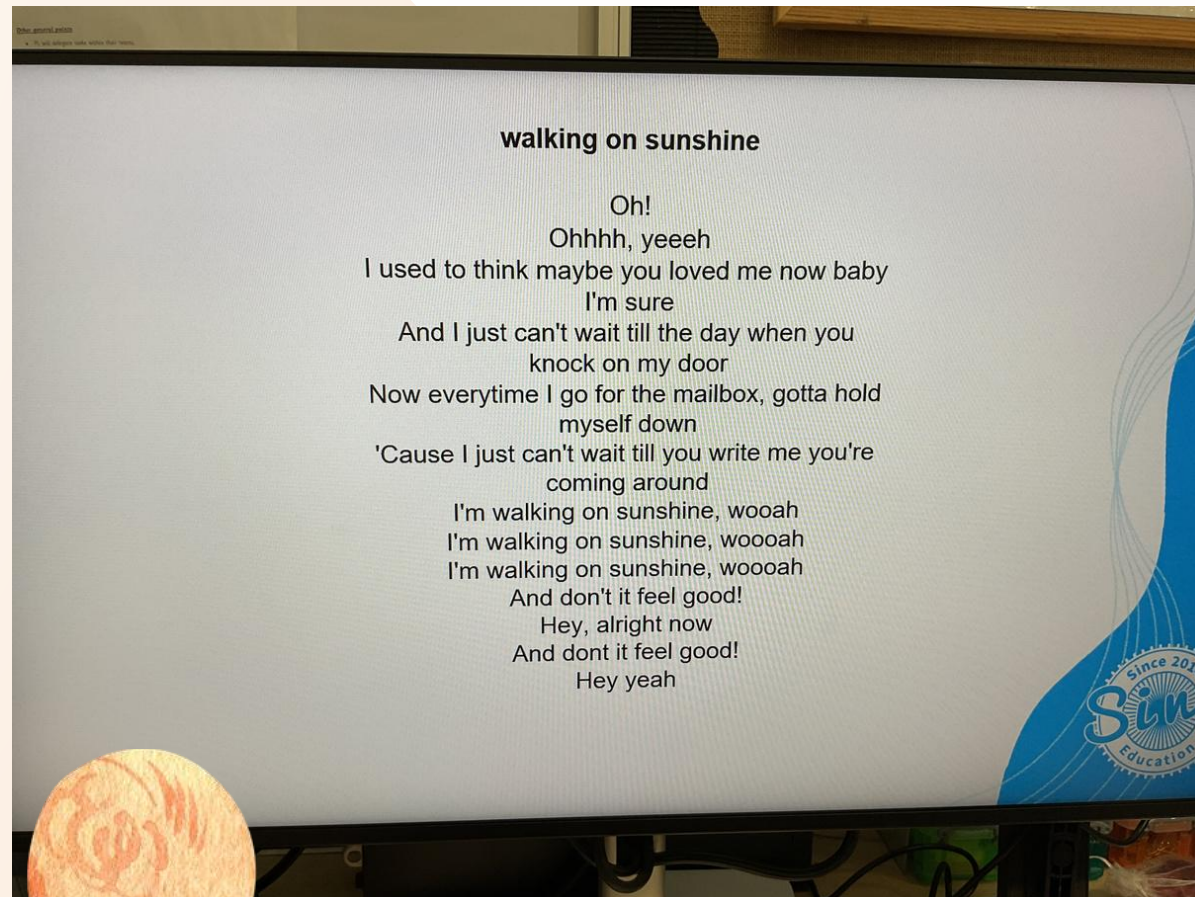

We washed our hands thoroughly.

We used glitter on our hands to see how easy it is for germs to be spread.

Music 18/6/26

The children are continuing to learn a new song this week to perform to an audience at the end of term. We practised putting the songs together with actions.

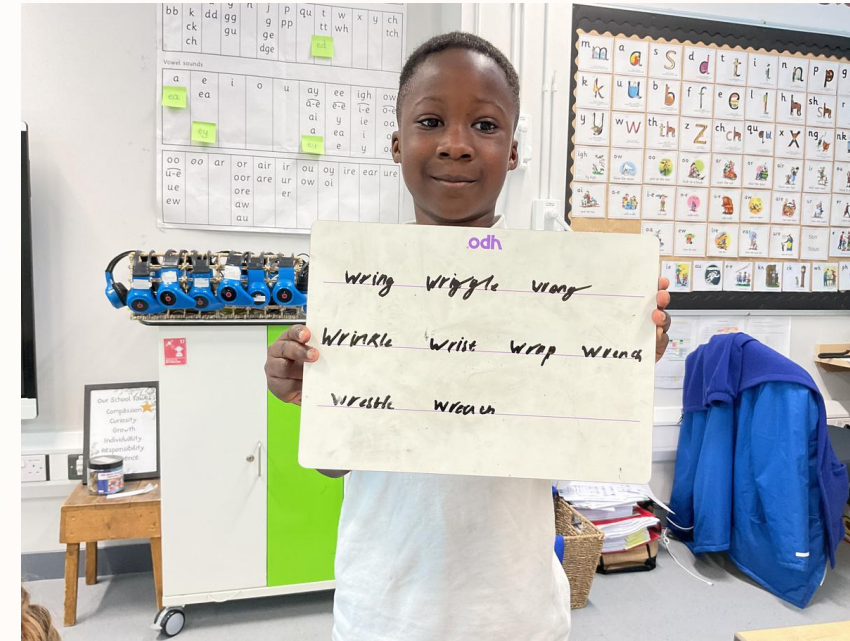

DT 19.6.26

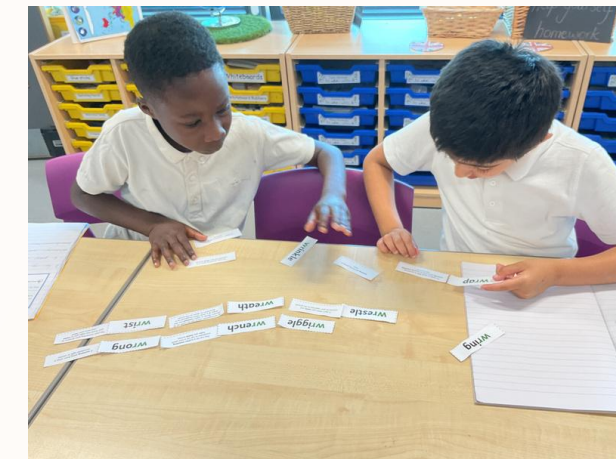

In DT this week the children have been looking how to make a hinges using card.

Submorpheme wr=

Wrist

Wrestle

Wrinkle

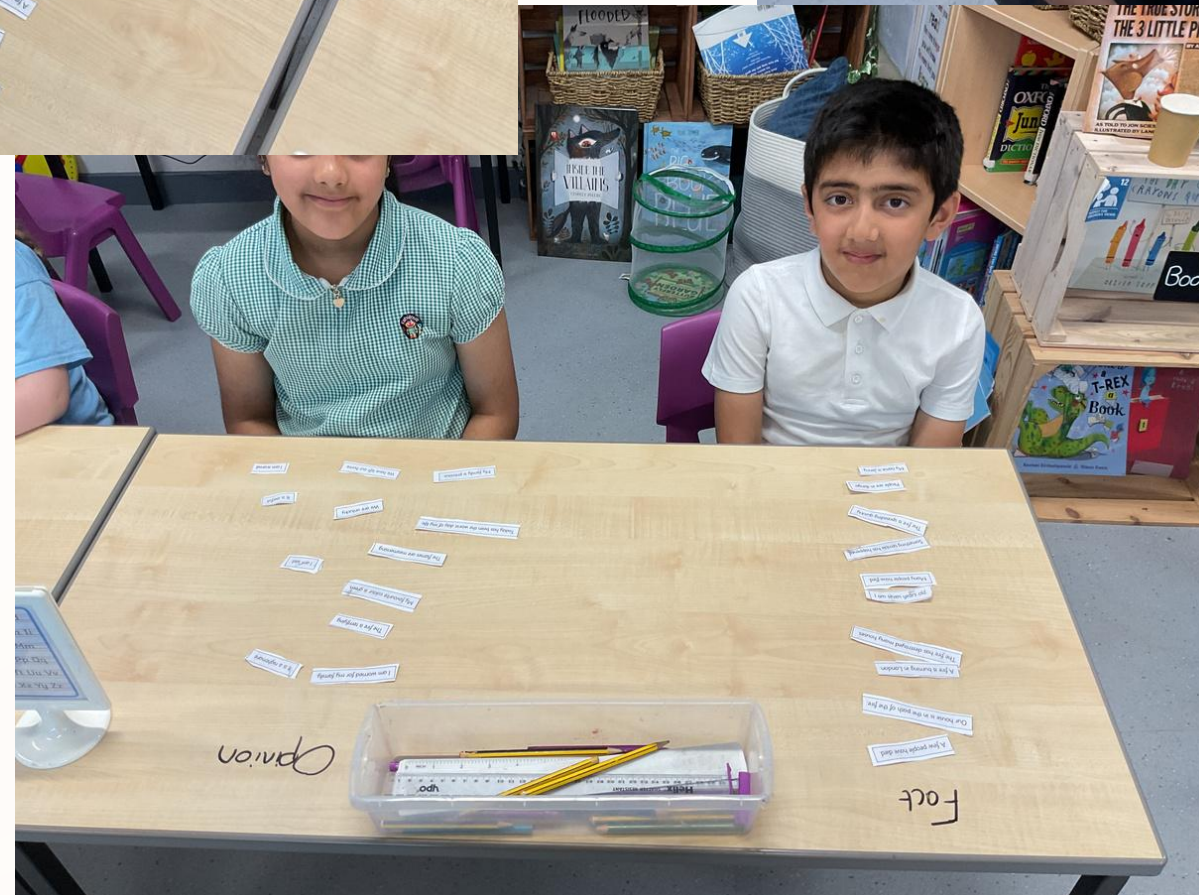

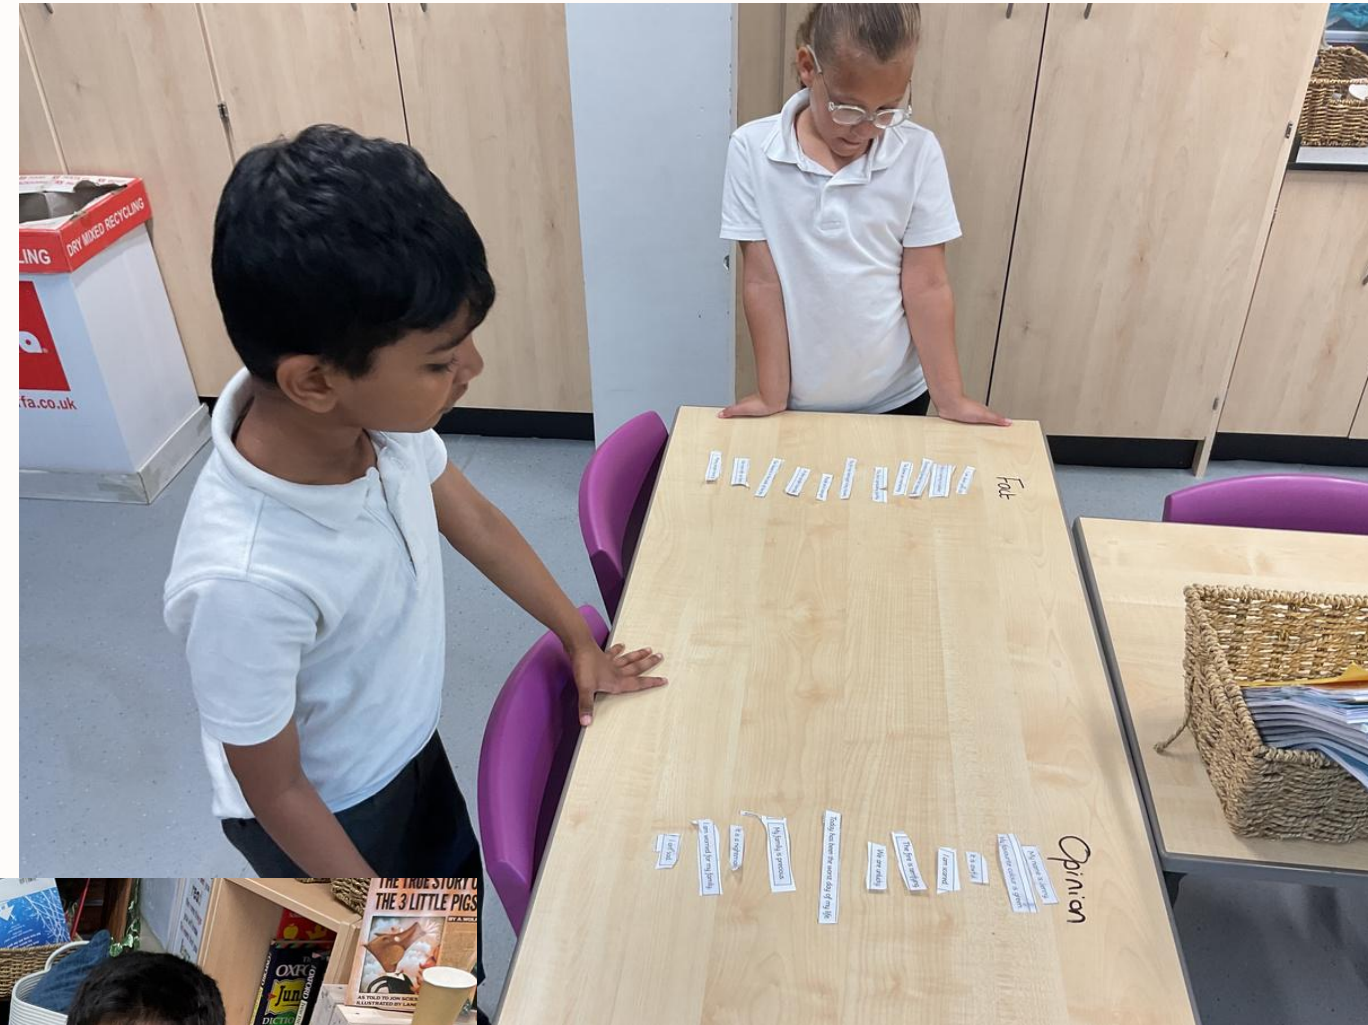

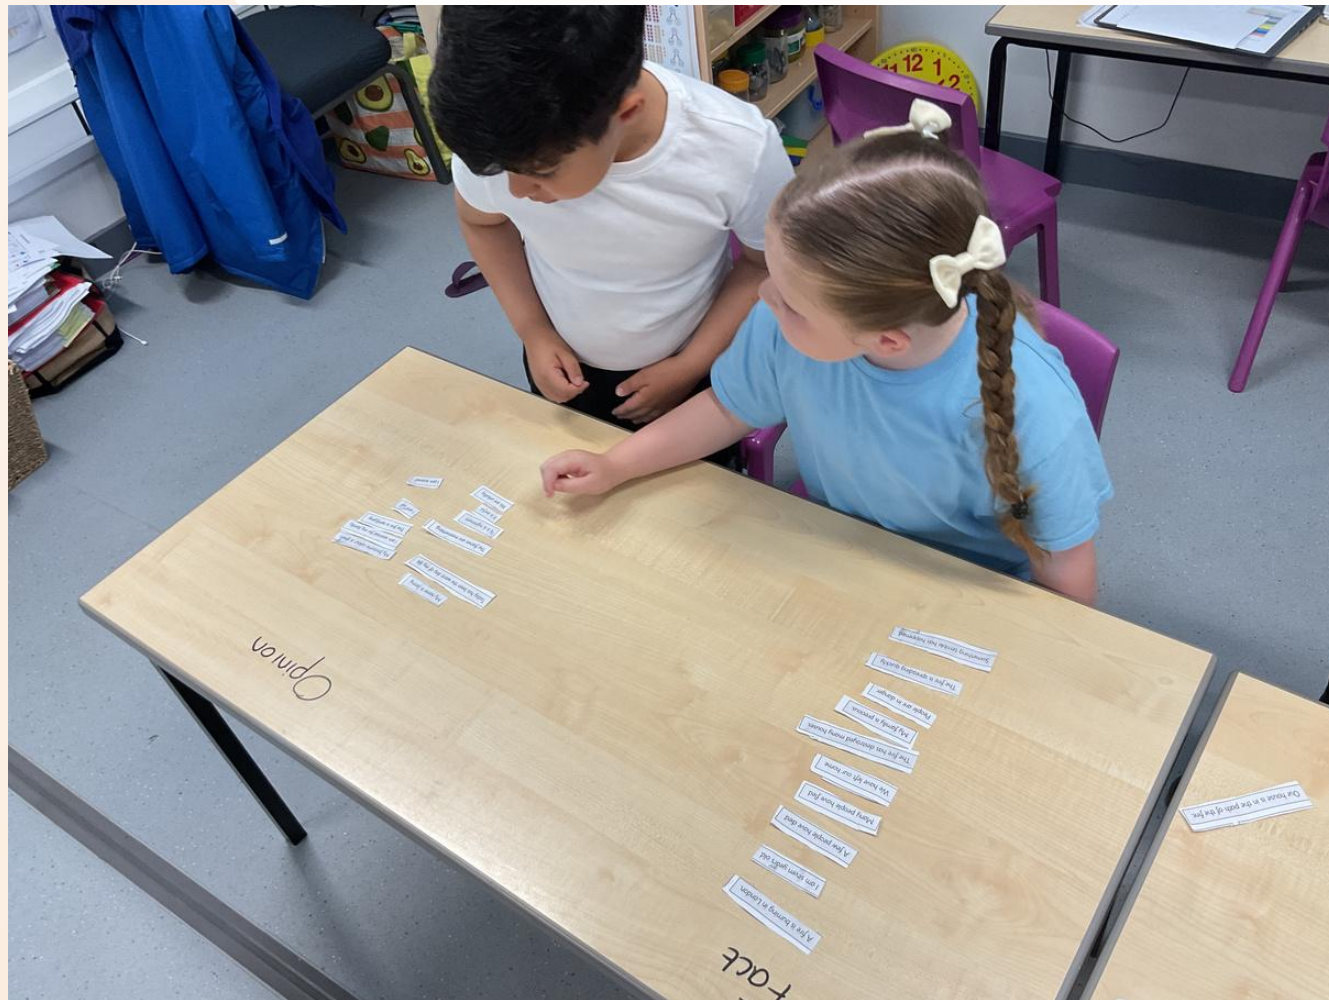

This week we have looked at the spelling of words containing the submorpheme wr=.

Road safety assembly 23/6/26

24.6.26 Sorting fact and opinion

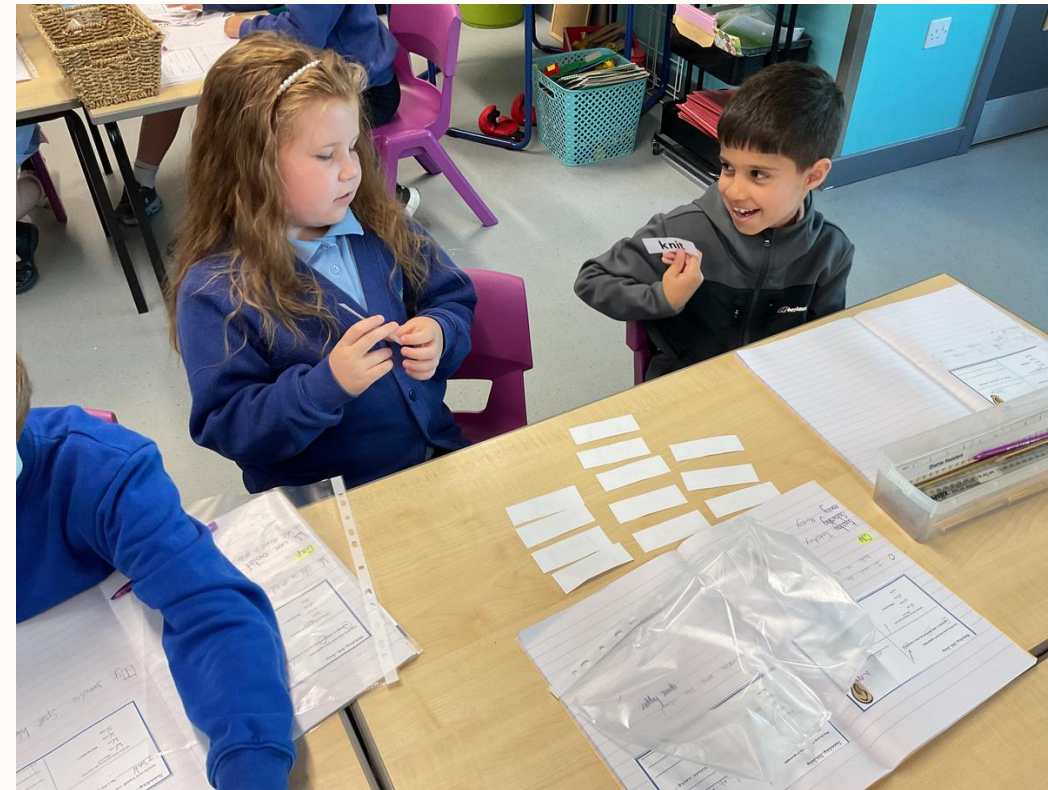

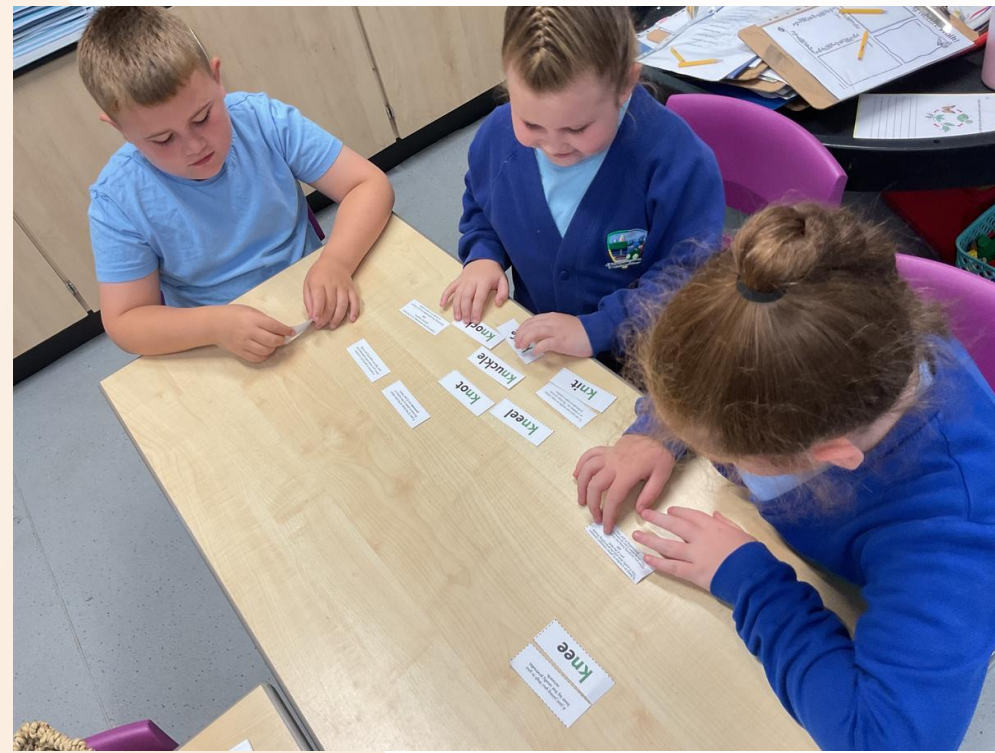

**Children sorted
facts and opinions
into groups**

**We discussed the use
of an exclamation
mark to emphasise an
opinion.**

Submorpheme kn=

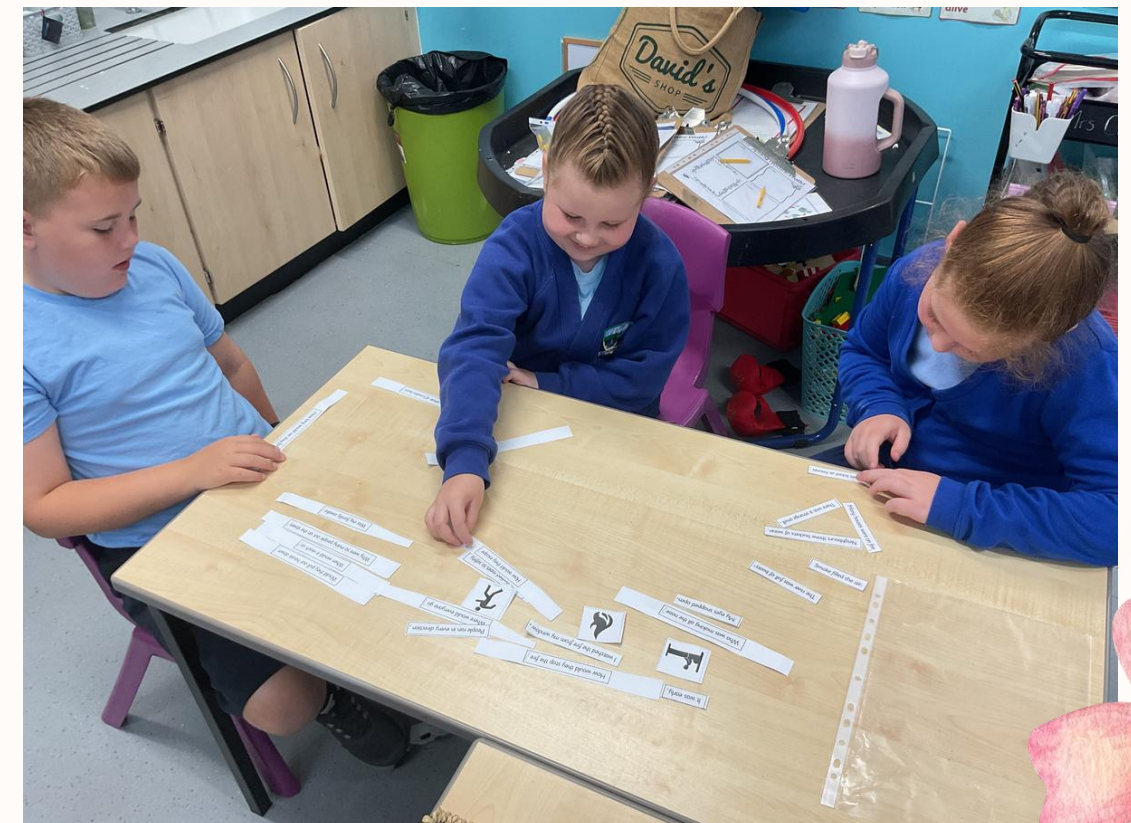

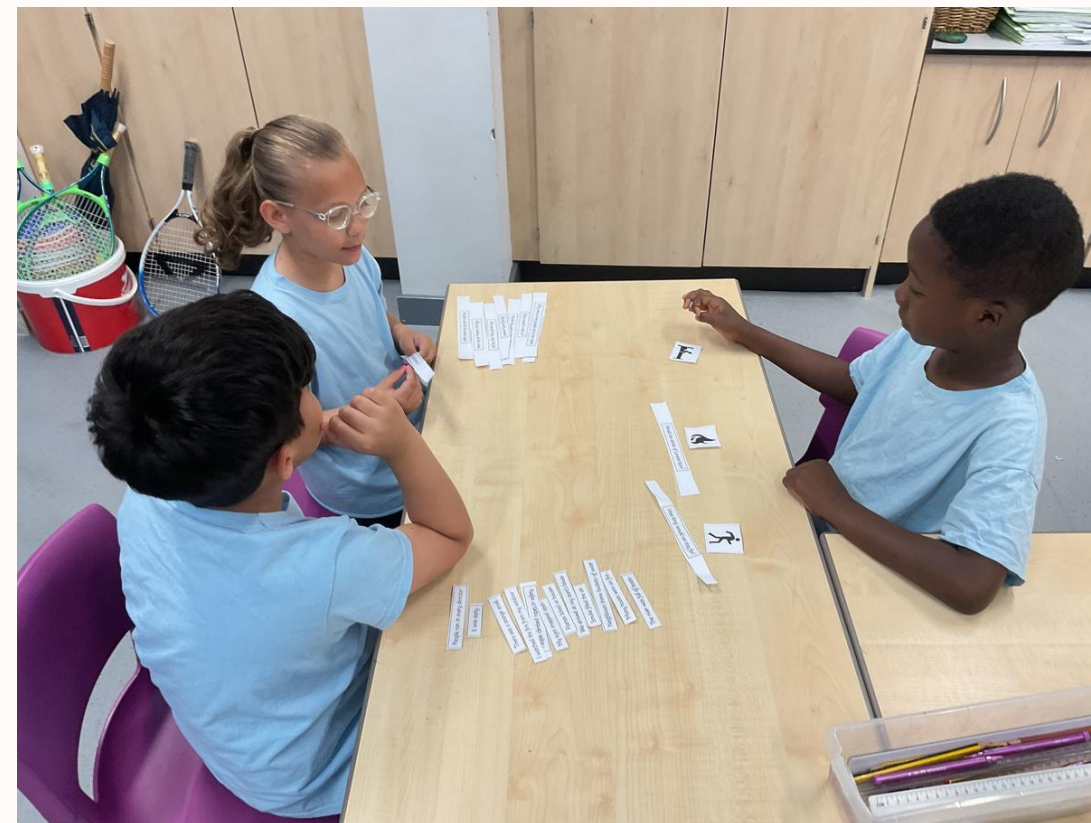

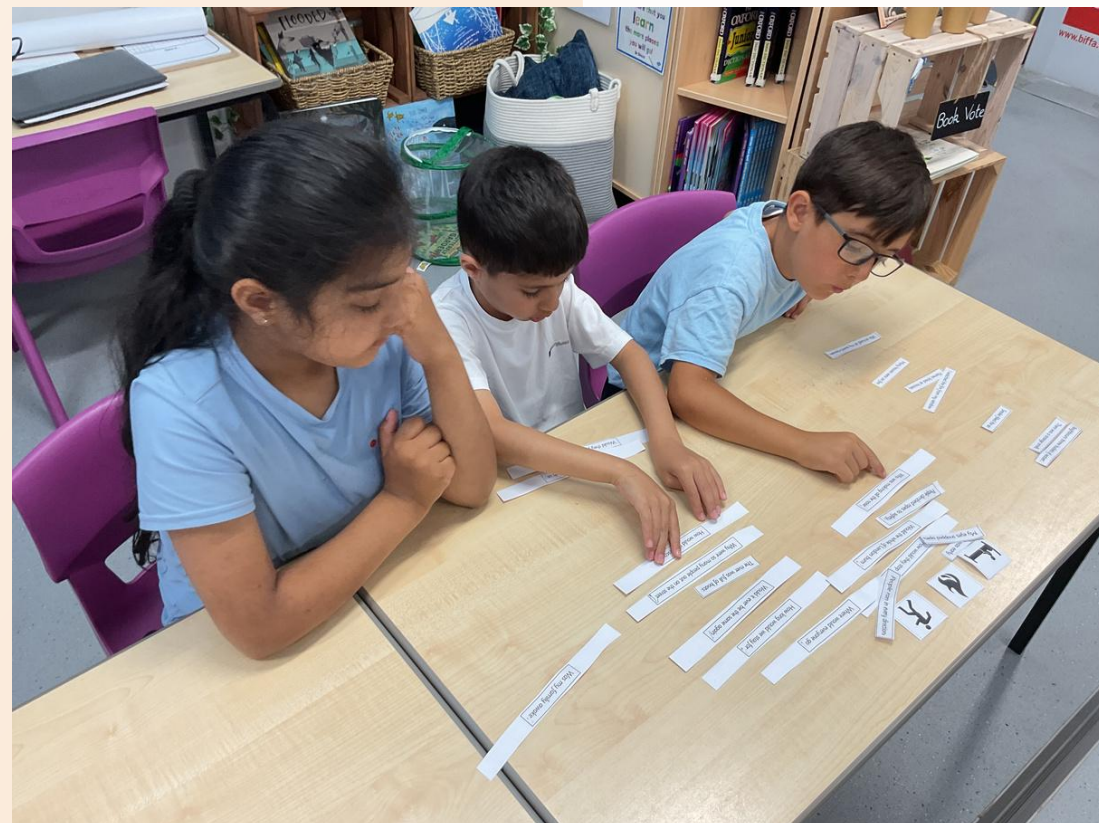

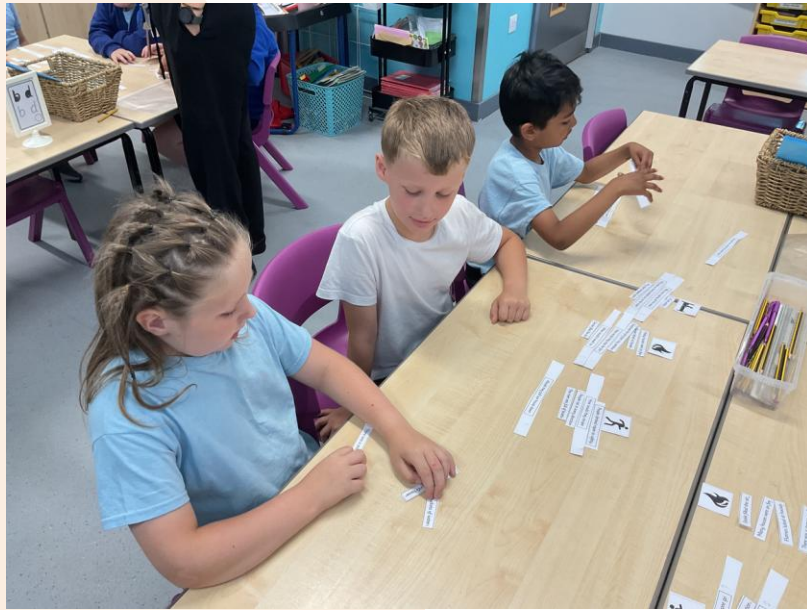

This week we have looked at the spelling of words containing the submorpheme kn=.

6.7.26 Sorting statements and rhetorical questions

**We added the correct
punctuation after
sorting the sentences
into groups,**

7.7.26 MFC Sports week
